C Corporate Governance

Our strong long-term and near-term performance reflect oversight by an independent board chair and a steadily refreshed, diverse board.

Board Leadership Structure

The Corporate Governance Guidelines (the “Corporate Governance Guidelines”) of Ulta Beauty, Inc. (“Ulta Beauty,” the “Company,” “we,” “us” or “our”) provide that the offices of the Chief Executive Officer (“CEO”) and the Chairperson of the Board of Directors may be either combined or separated at the discretion of the Board of Directors (sometimes referred to as the “Board”). We currently separate the roles of CEO and Chairperson of the Board. **Our Board is led by an independent, non-executive Chairperson.** We believe that this leadership structure enhances the accountability of the CEO to the Board, strengthens the Board’s independence from management, and ensures a greater role for the independent directors in the oversight of the Company. In addition, separating these roles allows our CEO to focus her efforts on running our business and managing our Company in the best interests of our stockholders, while the Chairperson provides guidance to the CEO and, in consultation with management, helps to set the agenda for Board meetings and establishes priorities and procedures for the work of the full Board. The Chairperson presides over meetings of the full Board as well as executive sessions (without management), which the Board generally holds several times a year, both telephonically and in conjunction with each in-person meeting of the full Board.

Our Corporate Governance Guidelines also provide that the independent directors will select a lead director when the Chairperson does not qualify as an independent director (which is not the situation currently since the Chairperson qualifies as an independent director). In the event that the independent directors make such a determination, a majority of the independent directors will appoint a lead director. In the event that a lead director is designated, his or her duties would include: assisting the Chairperson of the Board and Board of Directors in assuring compliance with and implementation of the Company’s Corporate Governance Guidelines; coordinating the agenda for and moderating sessions of the Board’s non-management directors; and facilitating communications between the non-management directors and the other members of the Board and the management of the Company. The Company currently has ten independent directors, and to date they have not determined that the Board of Directors should have a lead director in addition to our independent Chairperson.

The Board believes that the current Board leadership structure is in the best interests of the Company and its stockholders at this time. The Board recognizes that no single leadership model is right for all companies and at all times and that, depending on the circumstances, other leadership models, such as combining the Chairperson and CEO roles, might be appropriate. Accordingly, the Board periodically reviews its leadership structure. Our Corporate Governance Guidelines provide the flexibility for the Board to modify or continue its leadership structure in the future, as it deems appropriate.

Independence

Board member independence is an essential element of Ulta Beauty corporate governance. The Board of Directors has determined that each of the current non-employee directors and each nominee for director is free of any relationship that would interfere with their individual exercise of independent judgment with regard to Ulta Beauty. Mary N. Dillon, our CEO, is currently the only member of the Board of Directors who is not independent due to her executive position with Ulta Beauty. Each member of the nominating and corporate governance committee, compensation committee, and audit committee satisfies the independence requirements of The NASDAQ Stock Market (“NASDAQ”) and the Securities and Exchange Commission (the “SEC”).

Board of Directors Meetings and Committees

During the fiscal year ended February 1, 2020 (“fiscal 2019”), the Board of Directors held 13 meetings. The Board of Directors has an audit committee, a nominating and corporate governance committee, and a compensation committee. During fiscal 2019, no director attended less than 75% of the aggregate meetings of the Board of Directors and of the committees on which they served that were held during the period for which they were a director or committee member, respectively, other than Mr. Smith, who missed one of the meetings of the Board in fiscal 2019 during the period in which he was a director, resulting in attendance of less than 75%. Mr. Smith was appointed to the Board on September 18, 2019. He missed one meeting due to an unanticipated conflict, received all Board materials, and his input was received on matters discussed and decided. Neither Mr. Smith nor the Company anticipates attendance issues in 2020. In addition, Mr. Smith and Ms. Little, who was appointed to the Board on November 27, 2019, observed several committee meetings as part of their extensive onboarding process. Directors are invited and expected to attend the Annual Meeting of Stockholders, and all our directors then in office attended our 2019 Annual Meeting of Stockholders.

Board Role in Risk Oversight

Our Board of Directors oversees an enterprise-wide approach to risk management, designed to support the achievement of organizational objectives, including strategic objectives, to improve long-term organizational performance and enhance stockholder value. Management is responsible for the Company’s day-to-day risk management activities and processes, and our Board’s role is to engage in informed oversight of and provide guidance with respect to such risk management activities and processes. The Board recognizes that a fundamental part of risk management is not only understanding the risks our Company faces and the steps management is taking to manage those risks, but also understanding what level of risk is appropriate for our Company. As such, the Board focuses on understanding the nature of our enterprise risks, including operational, financial, legal and regulatory, cybersecurity, strategic, competitive, and reputational risks, as well as the adequacy of our risk assessment and risk management processes. To facilitate such an understanding, the Board and its committees receive management updates on our business operations, financial results, and strategy, and the Board discusses and provides guidance with respect to risks related to those topics.

While the Board has the ultimate oversight responsibility for the risk management process, various committees of the Board also have responsibility for risk management. The audit committee oversees risks associated with financial accounting and audits, internal control over financial reporting, as well as information security and technology, including cybersecurity. The audit committee assists the Board in its oversight by discussing with management the Company's risk assessment and management policies, the Company's significant financial risk exposures, and the actions taken by management to limit, monitor or control such exposures. The compensation committee oversees risks relating to the Company's compensation policies and practices. In setting compensation, the compensation committee strives to create incentives that encourage a level of risk-taking behavior consistent with the Company's business strategy. The compensation committee also oversees risks relating to the Company's management development and leadership succession. In addition, the compensation committee is also responsible for reviewing with management the Company's policies and practices with respect to diversity and inclusion. The nominating and corporate governance committee oversees the implementation of the Company's Code of Business Conduct and monitors compliance therewith. In addition, the nominating and corporate governance committee periodically reviews the Company's policies and practices regarding corporate social responsibility or ESG, including with respect to the environment, sustainability, and social activities including risks associated therewith. The nominating and corporate governance committee also oversees implementation of the Company's Corporate Governance Guidelines, board evaluation process, and the process for recommending candidates to the Board of Directors for nomination as directors and membership on committees of the Board.

Director Age Limit

Our Corporate Governance Guidelines provide that any director who reaches the age of 75 years in the first year of their three-year term will not be eligible to stand for election unless the nominating and corporate governance committee, after evaluation of the continued appropriateness of Board membership in light of all of the circumstances, decides to recommend to the Board that an exception be made. In addition, any director who reaches the age of 75 years in their second or third year of their three-year term will, promptly following such director's 75th birthday, submit to the Board their resignation from the Board. In this situation, the nominating and corporate governance committee will consider the resignation submitted, evaluate the continued appropriateness of Board membership in light of all of the circumstances and recommend to the Board whether to accept such director's resignation or request that the director continue to serve. If such resignation is accepted by the Board, it will be effective at the next annual meeting of stockholders following the resignation. In accordance with our age limit policy, Mr. DiRomualdo, who reached the age of 75 on August 11, 2019, submitted his resignation as a director of the Company. Based on the recommendation of the nominating and corporate governance committee, which considered several factors including: (i) the overall quality and effectiveness of his leadership; (ii) the importance of consistency in the leadership of the Board of Directors in light of Mr. DiRomualdo having become our Non-Executive Chairperson on September 30, 2018; and (iii) recent board refreshment including the number of new directors who joined the Board in 2019, the Board requested that Mr. DiRomualdo continue to serve until the end of his current term (which ends on the date of the Company's Annual Meeting in 2021).

Nominating and Corporate Governance Committee

The nominating and corporate governance committee acts under a written charter approved by the Board of Directors that is reviewed regularly and has been published under "Governance" in the Investor Relations section of the Ulta Beauty website at <http://ir.ultabeauty.com>. The primary responsibility of the nominating and corporate governance committee is to recommend to the Board of Directors candidates for nomination as directors and membership on committees of the Board. The committee reviews the performance and independence of each director, and in appropriate circumstances, may recommend the removal of a director. The committee oversees the evaluation of the Board of Directors and the committees of the Board and makes recommendations to improve performance. The committee also recommends to the Board of Directors policies with respect to corporate governance. During fiscal 2019, the nominating and corporate governance committee was composed of the following independent directors: Ms. Collins, Mr. Eck (until his retirement from the Board on June 5, 2019), Ms. Halligan, Mr. Heilbronn, and Ms. Nagler. Ms. Collins serves as the current Chairperson of the committee. The nominating and corporate governance committee met six times during fiscal 2019.

Nominating and Corporate Governance Committee Charter

The nominating and corporate governance committee charter identifies the roles and responsibilities that govern the nominating and corporate governance committee, such as:

- identifying and evaluating qualified candidates to become Board members;
- selecting nominees for election as directors at the next annual meeting of stockholders (or special meeting of stockholders at which directors are to be elected);
- selecting candidates to fill any vacancies on the Board;
- reviewing the composition of the committees of the Board and making recommendations to the Board regarding the selection of the members of the committees;
- overseeing the implementation of and monitoring compliance with Ulta Beauty’s Code of Business Conduct (other than with respect to accounting or auditing issues that the audit committee oversees);
- periodically reviewing the Company’s policies and practices regarding corporate social responsibility/ESG, including with respect to the environment, sustainability, and social activities. Such review includes a review of the Company’s risks related to ESG;
- overseeing the evaluation of the Board and the committees of the Board; and
- periodically reviewing the Company’s Corporate Governance Guidelines and other governance policies.

