SBA Communications Corporation to Release 1st Quarter Operational Results April 11, 2001

BOCA RATON, Fla., April 4 /PRNewswire/ -- SBA Communications Corporation (Nasdaq: SBAC) ("SBA") announced it will release its 1st quarter operational results on Wednesday, April 11, 2001 in a press release scheduled for 5:30 p.m. EDT. Information to be released will include towers built, towers acquired and same tower revenue growth.

A conference call to discuss these results has been scheduled for Thursday, April 12, 2001 at 10:00 a.m. eastern daylight time. The U.S. call-in number is (800) 553-0329, the international call-in number is (612) 332-0634. The name of the conference call is "SBA 1st Quarter Operational Results." The replay will be available from April 12, at 2:30 p.m. to April 26, at 11:59 p.m. The replay number for the U.S. is (800) 475-6701 and international replay number is (320) 365-3844. The access code is 581262.

SBA is a leading independent owner and operator of wireless communications infrastructure in the United States. SBA generates revenue from two primary businesses -- site leasing and site development services. The primary focus of the company is the leasing of antenna space on its multi-tenant towers to a variety of wireless service providers under long-term lease contracts. Since it was founded in 1989, SBA has participated in the development of over 15,000 antenna sites in the United States.
