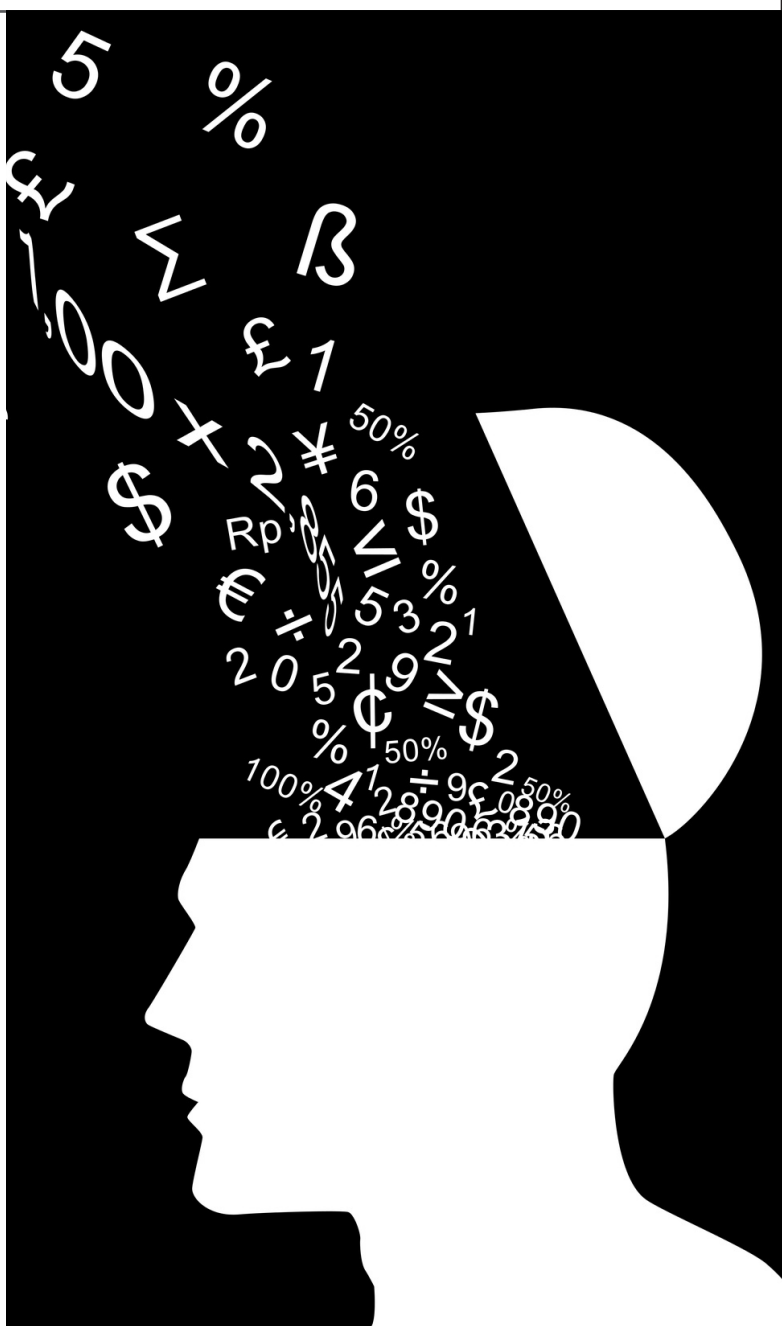
What Makes the Buy-side Tick?

A panel of veteran portfolio managers will help IROs and IR consultants better understand:

- how buy-side analysts and portfolio managers make buy/sell decisions
- how valuation methods are changing
- what the buy-side wants from company management and IR
- what are the tools that the buy-side is using to make decisions
- how much does the buy-side value sell-side research



Confirmed Panelists:

Moderator: **Mike Pasquale**, Head of NY Sales, UBS

Tom O'Halloran, Partner and Director of Small Cap Growth, Lord Abbett

Mitch Williams, Vice President and Portfolio Manager, OppenheimerFunds

Bill Wappler, Associate Director of Research, SAC Capital Advisors
