NEWS RELEASE

US Foods Acquired Food Genius

2016-04-13

US Foods today announced it has acquired Food Genius, a leading provider of foodservice data and analytics. The Food Genius team members will join US Foods.

Focused exclusively on foodservice, Food Genius offers a suite of technology applications which simplify the interactions needed to transform large-scale unstructured data into application-ready datasets and actionable insights.

“Our core technologies are built for a single purpose, providing consistent and predictable structure on top of what is normally inconsistent datasets in foodservice,” said Jason Felger, CEO, Food Genius. “We’re all very excited to be a part of US Foods mission of being first in food!”

Terms of the acquisition were not disclosed.