Nomination Process — Qualifications

Pursuant to its charter, the nominating and corporate governance committee annually assesses the experience, expertise, capabilities, skills, and diversity of the members of the Board, including diversity of age, gender, nationality, race, ethnicity, and sexual orientation, individually and collectively, and considers these factors when evaluating director candidates.

What We Do:

We review the skills and characteristics of the board directors

The nominating and corporate governance committee is responsible for reviewing the appropriate skills and characteristics in the context of prevailing business conditions and, in its nominating committee capacity, for making recommendations regarding the size, composition, and desired complementary skill sets of the Board of Directors, including diversity of age, gender, nationality, race, ethnicity, and sexual orientation.

We search for appropriate candidates based on recommendations

We consider potential director candidates recommended by current directors, officers, employees, and others. We also consider all stockholder recommendations for candidates for the Board of Directors. Stockholders who want to suggest a candidate for consideration should send a written notice, addressed to the Corporate Secretary. We have engaged the services of search firms to provide us with candidates, especially when we are looking for a candidate with a particular expertise, quality, skill, or background.

We interview candidates and deliberate

The nominating and corporate governance committee screens all potential candidates in the same manner, regardless of the source of the recommendation. Our review is typically based on any written materials provided with respect to potential candidates, as well as appropriate due diligence, and we review such materials to determine the qualifications, experience,

and background of the candidates. Final candidates are typically interviewed by members of the committee and other members of the Board, as appropriate. After review and deliberation of all feedback and data, the committee makes a recommendation to the full Board of Directors regarding who should be nominated by the Board of Directors.

Key Objectives and Considerations:

The objective of the nominating and corporate governance committee is to create and sustain a Board of Directors that brings to Ulta Beauty a variety of perspectives and skills derived from high-quality business and professional experience. Both the Board and the nominating and corporate governance committee believe that it is essential for Board members to represent diverse viewpoints, backgrounds, experiences, expertise, and skill sets, including diversity of age, gender, nationality, race, ethnicity, and sexual orientation, differences in professional experience, education, skill, and other individual qualities and attributes that contribute to an active, effective Board.

We value our stockholders' input and encourage them to nominate candidates. To submit a candidate, please follow the process outlined under the Nomination of Directors header in the Questions and Answers section of this proxy statement.

The committee evaluates each individual in the context of our Board of Directors as a whole with the objective of assembling a group that can best perpetuate the success of our Company and represent stockholder interests through the exercise of sound judgment. The nominating and corporate governance committee recommends those candidates who possess the highest personal and professional integrity, have prior experience in corporate management and the industry, maintain academic or operational expertise in an area of our business, and demonstrate practical and mature business judgment.

Commencing with the 2021 Annual Meeting of Stockholders, our Board of Directors has also adopted proxy access for director nominees. Proxy access means that any stockholder or group of up to 20 stockholders owning 3% or more of our common stock continuously for at least three years may nominate and include in our proxy materials director nominees totaling up to the greater of 20% of the Board or at least two directors. For more information about proxy access, please see the Nomination of Directors header in the Questions and Answers section of this proxy statement.

Code of Business Conduct

All Ulta Beauty employees, officers and members of the Board of Directors must always act ethically and in accordance with the Ulta Beauty Code of Business Conduct. All corporate employees, officers and members of the Board of Directors have signed a certificate acknowledging that they have read, understand and will continue to comply with the policy, and all corporate employees and officers are required to read and acknowledge this policy on an annual basis. Ulta Beauty includes the Code of Business Conduct in new hire materials for all corporate employees. The policy is published and any amendments or waivers thereto will be published under "Corporate Governance" in the Investor Relations section of the Ulta Beauty website located at <http://ir.ultabeauty.com>.

Corporate Governance Guidelines

Our Board of Directors adopted the Corporate Governance Guidelines to assist the Board in the exercise of its responsibilities. The Corporate Governance Guidelines have been published under "Governance" in the Investor Relations section of the Ulta Beauty website located at <http://ir.ultabeauty.com>.

Director Ownership Guidelines

Our Board of Directors has adopted the following share ownership guidelines that apply to all of our non-executive directors:

Position	Required Amount
Non-executive director	5X Cash Retainer

Pursuant to these guidelines, each non-executive director should hold shares of our common stock, restricted stock, restricted stock units, stock options, and/or stock appreciation rights with a value equal to five times the annual cash retainer paid to non-executive directors by the fifth anniversary of the date the guidelines became effective for each director.

Stockholder Communication

We welcome communication from stockholders. Any stockholder can communicate in writing with the Board of Directors on matters pertaining to Ulta Beauty by addressing their comments to the Board of Directors, c/o General Counsel, Ulta Beauty, Inc., 1000 Remington Blvd., Suite 120, Bolingbrook, IL 60440, or by e-mail at InvestorRelations@ulta.com. Our General Counsel will review all correspondence addressed to our Board of Directors, or any individual director, and will forward appropriate stockholder communications to our Board of Directors prior to the next regularly scheduled meeting of our Board of Directors following the receipt of such communication. Our General Counsel will also forward any stockholder correspondence which is more suitably directed to management to the appropriate member(s) of the management team. In addition, our General Counsel will summarize all correspondence not forwarded to our Board of Directors and make the correspondence available to the Board for its review upon our Board's request.

PROPOSAL ONE

ELECTION OF DIRECTORS

Our Certificate of Incorporation provides that our Board of Directors be divided into three classes, designated Class I, Class II and Class III, with each class consisting, as nearly as possible, of one-third of the total number of directors. Each class serves a three-year term with one class being elected at each year's annual meeting of stockholders. Vacancies on our Board of Directors may be filled by persons elected by a majority of the remaining directors. A director elected by our Board of Directors to fill a vacancy, including a vacancy created by an increase in size of our Board of Directors, will serve for the remainder of the full term of the class of directors in which the vacancy occurred and until that director's successor is elected and qualified.

The Board of Directors is presently composed of eleven members, ten of whom are non-employee, independent directors. Each director was elected to the Board of Directors to serve until a successor is duly elected and qualified or until their resignation, removal, or death.

The affirmative vote of the holders of a majority of the shares present by virtual presence online or represented by proxy and entitled to vote at the Annual Meeting will be required to approve the nominees for election. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes will be counted towards a quorum but will not be counted for any purpose in determining whether the nominees have been elected.

AUDIT COMMITTEE

The audit committee provides assistance to the Board of Directors in fulfilling its responsibility to our stockholders, potential stockholders, the investment community and other stakeholders relating to the Company's accounting and financial reporting process and the audits of the Company's financial statements. During fiscal 2019, the audit committee held ten meetings.

Specifically, the audit committee assists the Board of Directors in monitoring the integrity of our financial statements, our independent registered public accounting firm's qualifications and independence, the performance of our internal audit function and independent registered public accounting firm, our compliance with legal and regulatory requirements, and our policies with respect to risk assessment and risk management, including cybersecurity risks. The audit committee annually evaluates its own performance and reports its findings and action plans to the Board. The audit committee has direct responsibility for the appointment, compensation, retention (including termination), and oversight of our independent registered public accounting firm. Our independent registered public accounting firm reports directly to the audit committee.

During fiscal 2019, the audit committee was composed of the following independent directors: Ms. Blount, Ms. Collins, Messrs. MacDonald and Mrkonic, and Ms. Wittman (until her resignation from the Board on March 15, 2019). Mr. MacDonald serves as the current Chairperson of the audit committee. Each of Messrs. MacDonald and Mrkonic and Ms. Collins have been designated by the Board of Directors as an "audit committee financial expert" as defined in applicable SEC rules. The Board of Directors made a qualitative assessment of each member's level of knowledge and experience based on a number of factors, including education and work, management, and director experience. The Board of Directors has determined that all members of our audit committee are financially literate and are independent, as independence is defined in Rule 5605(a)(2) of the NASDAQ listing standards and Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The audit committee acts under a written charter that was adopted by the Board of Directors and has been published under "Governance" in the Investor Relations section of the Ulta Beauty website located at <http://ir.ultabeauty.com>.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS¹

The audit committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing, and financial reporting processes and practices of Ulta Beauty.

The audit committee oversees Ulta Beauty's financial process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. Ulta Beauty has an Internal Audit Department that is actively involved in examining and evaluating Ulta Beauty's financial, operational, and information systems activities and reports functionally to the audit committee and administratively to management. In fulfilling its oversight responsibilities, the audit committee reviewed and discussed with management the periodic reports, including the audited financial statements in our Annual Report on Form 10-K. This included a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The audit committee reviewed with the independent registered public accounting firm, which is responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, its judgments as to the quality, not just the acceptability, of Ulta Beauty's accounting principles and such other matters as are required to be discussed with the audit committee under generally accepted auditing standards, including the Public Company Accounting Oversight Board Standard No. 1301, *Communications with Audit Committees* (AS 1301). In addition, the audit committee has discussed with the independent registered public accounting firm the firm's independence from management and Ulta Beauty, including the matters in the written disclosures and the Letter from the Independent Registered Public Accounting Firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the firm's communications with the audit committee concerning independence.

