COMPENSATION COMMITTEE CHARTER

This Compensation Committee Charter was adopted by the Board of Directors (the “Board”) of Ulta Beauty, Inc. (the “Company”) on February 21, 2019 replacing the Compensation Committee Charter previously adopted by the Board on June 1, 2016.

I. Purpose

The purpose of the Compensation Committee (the “Committee”) of the Board is to discharge the Board’s responsibilities relating to (a) the establishment and maintenance of compensation and benefit policies designed to attract, motivate and retain personnel with the requisite skills and abilities to enable the Company to achieve superior operating results; (b) the compensation of the Company’s executives and non-management directors; and (c) the issuance of an annual report on executive compensation for inclusion in the Company’s annual proxy statement or Form 10-K, as applicable.

In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities delegated to it by the Board from time to time consistent with the Company’s by- laws (as in effect from time to time) and applicable law. The powers and responsibilities delegated by the Board to the Committee in this Charter or otherwise shall be exercised and carried out by the Committee as it deems appropriate without requirement of Board approval, and any decision made by the Committee (including any decision to exercise or refrain from exercising any of the powers delegated to the Committee hereunder) shall be at the Committee’s sole discretion. While acting within the scope of the powers and responsibilities delegated to it, the Committee shall have and may exercise all the powers and authority of the Board. To the fullest extent permitted by law, the Committee shall have the power to determine which matters are within the scope of the powers delegated to it.

II. Membership

The Committee shall be comprised of three or more directors, each of whom, in the determination of the Board shall satisfy the independence requirements of NASDAQ and Rule 10C-1(b) under the Securities Exchange Act of 1934, as amended (the “Act”), and have experience, in the business judgment of the Board, that would be helpful in addressing the matters delegated to the Committee. Further, at least two members of the Committee shall each, in the determination of the Board, (a) be a “non-employee director” within the meaning of Rule 16b-3 of the Act; and (b) qualify as an “outside director” under the regulations promulgated under Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), and such Committee members shall serve as the “Section 16 and 162(m) Subcommittee” to the extent that other members of the Committee do not satisfy these requirements.

The members of the Committee, including the Chair of the Committee, shall be appointed by the Board on the recommendation of the Nominating & Corporate Governance Committee. Committee members may be removed from the Committee, with or without cause, by the Board.

Approved by the Board of Directors on February 21, 2019

The Board may designate, upon the recommendation of the Nominating & Corporate Governance Committee, one or more directors as alternate members of the Committee, who may replace any absent or disqualified member at any meeting of the Committee. If a member of the Committee and such member's alternate, if alternates are designated by the Board, are absent or disqualified, the member or members of the Committee present at any meeting and not disqualified from voting, whether or not such member or members constitute a quorum, may unanimously appoint another member of the Board to act at the meeting in place of any such absent or disqualified member, so long as such replacement member of the Committee satisfies the requirements for membership provided herein.

III. Meetings and Procedures

Meetings of the Committee may be called by the Chair of the Committee, the Chair of the Board or two or more members of the Committee, upon notice given at least twenty-four hours prior to the meeting, or upon such shorter notice as shall be approved by the Committee. The Chair of the Committee (or in his or her absence, a member designated by the Chair) shall preside at each meeting of the Committee and set the agendas for Committee meetings. The Chair of the Committee shall designate a secretary for each meeting who shall record minutes of all formal actions of the Committee. A majority of the Committee members, present in person or by phone, shall constitute a quorum. A majority of the members present shall decide any questions brought before the Committee, except to the extent otherwise required by the Company's certificate of incorporation or by-laws (each as in effect from time to time). The Committee shall have the authority to fix its own rules of procedure and shall hold its meetings as provided by such rules and so long as such rules are not inconsistent with any provisions of the Company's applicable by-laws. Meetings of the Committee may be held by conference call. Unless otherwise restricted by the Company's certificate of incorporation or by-laws, any action required or permitted to be taken at any meeting of the Committee may be taken without a meeting if all members of the Committee consent thereto in writing, and the writing or writings are filed with the minutes of the Committee.

The Committee should meet as often as it determines advisable to fulfill the Committee's duties and responsibilities, but at least quarterly and more frequently as the Committee deems necessary or desirable.

The Committee may, in its sole discretion, retain any compensation and benefits consultants, legal counsel and other consultants, experts or advisers ("committee advisers") that the Committee believes to be desirable and appropriate. The Committee may also use the services of the Company's regular legal counsel or other advisers to the Company. The Committee shall be directly responsible for appointing, compensating and overseeing the work of any committee adviser retained by the Committee. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to any committee advisers employed by the Committee and for ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties. Consistent with applicable requirements of the Act and NASDAQ listing standards, the Committee shall, subject to any exceptions under NASDAQ listing standards, undertake an analysis of the independence of each committee adviser under the independence factors specified in the applicable requirements of the Act and NASDAQ listing standards, with such analysis to occur prior to selection of, or receipt of advice from, such committee adviser or consultant and as appropriate thereafter. The Committee shall have full,

unrestricted access to Company records and personnel as necessary or appropriate to carrying out its duties.

The Committee shall keep regular minutes of any meetings (unless actions are taken and reported to the Committee's satisfaction in the minutes of the Board meetings). Any such minutes kept by the Committee shall be distributed to each member of the Committee. The Secretary of the Company shall maintain the approved signed minutes for filing with the corporate records of the Company. The Chair shall report to the Board regarding the activities of the Committee at appropriate times and as otherwise requested by the Chairman of the Board.

14. The Committee shall review the Company’s compensation arrangements to determine if they encourage excessive risk-taking, and review and discuss the relationship between risk management policies and practices and compensation and to evaluate compensation policies and practices that could mitigate that risk.

15. The Committee shall periodically review and make recommendations to the Board with respect to the compensation of its non-management directors. In addition, the Committee shall, at the end of each year, review the non-employee director compensation and benefits.

17. The Committee shall review and reassess this Charter at least annually and submit any recommended changes to the Board for its consideration.

18. The Committee shall review the results of any advisory stockholder votes on executive compensation and consider whether to recommend adjustments to the Company's executive compensation policies and practices as a result of such votes.
