11/5/2018

NEWTON, Mass.--(BUSINESS WIRE)-- **Five Star Senior Living Inc.** (Nasdaq: FVE), one of the nation's leading senior living and healthcare service providers, is pleased to announce the completion of an extensive \$4.5 million renovation of Fieldstone Place, a 102-unit independent and assisted living community located in Clarksville, Tennessee.

"The upgrades made at Fieldstone Place are a testament to how much senior living has changed over the last few years," commented Bruce Mackey, Five Star Senior Living's President and CEO. "Full kitchens with granite countertops are now standard but what's really evolving is the impressive public space and amenities we can offer."

A state-of-the-art theater with surround sound and a 90-inch screen was added as well as two renovated dining rooms and a new private dining room for residents to use with their families and friends. The renovation also included a miniature putting green, a new community library and a beauty parlor.

For residents who need rehabilitation, Ageility Physical Therapy services are now available onsite in a brand new gym. All residents will benefit from two new Lifestyle360 activity areas, which focus on programming that builds upon five dimensions of senior wellness; spiritual, social, physical, emotional and intellectual.