The audit committee discussed with Ulta Beauty's independent registered public accounting firm the overall scope and plans for their audit and developed a pre-approval process for all independent registered public accounting firm services. The audit committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of their examination, their evaluation of Ulta Beauty's internal and disclosure controls, and the overall quality of Ulta Beauty's financial reporting. As noted, the audit committee held ten meetings during fiscal 2019.

In reliance on the reviews and discussions referred to above, the audit committee recommended to the Board of Directors, and the Board of Directors approved, that the audited financial statements be included in Ulta Beauty's Annual Report on Form 10-K for fiscal 2019, ended February 1, 2020, for filing with the SEC. The audit committee has appointed Ernst & Young LLP to be Ulta Beauty's independent registered public accounting firm for fiscal 2020, ending January 30, 2021.

COMPENSATION COMMITTEE

During fiscal 2019, the compensation committee was composed of the following directors, all of whom satisfy the independence requirements of NASDAQ: Ms. Halligan, Messrs. Eck (until his retirement from the Board on June 5, 2019), Heilbronn and MacDonald, and Ms. Nagler. Ms. Halligan serves as the current Chairperson of the compensation committee. During fiscal 2019, the compensation committee held eight meetings.

The compensation committee acts under a written charter that was adopted by the Board of Directors and has been published under “Corporate Governance” in the Investor Relations section of the Ulta Beauty website located at <http://ir.ultabeauty.com>. Under this charter, the compensation committee is responsible for:

- setting our compensation philosophy;
- reviewing and approving the compensation for the CEO and her direct reports (“C-Level Officers”);
- reviewing and recommending to the Board the compensation for non-employee directors;
- supervising compensation policies for all employees, including reviewing the compensation structure and procedures;
- recommending to the Board the employment, appointment, and removal of C-Level Officers in accordance with the Bylaws;
- establishing, amending, and terminating compensation and benefits plans and administering such plans;
- annually evaluating its own performance and reporting findings and action plans to the Board; and
- periodically reviewing with management the Company’s policies and practices with respect to diversity and inclusion.

The compensation committee may under its charter delegate any of its responsibilities to a subcommittee, but only to the extent consistent with our Bylaws, Certificate of Incorporation, and NASDAQ rules.

Compensation Consultant

During fiscal 2019 the compensation committee engaged Pay Governance as its outside consultant to assist the compensation committee with executive compensation program design, to advise and consult with the committee on general compensation issues, and to keep the committee apprised of regulatory, legislative and accounting developments and competitive practices related to executive compensation. In those capacities, Pay Governance was engaged directly by the compensation committee. Pay Governance is an independent executive compensation consulting firm and does not determine or recommend the exact amount or form of executive compensation for any executive officers. Pay Governance reports directly to the compensation committee, and a representative of Pay Governance, when requested, attends meetings of the committee, is available to participate in executive sessions, and communicates directly with the Chairperson of the compensation committee or its members outside of meetings. The compensation committee has reviewed the nature of and extent of the relationship between the compensation committee, the Company, and Pay Governance with respect to any potential conflicts of interest or similar concerns. Based on that review, the compensation committee believes that there are no conflicts of interest or potential conflicts of interest that would unduly influence Pay Governance’s provision of advice that is independent of management to the compensation committee.

Compensation Risk

The Company reviewed its compensation plans, practices and policies and determined that it does not have any such plans, practices, and policies that create risks that are reasonably likely to have a material adverse effect on the Company based on the following:

- the Company's variable compensation programs are linked to specific performance goals set and approved by the compensation committee for executive officers and for other employees by supervisors consistent with the Company's compensation philosophy and business goals;
- the performance periods for the pay programs are designed to match the period for which the employee has influence on the results and incorporate incentives of a longer term nature to tie the employee to the actual results;
- payments under the incentives are capped;
- payments are reviewed by the compensation committee, management, payroll, and human resources, and subject to spot audits;
- the mix between fixed and variable pay is balanced so as to neither discourage proper risk taking, nor encourage excessive risk taking;
- participants cannot approve their own performance goals, nor their own payouts; and
- the compensation committee actively oversees the executive compensation program and has flexibility to use its judgment in assessing performance and pay.

Compensation Committee Interlocks and Insider Participation

During fiscal 2019, none of the members of our compensation committee had at any time been one of our officers or employees. None of our executive officers currently serves, or in the past year has served, as a member of the board of directors or compensation committee, or other committee serving an equivalent function, of any entity that has one or more executive officers serving on our Board of Directors or compensation committee. Please also see "Certain Relationships and Transactions" below.

Executive Summary

Ulta Beauty’s executive compensation programs are designed to be strongly aligned with stockholder interests. The majority of our executives’ compensation opportunity is delivered through performance-based awards. The Ulta Beauty team achieved another year of record sales and earnings in fiscal 2019. Although the year was more challenging than we initially planned given unexpected headwinds in the U.S. makeup category, we were able to achieve strong results in many areas.

The Company performed well in Fiscal 2019 ...

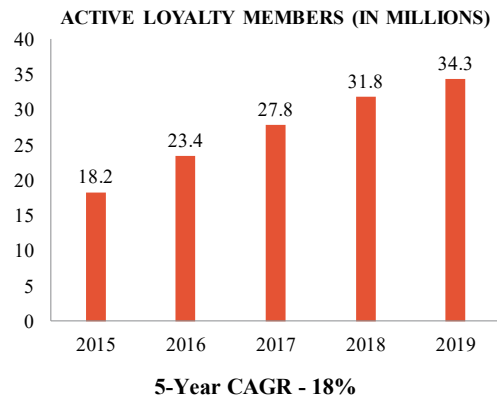

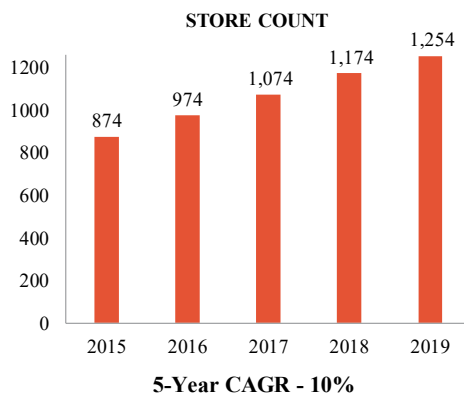

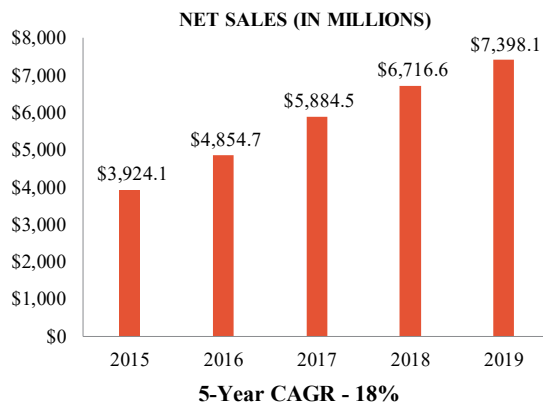

<p>We increased net sales</p> <p>10.1%</p> <p>to \$7.4 billion.</p>	<p>We increased net income</p> <p>7.2%</p> <p>to \$705.9 million.</p>	<p>We grew earnings before income taxes</p> <p>5.5%</p> <p>to \$906.2 million.</p>
<p>We opened</p> <p>80</p> <p>net new stores (representing a 6.9% increase in square footage) for a total of 1,254 stores across all 50 states.</p>	<p>We increased income per diluted share</p> <p>11.1%</p> <p>to \$12.15 per share.</p>	<p>We increased active loyalty members</p> <p>7.9%</p> <p>to 34.3 million.</p>

In addition to the above accomplishments in fiscal 2019 we:

- gained market share across all major beauty categories;
- grew Diamond and Platinum loyalty membership by 10%;
- increased the number of cardholders in our Ultimate Rewards credit card program by 40%;
- increased our penetration of omnichannel members;

- expanded the distribution for our prestige brands;
- completed the rollout of services optimization in all stores; and
- completed the rollout of buy online, pick up in-store in all stores, refreshed our mobile app, and launched Afterpay as a new payment option for online purchases.

Our five-year top line and bottom-line performance, store growth and active loyalty memberships are shown below:

Please see “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in our Annual Report on Form 10-K filed on March 27, 2020 for a more detailed description of our fiscal 2019 financial results.

The alignment of performance and pay in fiscal 2019 reflects our compensation philosophy.

Executive pay is delivered through a performance-based compensation program that provides the opportunity to earn meaningful compensation upon achievement of superior performance and limits earnings opportunity when results are not satisfactory. Annual incentive opportunity is directly tied to one quantifiable objective performance target: earnings before income taxes (“EBT”), adjusted for certain accounting charges and credits. The use of EBT is designed to enhance focus on profitable growth, which is a key indicator of our operating performance. No awards are paid under this program if a threshold level of earnings is not achieved. Because of the weaknesses in the U.S. beauty market, our operating performance was below target. However, we achieved our EBT threshold for fiscal 2019, resulting in a payout under our annual incentive plan of 51.42% of target.

Our long-term incentive plan (“LTIP”) is designed to focus on our plan to drive long-term profitable growth.

The LTIP includes non-qualified stock options with four-year vesting; performance-based restricted stock units (“PBSs”) that are earned after a two-year performance period, based on achievement against multi-year revenue and EBT goals, and require a third year of time vesting; and time-based restricted stock units (“RSUs”) with three-year cliff vesting. This alignment of long-term incentives with long-term profitable growth resulted in a below target performance result for our 2018 PBS awards, at a weighted average payout of 78.7% of target. Stock options only provide for compensation if the share price rises above the fair market value grant price, also aligning executive’s interests in share value growth.

