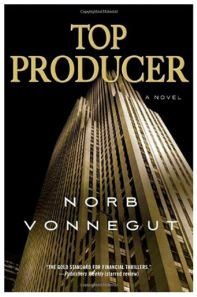
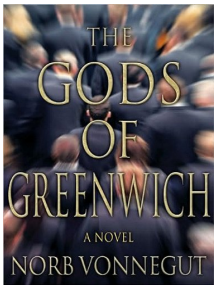
Member Cocktail Reception with novelist Norb Vonnegut

author of "The Gods of Greenwich," "Top Producer" and upcoming "The Trust"

Calling all NIRI-NY members! Please join us for a cocktail reception at the New York Stock Exchange with our special guest Norb Vonnegut, author of two "ripped-from-the-headlines" thrillers set in the world of Wall Street brokers and Greenwich hedge fund titans. Norb spent 20 years on Wall Street with Morgan Stanley and other top firms before launching his writing career. He will talk with our group about his books *Top Producer* (2009), *The Gods of Greenwich* (2011), and his new novel *The Trust* set for release in summer 2012. All attendees will receive a signed copy of one book.





"*The Gods of Greenwich* is a riveting thriller… racing relentlessly from the bedrooms of Manhattan to the boardrooms of Connecticut to the banks of Iceland. Bravo!" --Jeffrey Deaver, *New York Times* bestselling author of *Edge*

"Vonnegut's debut *Top Producer* meets the gold standard for financial thrillers as it puts the frenzied, cutthroat world of Wall Street's best stockbrokers (aka the 'top producers') on brilliant display. Vonnegut, himself a veteran fund manager, handles the arcane terminology and slang of Wall Street with aplomb, never letting it get in the way of the story." --*Publishers Weekly*

Date: Tuesday, March 27
Time: 6 – 8:30 pm, author discussion at 7 pm
Location: New York Stock Exchange, 11 Wall Street
