NEWTON, Mass.--(BUSINESS WIRE)-- Five Star Senior Living Inc. (Nasdaq: FVE), one of the nation's leading senior living and healthcare service providers, is pleased to announce the completion of a multi-million dollar renovation of Premier Residences of Dallas, a 10 story luxury high rise with 143 Independent Living apartments, in Dallas, Texas.

The building's Art Nouveau architecture is showcased with a new, contemporary interpretation of this classic style. The updates include the addition of new amenities as well as three dining venues: a formal dining restaurant, La Sierra, a stylish casual coffee bar and a classic pub. These new dining venues will utilize Five Star's My Choice dining approach which allows residents to choose how and when they would like to dine, providing residents with exciting new options they didn't have before.

The Community and Residents explored a "Taste of Texas" at a Grand Reopening Celebration on Thursday, October 26. This event showcased Regional Texas Cuisine prepared by Five Star Celebrity Chef Brad Miller and Five Star elite chefs from across the state.

"We are pleased with our community's management which worked closely with a team of architects and designers to ensure that the redesign made excellent use of this exceptional space," commented Bruce Mackey, Five Star Senior Living's CEO.
