Becker Professional Education Announces New Licensing Agreement with BenchPrep

2018-03-27

CHICAGO, March 27, 2018 (GLOBE NEWSWIRE) -- BenchPrep™, the comprehensive learner success platform company that puts the learning experience first, today announced that Becker Professional Education ("Becker"), a global leader in professional education and part of Adtalem Global Education, has licensed BenchPrep's industry-leading technology to enhance its user learning experience and to improve success rates in nursing licensure.

BenchPrep's platform is designed to help education and training organizations improve and accelerate learner success by streamlining content management, educator tools, dashboards, reporting, and e-commerce into one comprehensive solution. With BenchPrep, learners also get the flexibility to prepare at any time or anywhere, across all devices. Complemented by gamification, the result is an unmatched user experience that's simple, personalized, and fun.

"We are thrilled that Becker will be utilizing BenchPrep's technology in its NCLEX-RN preparation programs," said Ashish Rangnekar, chief executive officer of BenchPrep. "With Becker and many other leaders in the world of learning and professional development now leveraging our technology, BenchPrep has become fully recognized and embraced as an industry leader. We look forward to helping Becker achieve their organizational goals and we're excited to be a part of their growth."

"BenchPrep's mission in education and software capabilities align well with Becker's strategic goals for

health licensing programs," said David Bartholomew, vice president of Becker Professional Healthcare. "This partnership will allow us to create more learning opportunities while scaling for partners of all sizes. We are confident that BenchPrep's passion for innovation and proven success will give Becker additional tools to continue improving the learning experience of our students."

As a global leader in professional education for over 60 years in accounting, healthcare and certifications, Becker helps students prepare for exams that include, CPA, CMA, USMLE, and PMP, among others. By partnering with BenchPrep, Becker will be able to expand its program offerings in the professional education segment.