At our 2019 Annual Meeting of Stockholders, approximately 89% of stockholders indicated their approval of the compensation paid to our NEOs through the advisory vote to approve executive compensation (“say-on-pay”). The compensation committee believes that this vote affirms stockholder support of the Company’s approach to executive compensation. The compensation committee will continue to consider the outcome of the Company’s say-on-pay votes when making future compensation decisions for our NEOs. We regularly review and assess our compensation programs to ensure that they are aligned with our business strategies and that the type and mix of short-term and long-term incentive vehicles used continue to align management with stockholders’ interests and reward for high performance.

Philosophy

OUR PHILOSOPHY	HOW WE EXECUTE OUR PHILOSOPHY
<p>Our executive compensation philosophy is to provide compensation opportunities that attract, retain, and motivate talented key executives.</p>	<ul style="list-style-type: none"> ✓ We evaluate the competitiveness and effectiveness of our compensation programs against other comparable businesses based on industry, size, and other relevant business factors. ✓ We link annual incentive compensation to our performance on key measurable financial, operational, and strategic goals that drive stockholder value. ✓ We focus a significant portion of the executive’s compensation on equity-based incentives to align interests closely with stockholders. ✓ We manage “pay for performance” such that pay is clearly linked to business and individual performance.

Overview of 2019 Compensation

Our fiscal 2019 compensation program generally consisted of a base salary, variable cash incentive, stock options, PBSs, and RSUs. This mix of compensation is intended to ensure that total compensation reflects our overall intent to motivate executive officers to meet appropriate performance measures and to align management with stockholders’ long-term interests.

Components of Compensation

The majority of target compensation we offer our NEOs is delivered in variable, performance-based elements.

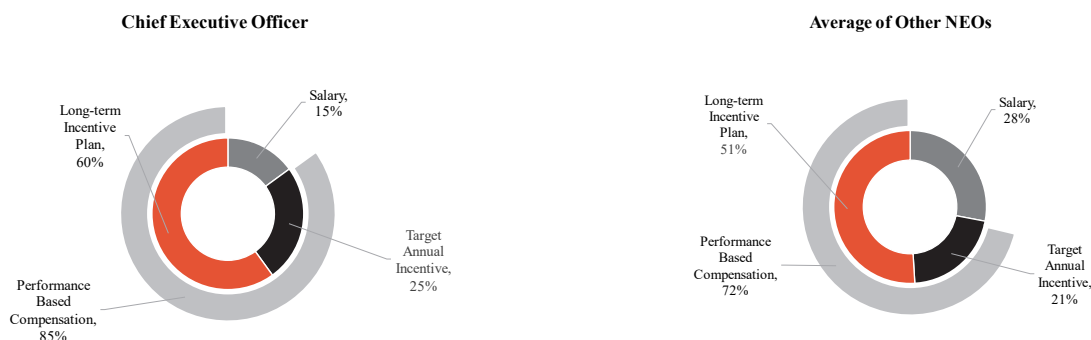

The material components of our executive compensation program and their purposes and key characteristics are summarized in the following table:

	Reward Element	Purpose	Form	Fixed/ Performance Based	Short/ Long Term
Fixed	Base Salary	Compensation for duties and responsibilities	Cash	Fixed	Short Term
At Risk	Annual Incentive Plan	Rewards NEOs for achievement of company-wide EBT goal	Cash	Performance Based	Short Term
	Long-Term Incentive Plan	Rewards creation of long-term stockholder value and achievement of key operating metrics over a longer term period	Stock Options (50% of award value) Performance-Based Shares (30% of award value) Restricted Stock Units (20% of award value)	Performance Based	Long Term

As part of our continued emphasis on creating stockholder value, we utilize EBT as the single performance measure for the corporate annual incentive for all officers. This focus on a single performance objective reflects the Company's strong linkage between stockholder value creation and management incentives. Each fiscal year, the compensation committee approves the EBT target goal and the threshold and maximum performance against such goals at the beginning of the year. This target reflected a rigorous goal setting process in which management and the compensation committee worked collaboratively to set stretch targets reflective of our ambitious growth goals. For fiscal 2019, we achieved performance that was just above our threshold EBT goal, resulting in bonuses for the NEOs payable at 51.42% of their target annual incentives.

We continue to use stock options, PBSs, and RSUs as a means of providing long-term incentives for our NEOs. PBS awards are tied to the attainment of both two-year EBT growth and two-year revenue growth goals and require a third year of vesting.

The first chart below shows the mix of our CEO's fiscal 2019 target compensation by component and the portion of total compensation that is performance-based. The second chart shows this same data for our other NEO's fiscal 2019 target compensation.

The weighting of our long-term incentives more heavily to stock options and PBSs emphasizes long-term alignment with stockholder value, as the stock options will not have any value unless our share price rises, and the PBSs will not vest unless the performance goals are met.

2019 Executive Compensation

What We Do:

Compensation Committee Reviews Comparative Pay Levels

We review competitive pay levels among a peer group of retailers with revenues similar to Ulta Beauty, compensation survey data for similarly sized retail companies from the Willis Towers Watson 2018 CDB Retail/Wholesale Executive Compensation Survey Report, and compensation survey data for similarly sized general industry companies from the Willis Towers Watson 2018 CDB General Industry Executive Compensation Survey report.

Our CEO Provides Input for Other Executives

The CEO recommends to the committee other executive’s compensation based on the executive’s performance as well as internal pay equity among current executives and newly hired executives, as well as talent and succession planning considerations. The CEO does not participate in setting her own compensation.

Compensation Committee Makes Final Determination

The compensation committee approves executive compensation after deliberation, taking into account such factors as talent planning, succession, and Company performance. In addition, the committee considers such factors as total compensation philosophy, individual performance, and the positioning of Ulta Beauty’s executive total compensation levels relative to market.

Objectives and Considerations:

We consider the nature and job scope of each NEO.

We consider internal pay positioning, taking into account each NEO’s pay components and levels relative to other executives with respect to role, length of time the NEO has served in the NEO’s current position, seniority, and levels of responsibility.

We consider the accounting and tax impact of each element of compensation.

We consider competitive pay levels and practices for similar positions among identified data sets.

COMPENSATION COMPONENTS

Base Salary

Annual Incentives

Long-Term Incentive Plan

Base Salary

Base salaries are reviewed annually and are set based on: competitiveness versus the external market, talent planning, internal merit increase budgets, individual and Company performance, and internal equity considerations.

The compensation committee and management discuss the economic and market conditions, which impact compensation decisions. After these thorough reviews, our CEO makes individual recommendations with input from the human resources department regarding competitive position to the market. Ms. Dillon was not involved in the discussion of her own compensation. The NEO base salary and percentage increases approved for fiscal 2019 were:

Named Executive Officer	2019 Base Salary (\$)	Percentage Increase
Mary N. Dillon	1,185,038	3 %
David C. Kimbell	730,642	8 %
Scott M. Settersten	697,528	6 %
Jodi J. Caro	561,766	5 %
Jeffrey J. Childs	573,352	5 %

These base salary levels are competitive with our market. The salary increases for Mr. Kimbell, Mr. Settersten, Ms. Caro, and Mr. Childs were made to bring base salary compensation more in line with the competitive market for their respective roles. Ms. Dillon’s increase was reflective of the general salary increase applicable to other employees that had exhibited strong performance but were already at the targeted market level.

Annual Incentives

The NEO target annual incentives, shown as a percentage of base salaries, for fiscal 2019 were as follows:

Named Executive Officer	2019 Annual Incentive Target
Mary N. Dillon	170 %
David C. Kimbell	100 %
Scott M. Settersten	75 %
Jodi J. Caro	65 %
Jeffrey J. Childs	65 %

Mr. Kimbell's annual incentive target for 2019 was increased from 75% to 100% of his base salary to reflect his expanded responsibilities in light of his promotion to President in April 2019. In fiscal 2019, target EBT under the annual incentive program was \$981.6 million. This target reflected a rigorous goal setting process in which management and the compensation committee worked collaboratively to set stretch targets reflective of our ambitious growth goals. The fiscal 2019 annual incentive performance/payout range was as follows:

	2019 Annual Incentive Payout Percent to Target	Payout
Threshold	92 %	50 %
Target	100 %	100 %
Maximum	110 %	200 %

Based on our EBT performance of \$906 million, the annual incentive payout was 51.42% based on EBT performance of 92.3% to target. The compensation committee can use negative discretion to reduce calculated annual incentive payouts but did not apply any discretion in fiscal 2019.

Long-Term Incentive Plan

During fiscal 2019, we provided long-term incentive awards through grants of stock options, PBSs, and RSUs to our NEOs and certain other employees. Under the LTIP, each eligible employee may receive an award with a value that is targeted to a percentage of base salary, with the ultimate value dependent upon Company performance. The compensation committee approved awards in fiscal 2019 at the targeted percentage of base salary as follows:

Named Executive Officer	2019 LTIP Target Percentages
Mary N. Dillon	401 %
David C. Kimbell	270 %
Scott M. Settersten	230 %
Jodi J. Caro	110 %
Jeffrey J. Childs	100 %

The compensation committee increased the LTIP target percentage for Ms. Dillon, Mr. Kimbell, Mr. Settersten, and Ms. Caro to further align their compensation opportunities with stockholders for long-term value creation and provide market competitive long-term compensation opportunities.

