March 2, 2020 (TORONTO, ON) – TMX Group, the global exchange leader in mining, is pleased to welcome delegates from around the world to the 2020 Prospectors and Developers Association of Canada's (PDAC) International Convention, Trade Show & Investors Exchange, taking place this week in Toronto. Toronto Stock Exchange (TSX) and TSX Venture Exchange (TSXV), home to approximately half of the world's public mining companies, will mark the event with a series of market open and closing ceremonies throughout the week featuring delegations from key international mining centres.

Together, TMX Group's equity exchanges TSX and TSXV are the world's leading listing and public capital raising venue for mining companies.
