Becker Professional Education Launches New CPE Courses

2015-08-27

Becker strives to meet the ever-growing needs of CPAs by adding 50 new courses

DOWNERS GROVE, Ill.--(BUSINESS WIRE)-- Becker Professional Education, a global leader in professional education and a part of DeVry Education Group, has launched 50 new continuing professional education (CPE) courses across six industry topics. Becker's comprehensive CPE course offerings provide current information about today's complex and challenging regulations.

"The accounting industry, and business in general, is constantly experiencing changes," said Tim Gearty, national instructor at Becker Professional Education. "To ensure that CPAs are prepared to handle these changes, Becker provides the most up-to-date material in the industry. Each month, we will release new information designed to help CPAs meet their career and CPE requirements."

New courses have been added to the following subject areas in Becker's catalog and are now available to accounting professionals:

- Accounting
- Audit
- Audit (Governmental)
- Tax
- Ethics
- Communication

Also included in the new course releases is "Texas Ethics — the Power of Choices," a Texas State Board of Public Accountancy–approved course to help Texas CPAs meet the requirements of their jurisdiction.

Becker uses the latest advancements in technology to give professionals a convenient, interactive experience. CPE credits can be earned through scheduled webcast courses or 24/7 On Demand

courses, both taught by leading educators with years of practical, real-world experience. Becker offers CPE to accounting and finance professionals in public accounting, industry and government. Key topics of focus include: U.S. Generally Accepted Accounting Principles (GAAP), International Financial Reporting Standards (IFRS), audit, tax, governmental accounting, management, leadership and more.