Consistent with our pay-for-performance orientation, the compensation committee granted the annual LTIP award with the following mix:

2019 NEOs' Variable Equity Mix

Stock Options	PBS	RSUs
<p>Stock options granted under the LTIP generally have the following characteristics:</p> <ul style="list-style-type: none"> ✓ exercise price equal to the fair market value of our common stock on the date of grant; ✓ ratable vesting, on an annual basis over a four-year period; and ✓ ten-year term from the date of grant. 	<p>PBSs granted under the LTIP have the following characteristics:</p> <ul style="list-style-type: none"> ✓ tied to achievement of a two-year cumulative revenue and EBT targets; ✓ 33% of PBS grant value tied to attainment of revenue target and 67% of PBS grant value tied to attainment of EBT target; ✓ the number of shares earned can be less or greater than target, including zero, based on Company performance; and ✓ following the end of the two-year performance period, a third year of time vesting is required before the number of earned shares is delivered to the recipient. 	<p>RSUs granted under the LTIP generally have the following characteristics:</p> <ul style="list-style-type: none"> ✓ entitle the holder to receive an equal number of shares of common stock at settlement; and ✓ cliff vest 100% at the end of three years from grant date.

PBS awards granted in 2018 were eligible to be earned based on two-year cumulative revenue and EBT targets as follows:

	Revenue – 33% of PBS Value Percent to Target	Payout	EBT – 67% of PBS Value Percent to Target	Payout
Threshold	95%	50 %	85%	50 %
Target	100%	100 %	100%	100 %
Maximum	105%	200 %	110%	200 %

The two-year cumulative revenue and EBT targets were \$14.42 billion and \$1.89 billion, respectively. For 2018, the compensation committee approved adjustments to our actual EBT performance to take into account the impact of two acquisitions completed during the fiscal year and other non-material adjustments per plan guidelines. Based on these adjustments, we achieved two-year cumulative revenue and EBT of \$14.11 billion and \$1.77 billion, respectively, resulting in a payout of 78.9% of the revenue target and 78.6% of the EBT target of the 2018 PBS award. Although the performance period is complete, the awards will not vest for one more year.

In addition, a separate RSU award pool (High Performer Pool) may be funded each year if EBT performance for the year at a minimum reaches threshold. If the High Performer Pool is funded, based on actual EBT performance for the year and approved by the compensation committee, the CEO may recommend RSU awards to specific individuals based on her assessment of their individual performance and contribution to the success of the Company. The CEO recommends these individual awards to the compensation committee for approval. For fiscal 2019, as in prior years of strong performance, a High Performer Pool was created but none of the NEOs received a grant under the program.

Executive Compensation Policies and Practices

The compensation committee and management seek to ensure that our executive compensation and benefits programs align with our core compensation philosophy. We maintain the following policies and practices that drive our NEOs compensation program:

What We Do	What We Don't Do
<ul style="list-style-type: none"> ✓ Pay-for-Performance: Majority of pay is performance-based and not guaranteed 	<ul style="list-style-type: none"> ✗ No Excise Tax Gross-Ups: The Company does not provide any excise tax gross-up payments in connection with a change in control
<ul style="list-style-type: none"> ✓ Multiple Performance Metrics and Time Horizons: Use multiple performance metrics focusing on top-line and bottom-line growth and multi-year vesting and measurement periods for long-term incentives 	<ul style="list-style-type: none"> ✗ No Repricing or Buyouts of Stock Options: The Company's equity plan prohibits repricing or buyouts of underwater stock options
<ul style="list-style-type: none"> ✓ Annual Compensation Risk Review: Annually assess risk in compensation programs 	<ul style="list-style-type: none"> ✗ No Tax Gross-ups for Perquisites: The Company does not provide tax gross-ups to NEOs for the limited perquisites we provide

<ul style="list-style-type: none"> ✓ Share Ownership Guidelines: NEOs must comply with share ownership requirements 	<ul style="list-style-type: none"> ✗ No Dividends on Unearned PBSs and RSUs: No dividends or dividend equivalents are paid on PBSs or RSUs until such PBSs and RSUs become vested and earned
<ul style="list-style-type: none"> ✓ Clawback Policy: We maintain a robust clawback policy that provides for recovery of incentive compensation in the event of a financial restatement, other misconduct not involving financial restatements, and for breaches of non-compete and other restrictive covenants 	<ul style="list-style-type: none"> ✗ No Contracts: No contracts with multi-year guaranteed salary increases or non-performance bonus arrangements
<ul style="list-style-type: none"> ✓ Challenging Performance Objectives: Set challenging performance objectives for Annual Incentive and LTIP 	
<ul style="list-style-type: none"> ✓ Use of Independent Consultant: The compensation committee has retained an independent compensation consultant that performs no other consulting services for the Company and has no conflicts of interest 	
<ul style="list-style-type: none"> ✓ Limited Perquisites: Provide limited perquisites 	
<ul style="list-style-type: none"> ✓ Peer Groups: Use appropriate peer groups when establishing compensation 	

Share Ownership Guidelines

The compensation committee has established the following share ownership guidelines to strengthen the focus of our senior officers on our long-term goals and further align their interests with stockholders:

Position	Required Amount
CEO	6X Base Salary
Other NEOs	3X Base Salary
Chief Non-NEOs	2X Base Salary

Shares of common stock held in brokerage accounts for the executives' benefit in trust, through tax qualified retirement plans, PBSs (which have been earned based on performance, but which are still subject to time vesting), RSUs and the gain in value (i.e. "in-the-money value") of vested and unvested stock options held are included in determining whether the ownership requirement has been met and sustained. Each executive has five years following appointment to meet the applicable stock ownership requirements of their position. All executives are in compliance with our share ownership guidelines.

Clawback Provisions

We maintain a robust compensation recovery or "clawback" policy applicable to all Section 16 officers as well as other employees who receive equity grants or are otherwise selected for coverage.

Under the clawback policy, the compensation committee may recover and/or cancel previously granted or earned incentive compensation (including recovery of gains realized thereon) in the event: (a) that Ulta Beauty is required to materially restate its financial or operating results (whether or not there is any fraud or misconduct and whether or not the executive whose compensation is subject to clawback is responsible, but excluding restatements caused by changes in accounting rules, reclassification or other retrospective changes not caused by fraud or misconduct), (b) of fraud or misconduct (regardless of whether the fraud or misconduct is related to a restatement of financial or operating results), (c) of a violation of Ulta Beauty's Code of Business Conduct, or (d) of a violation of any applicable non-compete, non-solicitation or confidentiality covenants.

Policy on Ulta Beauty Stock Investments

Our insider trading policy prohibits trading in puts, calls, and other derivative securities on our stock and also prohibits the purchase of financial instruments (including prepaid variable forward contracts, equity swaps, collars and exchange funds) or otherwise engaging in transactions that are designed to or have the effect of hedging or offsetting any decrease in the market value of our stock by officers, directors, and employees. In addition, our insider trading policy prohibits our executive officers, directors, and other designated insiders from holding Company stock in a margin account or pledging our stock as collateral for a loan, with certain limited exceptions.

Long-Term Incentive Granting Policy

We have a general policy of making equity grants (stock options and RSUs) for new executive officers and NEOs once our trading window opens on the third business day following the date our earnings announcement is made for each fiscal quarter. The window generally remains open for 30 days. The annual LTIP grant is generally made in the open window following our fourth quarter earnings announcement. This timing of stock option, PBS, and RSU grants is thus generally consistent with when our executives and directors would be allowed to trade in our common stock under our insider trading policy. The compensation committee determined that setting the exercise price for stock options at this time was prudent in that it allowed for the market to process all reported public information prior to establishing the price. Such a practice thereby eliminates any potential manipulation regarding the timing of stock option grants. All stock option, PBS, and RSU grants for executives and NEOs are approved in advance by the compensation committee.

Benefits and Perquisites

Executives can defer compensation under our non-qualified deferred compensation plan with matching contributions equal to 100% of contributions made up to 3% of eligible deferred compensation, which is more fully described in the narrative to the 2019 Non-Qualified Deferred Compensation table below. For all eligible employees, we offer a 401(k) plan with matching contributions equal to 100% of the contributions for the first 3% of eligible salary and 50% of the contributions on the next 2% of eligible salary. In addition, we offer group health, life, accident, and disability insurance to eligible employees. Our employees are also entitled to a discount on purchases at our stores.

Change in Control and Severance Plan

The Company has an Executive Change in Control and Severance Plan (the “CIC Plan”), which provides severance and other benefits should an executive be involuntarily terminated in connection with a change in control. We adopted the CIC Plan as a market-based plan that is intended to minimize distraction to our executives by providing financial security in the event of a loss of employment following a change in control. See “Severance and Change in Control Benefits” below for additional details.

Accounting and Tax Considerations

Historically, our incentive compensation programs have been designed and administered in a manner generally intended to preserve federal income tax deductions. However, the compensation committee considers the tax and accounting consequences of utilizing various forms of compensation and retains the discretion to pay compensation that is not tax deductible or could have adverse accounting consequences for Ulta Beauty.

