NEWS RELEASE

TSX Venture Exchange Announces the 2015 TSX Venture 50®

2/11/2015

February 11, 2015 (TORONTO) – TSX Venture Exchange today announced the 2015 TSX Venture 50.

The TSX Venture 50 is an annual ranking of strong performing companies from five sectors: Clean Technology, Diversified Industries, Mining, Oil & Gas, and Technology & Life Sciences.

"TSX Venture Exchange is a unique, world-class venue for small-cap and early-stage companies to access public venture capital to help fuel their business strategies," said John McCoach, President, TSX Venture Exchange. "We are delighted to recognize the success of this year's TSX Venture 50 companies, which are all important contributors to Canada's economy and entrepreneurial success."

The 2015 TSX Venture 50 was determined based on equal weighting of the following measures: market capitalization growth, share price appreciation, trading volume and analyst coverage.

The top ranked company across all sectors is Ikkuma Resources Corp. (**IKM**), a Calgary-based oil and gas company that listed on TSXV in 2004.

The top performing companies from each industry sector are:
