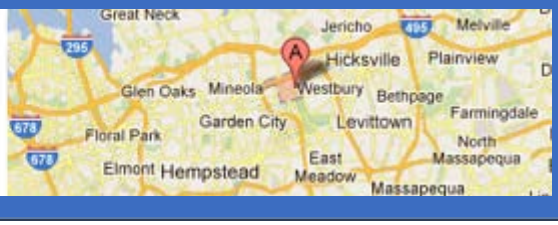
NIRI In Your Neighborhood!



Long Island Breakfast Roundtable

Hosted by New York Community Bancorp

We're pleased to bring our "local" NIRI program to Long Island with a breakfast meeting in Westbury. For those of you new to the idea, the Neighborhood series was created specifically for our NY-chapter members who are based outside the city, recognizing that it may not always be easy to get to our regular programs in Manhattan. These local meetings consist of small, informal roundtables that provide members the opportunity to discuss top-of-mind IR issues with fellow IR practitioners. Thanks to Kelly Leung and Ilene Angarola - two former chapter boardmembers - for hosting this inaugural Long Island Neighborhood meeting at NYCB offices.

Date: Friday, March 16th
Time: 8:00 to 9:30 am
Location: New York Community Bancorp, 615 Merrick Ave, Westbury, NY
Please note: this event is for IR practitioners only.