Section 162(m) of the Internal Revenue Code (“Section 162(m)”) limits the Company’s ability to deduct compensation paid in excess of \$1.0 million to its chief executive officer and to its current and former named executive officers. For tax year’s prior to 2018, Section 162(m) did not apply to the CFO’s compensation, compensation of prior named executive officers, or certain performance based compensation. Although the compensation committee intends to continue emphasizing performance based compensation as a means of motivating and aligning our executive’s interests with those of our stakeholders, it expects in the future to approve and pay compensation that is not tax deductible.

Amounts shown include performance-based awards at grant date fair value, based on target level achievement. If the maximum level of performance is achieved, the amounts shown above would increase by \$1,425,608, \$592,144, \$481,596, \$185,524, and \$172,273 for Ms. Dillon, Mr. Kimbell, Mr. Settersten, Ms. Caro, and Mr. Childs, respectively.

- In March 2018, the Board of Directors, in connection with its annual review of compensation, awarded our CEO, Ms. Dillon, an additional one time award (“2018 CEO Award”) to create an intense focus on share price appreciation and secure Ms. Dillon’s employment for an additional three-year period. The 2018 CEO Award was granted in time-vesting RSUs and performance-based RSUs, with the majority of the earning potential tied to the sustained achievement of specific share price goals. The 24,478 time-vesting RSUs, which had a value of \$5,000,000 based on the closing share price of \$204.27 on the grant date, cliff vest on September 30, 2021, provided Ms. Dillon is still employed by the Company on this date. The Board of Directors also awarded Ms. Dillon the

potential to earn additional performance-based RSUs valued between \$5,000,000 and \$10,000,000, contingent upon on the Company achieving an average closing share price for either the 20 trading days or 30 calendar days preceding September 30, 2021 of \$300 to \$350 and her continued employment. These goals require share price growth of approximately 47% over the vesting period to achieve the minimum value and approximately 71% over the vesting period to achieve the maximum value. Additionally, Ms. Dillon is required to hold the shares deliverable upon vesting of the 2018 CEO Award for a period of one year, net of taxes.

- 2018 CEO Award granted March 29, 2018. Pursuant to the agreement, the award has two components (1) a time-vesting restricted stock unit and (2) a performance-based restricted stock unit. The time-based condition will be satisfied on September 30, 2021 based on her continued employment with the Company. The performance-based vesting condition will be satisfied if the average closing price of the Company's common stock for either the 20 trading days or 30 calendar days preceding September 30, 2021 equals or exceeds \$300 to \$350. To the extent our

average closing share price is determined by our Board of Directors in its sole discretion to be (i) falsely depressed by a disruption with respect to our share price or an abnormal market disruption (including, without limitation, a natural disaster or a terrorist attack), or (ii) inflated due to the existence of material non-public information that upon disclosure is expected to have a significant adverse impact on our share price, then our Board of Directors, in its sole discretion, may adjust the measurement period of 20 trading days or 30 calendar days preceding September 30, 2021 to (A) a time period preceding such disruption, (B) shorten or lengthen the measurement period or (C) disregard the period of such disruption. The \$5,000,000 amount in this table represents the minimum or threshold value of the performance-based portion of the award. The maximum amount that can be earned on the performance-based portion of the award is \$10,000,000. The number of shares earned on the performance-based portion of the award will be based upon the Company's closing stock price on September 30, 2021.

2019 Non-Qualified Deferred Compensation

The Ulta Beauty Non-qualified Deferred Compensation Plan allows participants to defer up to 75% of their base salary and 100% of their annual cash bonus. We match 100% of the contributions up to 3% of salary deferred. We do not match or make any other contributions to the plan with regards to bonus or long-term compensation. Participants may direct the investment of their contributions to the plan among several mutual funds, similar to those available under our 401(k) plan.

The table below sets forth certain information with respect to the non-qualified deferred compensation plans in which our NEOs may participate as of February 1, 2020:

Severance and Change in Control Benefits

Executive Change in Control and Severance Plan

In 2017 we adopted our CIC Plan, which provides severance protections to all of our executive officers, including all of our NEOs, in the event of an involuntary termination in connection with a change in control. Under the CIC Plan, an executive who is involuntarily terminated is eligible to receive the following severance payments and benefits as well as accelerated vesting of equity awards, subject to the execution of an effective release of claims in favor of the Company and continued compliance with their restrictive covenants:

- a lump-sum cash payment equal to (a) 3.0 for Ms. Dillon and 2.0 for all other NEOs, multiplied by (b) the sum of (i) the executive's salary (where "salary" is an amount equal to the greater of the executive's salary (A) on the date of termination or (B) on the consummation of the change in control) plus (ii) the executive's bonus (where "bonus" is an amount equal to the greater of (A) their target bonus on the date of termination, (B) the executive's target bonus on the consummation of the change in control or (C) the actual anticipated bonus they would receive based on performance as of the change in control);
- payment of a pro-rated portion of the executive's annual cash bonus award for the year of termination (with the bonus calculated based on actual performance);
- accelerated vesting of all outstanding equity awards held by the Participant that vest solely based on the passage of time; and
- Company-paid COBRA premium payments for up to 18 months following the termination date.

Also, upon a change in control, without regard to any employment loss, all outstanding performance-based equity will vest at the greater of (a) target performance levels or (b) the amount that would have been earned for performance through the date of the change in control.

To the extent that any change in control payment or benefit would be subject to an excise tax imposed in connection with Section 4999 of the Internal Revenue Code of 1986, as amended, such payments and/or benefits may be subject to a "best net" reduction to the extent necessary so that the executive receives the greater of the (i) net amount of the change in control payments and benefits reduced such that such payments and benefits will not be subject to the excise tax and (ii) net amount of the change in control payments and benefits without such reduction.

Severance Benefits Not in Connection with a Change in Control

Pursuant to the terms of an agreement with Ms. Dillon, in the event that her employment is terminated without Cause (as defined below) or she resigns for "Good Reason" (as defined below), she will be entitled to the following as severance subject to her providing a general release of claims:

- Severance equal to her monthly base salary and one-twelfth of her target bonus, payable in installments over a period of 24 months; and
- Any bonus actually earned, pro-rated based on the percentage of the fiscal year Ms. Dillon is employed by the Company and assuming that all her personal goals were fully satisfied.

For this purpose “Cause” shall mean Ms. Dillon’s:

- Commission of an act of fraud or embezzlement;
- The unauthorized, intentional or grossly negligent disclosure of confidential information which is injurious to the Company;
- Willful breach of any fiduciary duty owed to the Company;
- Indictment for a felony or any crime involving fraud, dishonesty, or moral turpitude;
- Intentional misconduct as an employee, including knowing and intentional violation of the Company’s written policies, or specific directions of the Board;
- Failure substantially to perform her duties, following written notice (other than by reason of disability); and
- Willful engagement in misconduct that may reasonably result in injury to the reputation or business prospects of the Company.

Any act or failure to act shall be considered “willful” only if done or omitted to be done without a good faith, reasonable belief that such act or failure to act was in our best interest. Ms. Dillon will have ten business days to cure any curable act after written notice from the Company of cause. Ms. Dillon’s employment may be terminated for Cause retroactively, if such reasons are later discovered after her termination. Ms. Dillon will have “Good Reason” to terminate her employment if she gives us notice within 30 days of one of the following events and we do not cure such event within 30 days:

- Her authority, duties or responsibilities are materially diminished, other than in connection with the appointment of a Chief Operating Officer and/or President as long as she retains authority over such positions and advice and direction from the Board;
- Relocation of our corporate headquarters more than 60 miles; and
- We materially breach her agreement.

Ms. Dillon has also entered into an agreement not to disclose or use our confidential information at any time. She also agreed not to work for, or otherwise be involved with, any competitor for a period of 18 months following her termination for any reason.

Although Messrs. Kimbell, Settersten, and Childs and Ms. Caro do not have contractual rights to severance, we would likely pay each at least six months of severance and continued health benefits in connection with a termination without cause in exchange for a general release of claims.

The following chart sets forth the amounts that Ms. Dillon, Messrs. Kimbell, Settersten, and Childs and Ms. Caro would receive in the event of a change of control or that their employment was terminated without Cause, for good reason, or due to death or disability, or in connection with a change in control, on the last day of fiscal 2019, February 1, 2020. These amounts do not include any value for amounts payable under retirement plans or insurance policies applicable to employees in general.

PROPOSAL THREE ADVISORY RESOLUTION ON EXECUTIVE COMPENSATION

What are you voting on?

An advisory resolution to approve the Company's executive compensation.

**THE BOARD OF
DIRECTORS
RECOMMENDS A VOTE
"FOR" PROPOSAL
THREE**

The Board of Directors is committed to excellence in governance. As part of that commitment, Ulta Beauty is asking stockholders to vote on a resolution to approve the compensation of our NEOs as disclosed in this proxy statement. This advisory resolution, commonly referred to as a "say-on-pay" resolution, is non-binding on the Company and the Board of Directors. However, the Board and the compensation committee value the opinions of the stockholders and will carefully consider the outcome of the vote when making future compensation decisions. In accordance with the results of the non-binding advisory vote at our 2017 Annual Meeting of Stockholders concerning the frequency of an advisory vote on the compensation paid to our NEOs, this non-binding advisory vote will be held on an annual basis until the Board elects to implement a different frequency or until the next required non-binding advisory vote on frequency.

