Fredrikstad, 16 June 2016: Europris (OSE: EPR) today opened two new stores; one at Jevnaker in Oppland county and one in Stranda outside Ålesund, in the county of Møre and Romsdal. Today's store openings bring the extensive network of stores to 235.

Europris has opened six stores so far this year and plans to open one additional store prior to the summer holiday period at the end of June.

- *We are always excited about new store openings, and we are now more than half way through our strong pipeline for the year of eleven new stores in total. We look forward to making our attractive offers and bargains available at these remaining locations by the end of the year, says CEO Pål Wibe.*

Europris' extensive network of 235 stores covers all counties in Norway. Continued expansion of the store portfolio in both rural and urban areas is an important part of Europris' current growth strategy, targeting 270 stores by the end of 2020.
