Becker Professional Education Announces Latest Course Updates to CPA Exam Review

2015-01-06

DOWNERS GROVE, Ill.--(BUSINESS WIRE)-- Becker Professional Education, a global leader in professional education and a part of DeVry Education Group, today announced the latest updates to its CPA Exam Review course and products. The enhancements include significant increases in multiple-choice questions and simulations, robust new lectures and hundreds more flashcards—all designed to ensure students prepare with the most current content on the CPA Exam.

“We are committed to helping our students succeed in passing the CPA Exam by continually investing in our course and products to stay current with the exam’s ever-changing landscape,” said Timothy McClinton, vice president of U.S. Accounting at Becker Professional Education. “We strive to have our content mirror the CPA Exam in every way so there are no surprises on exam day.”

The enhanced CPA Exam Review, created with the help of student feedback, now consists of:

- More than 7,000 multiple choice questions
- 300 task-based simulations
- 100 hours of expert instruction
- Two full final practice exams per part
- Interactive study planner and study roadmap
- Comprehensive textbooks and eBooks
- Unlimited academic support

In addition, students can now supplement with:

- More than 30 hours of video lectures and over 700 multiple-choice questions for the Final Review
- 1,400 flashcards
- Additional multiple-choice questions for select topics

Becker has a dedicated team of nearly 100 curriculum and subject matter experts who focus on developing the most up-to-date and relevant course materials. Their work means that students who prepare with Becker pass the CPA Exam at double the rate of non-Becker candidates*. In fact, since 2005, 90 percent of all Elijah Watt Sells Award winners—the nation's top scorers on the CPA Exam—have prepared with Becker's CPA Exam Review.