As described more fully above, our executive compensation program is structured to provide compensation opportunities that:

- ✓ reflect the competitive marketplace in which the Company operates;
- ✓ link annual incentive compensation to Company performance goals that support stockholder value;
- ✓ focus a significant portion of an executive's compensation on equity-based incentives to align interests closely with stockholders; and
- ✓ attract, motivate, and retain key executives who are critical to our long-term success. A significant portion of the Company's executive compensation is performance-based, and we emphasize such incentives to ensure that total compensation reflects our overall success or failure and to motivate executive officers to meet appropriate performance measures.

We believe that the fiscal 2019 compensation of our NEOs was appropriate and aligned with the Company's performance. We urge stockholders to read the Compensation Discussion and Analysis section of this proxy statement, as well as the Summary Compensation Table and the related tables and disclosures, for a more complete understanding of how our executive compensation policies and procedures operate.

The Company is asking stockholders to approve the following advisory resolution at the Annual Meeting:

RESOLVED, that the stockholders of Ulta Beauty, Inc. (the "Company") approve, on an advisory basis, the compensation of the Company's NEOs as disclosed in this proxy statement pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables, and narrative discussion thereto.

Because the vote is advisory, it will not be binding upon the Board or the compensation committee. However, the compensation committee will consider the outcome of the vote in determining future compensation policies and decisions.

The affirmative vote of the holders of a majority of the shares present by virtual presence online or represented by proxy and entitled to vote at the Annual Meeting will be required to approve the advisory resolution on executive compensation. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes will be counted towards a quorum but will not be counted for any purpose in determining whether this proposal has been approved.

CEO PAY RATIO

The SEC requires companies to disclose the ratio of the total annual compensation of the CEO to the median of the total annual compensation of all of our employees, other than the CEO.

We explain below how we made reasonable efforts to identify our median employee and calculate both the median employee's total annual compensation and the total annual compensation of our CEO. As permitted by the SEC, we have used reasonable estimates, assumptions, and methodologies to prepare this disclosure.

The SEC provided companies with flexibility to calculate their CEO pay ratio in a manner that best suits their facts and circumstances. Our CEO pay ratio is specific to Ulta Beauty, Inc. and should not be used as a basis for comparison with the CEO pay ratios disclosed by other companies.

We identified our median employee by (1) identifying all employees on November 8, 2019, (2) calculating each employee's cash compensation (salary, wages, bonuses, and commissions) earned through that date and (3) then ranking all 49,612 employees by compensation from high to low and selecting the employee who had the median cash compensation. We calculated the median employee's total annual compensation for 2019 according to the same methodology we used for calculating Ms. Dillon's total annual compensation as reported in the Summary Compensation Table on page 34, to determine both our median employee's total annual compensation and Ms. Dillon's for purposes of the ratio.

Using this methodology for fiscal 2019, our median employee's total annual compensation was \$16,857 and our CEO's total annual compensation was \$7,064,799. The resulting ratio of our CEO's total annual compensation to the total annual compensation of our median employee was approximately 419:1.

The SEC's rules require us to identify our median employee for this purpose using our employee population on a date that occurs during the three-month period ending on the last day of our fiscal year. As such, our median employee always includes seasonal and temporary employees we hire to assist during our fourth quarter holiday season. If we exclude the 7,829 temporary and seasonal employees that were employed on November 8, 2019 from the above calculation, our median employee's 2019 compensation was \$20,400 resulting in a CEO pay ratio of 348:1. We believe this pay ratio more accurately reflects the comparison of our CEO's 2019 pay with the pay provided in 2019 to a median employee who is more representative of our stable workforce.

S Stock

Certain Relationships and Transactions

Related Person Transaction Approval Policy

Our Board of Directors has adopted written policies and procedures regarding the review, approval or ratification of any “related person transaction.” For purposes of these policies and procedures:

- a “related person” means any of the Company’s directors, executive officers, nominees for director, 5% or greater shareholder, or any of their immediate family members; and
- a “related person transaction” generally means a transaction (including any indebtedness or a guarantee of indebtedness) in which we were or are to be a participant and the amount involved exceeds \$120,000, and in which a related person had or will have a direct or indirect material interest.

Each executive officer, director, or nominee for director is required to disclose to the audit committee certain information relating to related person transactions for review and approval or ratification by the audit committee. The audit committee is required to disclose any material related person transactions to the full Board of Directors.

Disclosure to the audit committee is required to be made before, if possible, or as soon as practicable after the related person transaction is effected, but in any event as soon as practicable after the executive officer, director, or nominee for director becomes aware of the transaction or of a material change to such a transaction. Under the policy, the audit committee’s decision to approve or ratify a related person transaction is to be based on the audit committee’s determination that consummation of the transaction is in, or was not contrary to, the best interests of the Company. There were no related person transactions during 2019, except as follows:

Questions and Answers

PROXY MATERIALS AND ANNUAL MEETING

General — Why am I receiving these materials?

On or about April 22, 2020, we sent a Notice of Internet Availability of Proxy Materials (the “Notice”) to you, and to all stockholders of record as of the close of business on April 6, 2020 because the Board of Directors of Ulta Beauty is soliciting your proxy to vote at the 2020 Annual Meeting of Stockholders. Our Board has made these proxy materials available to you on the internet, or upon your request, has delivered printed proxy materials to you in connection with the solicitation of proxies for use at the 2020 Annual Meeting of Stockholders. Our 2019 Annual Report, which includes our Form 10-K for fiscal year ended February 1, 2020, along with this proxy statement and all other relevant corporate governance materials, are also available at the Investor Relations section of our website at <http://ir.ultabeauty.com>.

Delivery of Materials — Why did I receive a notice in the mail regarding the internet availability of proxy materials instead of a full set of proxy materials?

In accordance with rules adopted by the SEC, we may furnish proxy materials, including this proxy statement and our 2019 Annual Report, to our stockholders by providing access to such documents on the internet instead of mailing printed copies. Most stockholders will not receive printed copies of the proxy materials unless they request them. Instead, the Notice, which was mailed to most of our stockholders, will instruct you as to how you may access and review all of the proxy materials on the internet. The Notice also instructs you as to how you may submit your proxy on the internet. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions for requesting such materials in the Notice.

Date, Time and Place — When and where is the 2020 Annual Meeting of Stockholders?

The 2020 Annual Meeting will be held on Wednesday, June 3, 2020, at 10:00 A.M., Central Daylight Time, online at www.virtualshareholdermeeting.com/ULTA2020. The Annual Meeting will be accessible only through the internet. This change is being made due to an abundance of caution related to the coronavirus (COVID-19), and the priority we place on the health and well-being of our stockholders, associates and other stakeholders. We have worked to offer the same participation opportunities as were provided at the in-person portion of our past meetings while further enhancing the online experience available to all shareholders regardless of their location. We intend to return to our usual practice of holding an in person annual meeting in 2021 presuming circumstances permit.

Purpose — What is the purpose of the Annual Meeting of Stockholders?

At our Annual Meeting, stockholders will act upon the matters outlined in this proxy statement and in the Notice of Annual Meeting accompanying this proxy statement.

Attending the Annual Meeting — How can I attend the Annual Meeting by virtual presence online?

You may attend the Annual Meeting by virtual presence online if you were an Ulta Beauty stockholder or joint holder as of the close of business on April 6, 2020, or you hold a valid proxy for the Annual Meeting. To attend the Annual Meeting by virtual presence online, go to www.virtualshareholdermeeting.com/ULTA2020. If you are a stockholder of record, you will also need to provide your control number found on your proxy card. If you are not a stockholder of record but hold shares

through a broker, trustee or nominee, you will also need to obtain a “legal proxy” from the broker, trustee or nominee that holds your shares, or otherwise provide proof of beneficial ownership on the record date, such as your most recent account statement prior to April 6, 2020, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership, and provide your control number found on the voting instruction card provided by such broker, trustee or nominee. If a stockholder is an entity and not a natural person, the authorized representative must comply with the procedures outlined above and must also present evidence of authority to represent such entity. If a stockholder is a natural person and not an entity, such stockholder and his/her immediate family members will be admitted to the online Annual Meeting, provided they comply with the above procedures.

Participating in the Annual Meeting — How can I participate in the Annual Meeting?

You are entitled to participate in the Annual Meeting if you were a stockholder as of the close of business on April 6, 2020. The Annual Meeting will begin promptly at 10:00 a.m. Central Daylight Time. Online check-in will begin at 9:45 a.m. Central Daylight Time, and you should allow ample time for the online check-in procedures. If you have difficulty accessing the meeting, please call 800-586-1548 (US) or 303-562-9288 (International). We will have technicians available to assist you.

Whether or not you participate in the Annual Meeting, it is important that your shares be part of the voting process. The other methods by which you may vote are described in the Notice and elsewhere in this proxy statement.

This year’s shareholders question and answer session will include questions submitted in advance of, and questions submitted live during, the Annual Meeting. You may submit a question in advance of the meeting at www.proxyvote.com after logging in with your control number. Questions may be submitted during the Annual Meeting through www.virtualshareholdermeeting.com/ULTA2020. We will post questions and answers if applicable to our business in the Investor Relations section of our website shortly after the meeting.

Multiple Sets of Proxy Materials — What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please vote each proxy card and voting instruction card that you receive.

Record Holders and Beneficial Owners — What is the difference between holding shares as a Record Holder versus a Beneficial Owner?

