NEWS RELEASE

Johnson Controls to present at Electrical Products Group Annual Conference

2018-05-14

CORK, Ireland, May 14, 2018 /PRNewswire/ -- Johnson Controls International plc (NYSE: JCI) Chairman and Chief Executive Officer George Oliver will speak at the Electrical Products Group Annual Conference in Longboat Key, Fla., on Monday, May 21, 2018, at 11:30 a.m., Eastern time. A live webcast of the presentation will be available on the company's website at: http://investors.johnsoncontrols.com/news-and-events/events-and-presentations.

About Johnson Controls:

Johnson Controls is a global diversified technology and multi industrial leader serving a wide range of customers in more than 150 countries. Our 120,000 employees create intelligent buildings, efficient energy solutions, integrated infrastructure and next generation transportation systems that work seamlessly together to deliver on the promise of smart cities and communities. Our commitment to sustainability dates back to our roots in 1885, with the invention of the first electric room thermostat. We are committed to helping our customers win and creating greater value for all of our stakeholders through strategic focus on our buildings and energy growth platforms.