Most Ulta Beauty stockholders hold their shares through a broker or other nominee rather than directly in their own name. There are some distinctions between shares held of record and those owned beneficially:

Record Holders — If your shares are registered directly in your name with our Transfer Agent, American Stock Transfer & Trust Company, you are considered, with respect to those shares, the stockholder of record or Record Holder and the Notice was sent directly to you by Ulta Beauty. As the stockholder of record, you have the right to grant your voting proxy directly to Ulta Beauty or to vote by attending the Annual Meeting online.

Beneficial Owner — If your shares are held in a brokerage account or by another nominee, you are considered the Beneficial Owner of shares held in street name, and the Notice was forwarded to you from your broker, trustee or nominee. As a Beneficial Owner, you have the right to direct your broker, trustee or nominee how to vote and are also invited to attend the Annual Meeting by virtual presence online. Since a Beneficial Owner is not the stockholder of record, you may not vote these shares at the meeting unless you obtain a “legal proxy” from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing how to vote your shares. If you do not provide specific voting instructions to your broker by May 24,

2020 (10 days before the Annual Meeting), your broker can vote your shares with respect to “discretionary” items, but not with respect to “non-discretionary” items. The election of directors (Proposal 1) and the advisory vote on executive compensation (Proposal 3) are considered non-discretionary items, while the ratification of the appointment of our independent registered public accounting firm (Proposal 2) is considered a discretionary item. On non-discretionary items for which you do not give your broker instructions, the shares will be treated as broker non-votes.

Voting — Who can vote and how do I vote?

Only holders of our common stock at the close of business on April 6, 2020 will be entitled to notice of and to vote at the Annual Meeting. At the close of business on April 6, 2020, we had outstanding and entitled to vote 56,309,476 shares of common stock. Each holder of our common stock on such date will be entitled to one vote for each share held on all matters to be voted upon at the Annual Meeting.

To ensure that your vote is recorded promptly, please vote as soon as possible, even if you plan to attend the Annual Meeting by virtual presence online. Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the Annual Meeting. If you are a stockholder of record, you may vote by proxy. You can vote by proxy over the internet by following the instructions provided in the Notice, or if you requested to receive printed proxy materials, you can also vote by mail or telephone pursuant to instructions provided on the proxy card. If you hold shares beneficially in street name, you may also vote by proxy over the internet by following the instructions provided in the Notice, or if you requested to receive printed proxy materials, you can also vote by mail or telephone by following the voting instructions provided to you by your broker, bank, trustee or nominee.

If you attend the Annual Meeting online, you may also submit your vote at www.virtualshareholdermeeting.com/ULTA2020 at the meeting, and any previous votes that you submitted will be superseded by the vote that you cast at the Annual Meeting. Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to vote at the Annual Meeting, you must obtain from the Record Holder a legal proxy issued in your name.

Revocation of Proxy — May I change my vote after I return my proxy?

Yes. Even after you have submitted your proxy/vote, you may revoke or change your vote at any time before the proxy is exercised by (i) the timely delivery of a valid, later-dated proxy, timely written notice of revocation with our Corporate Secretary at our principal executive offices at 1000 Remington Blvd., Suite 120, Bolingbrook, IL 60440; or (ii) by attending the Annual Meeting online and voting at the meeting. Attendance at the Annual Meeting by virtual presence online will not, by itself, revoke a proxy.

Quorum — What constitutes a quorum?

Presence at the Annual Meeting, by virtual presence online or by proxy, of the holders of a majority of the common stock outstanding on April 6, 2020 will constitute a quorum, permitting the Annual Meeting to proceed and business to be conducted. As of April 6, 2020, 56,309,476 shares of common stock were outstanding. Thus, the presence, by virtual presence online or by proxy, of the holders of common stock representing at least 28,154,738 shares will be required to establish a quorum. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

Voting Results — Where can I find the voting results of the Annual Meeting?

We will publish final voting results in a Current Report on Form 8-K that will be filed with the SEC within four business days of the Annual Meeting.

Solicitation — Who will pay the costs of soliciting these proxies?

We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and distribution of this proxy statement and any additional information furnished to stockholders. If you choose to access the proxy materials and/or vote

over the internet, you are responsible for internet access charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries, and custodians holding shares of common stock beneficially owned by others to forward to such Beneficial Owners. We may reimburse persons representing Beneficial Owners of common stock for their reasonable costs of forwarding solicitation materials to such Beneficial Owners. Original solicitation of proxies may be supplemented by electronic means, mail, facsimile, telephone, or personal solicitation by our directors, officers or other employees. No additional compensation will be paid to our directors, officers, or other regular employees for such services.

Additional Matters at the Annual Meeting — What happens if additional matters are presented at the Annual Meeting?

Other than the three proposals described in this proxy statement, we are not aware of any other properly submitted business to be acted upon at the Annual Meeting. If you grant a proxy, the persons named as proxy holders, Mary N. Dillon, our Chief Executive Officer, and Jodi J. Caro, our General Counsel, Chief Compliance Officer and Corporate Secretary, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If, for any unforeseen reason, any of our nominees are not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by the Board of Directors.

Stockholder Proposals — What is the deadline to propose actions for consideration at next year's Annual Meeting of Stockholders?

Proposals by stockholders that are submitted for inclusion in our proxy materials for our 2021 Annual Meeting of Stockholders must follow the procedures provided in Rule 14a-8 under the Exchange Act. To be timely under Rule 14a-8, they must be received by our Corporate Secretary by December 23, 2020.

Under our Bylaws, if a stockholder does not submit a proposal for inclusion in our proxy materials but does wish to propose an item of business to be considered at our 2021 Annual Meeting of Stockholders (other than director nominations), that stockholder must provide specified information to us no earlier than February 3, 2021 and no later than March 5, 2021. Stockholders are also advised to review our Bylaws, which contain additional requirements with respect to advance notice of stockholder proposals.

Proposals by stockholders must be mailed to our Corporate Secretary at our principal executive offices at 1000 Remington Blvd., Suite 120, Bolingbrook, IL 60440.

Nomination of Directors — How do I submit a proposed director nominee to the Board of Directors for consideration or use the proxy access provisions of Ulta Beauty's Bylaws to nominate a director candidate for the 2021 Annual Meeting of Stockholders?

Any stockholder may propose director nominees for consideration by the Board of Directors' nominating and corporate governance committee. Any such recommendation should include the nominee's name and qualifications for membership on the Board of Directors and should be directed to our Corporate Secretary at the address of our principal executive offices set forth above. Such recommendation should disclose all relationships that could give rise to a lack of independence and also contain a statement signed by the nominee acknowledging that he or she will owe a fiduciary obligation to Ulta Beauty and our stockholders. The section titled "Corporate Governance – Nomination Process – Qualifications" above provides additional information on the nomination process. In addition, please review our Bylaws in connection with nominating a director, as our Bylaws generally require a stockholder to provide certain information about the nominee, the stockholder, and the shares of Ulta Beauty held by the stockholder and nominee to us.

In addition, effective June 3, 2020 (so commencing with the 2021 Annual Meeting of Stockholders), our Bylaws will provide that under certain circumstances, a stockholder or group of stockholders may include director candidates that they have nominated in our proxy materials for an Annual Meeting of Stockholders. These proxy access provisions of our Bylaws provide, among other things, that a stockholder or group of no more than 20 stockholders seeking to include their director candidates in our proxy materials must own 3% or more of Ulta Beauty's outstanding common stock continuously for at least

the previous three years. The number of stockholder-nominated candidates appearing in any of our proxy materials cannot exceed the greater of two or 20% of the number of directors then serving on the Board. If 20% is not a whole number, the maximum number of stockholder-nominated candidates would be the closest whole number below 20%. Based on the current Board size of eleven directors, the maximum number of proxy access candidates that we would be required to include in our proxy materials is two. Nominees submitted under the proxy access procedures that are later withdrawn or are included in the proxy materials as Board-nominated candidates will be counted in determining whether the 20% maximum has been reached. If the number of stockholder nominated candidates exceeds 20%, each nominating stockholder or group of stockholders may select one nominee for inclusion in the proxy materials until the maximum number is reached. The order of selection would be determined by the amount (largest to smallest) of shares of Ulta Beauty common stock held by each nominating stockholder or group of stockholders. Requests to include stockholder-nominated candidates in our proxy materials for our 2021 Annual Meeting of Stockholders must be received by our Corporate Secretary, at the address of our principal executive offices set forth above, no earlier than November 23, 2020 and no later than December 23, 2020. The nominating stockholder or group of stockholders also must deliver the information required by our aBylaws, and each nominee must meet the qualifications required by our Bylaws, so we advise stockholders to review our Bylaws.

Miscellaneous

Other Matters

The Board of Directors knows of no other matters that will be presented for consideration at the 2020 Annual Meeting of Stockholders. If any other matters are properly brought before the Annual Meeting, it is the intention of the proxy holders, Mary N. Dillon, our Chief Executive Officer, and Jodi J. Caro, our General Counsel, Chief Compliance Officer and Corporate Secretary, to vote on such matters in accordance with their best judgment.

Your vote is important. Whether or not you plan to attend the Annual Meeting by virtual presence online, we hope you will vote as soon as possible. You may vote over the internet, as well as by telephone, or, if you requested to receive printed proxy materials, by mailing a proxy or voting instruction card. Please review the instructions on each of your voting options described in this proxy statement, as well as in the Notice you received in the mail.

By Order of the Board of Directors
