We will be hosting a silent auction at this year's Holiday Party to benefit Variety New York.

Variety's Mission and Objective

Variety the Children's Charity of New York provides funding to grassroots non-profit organizations in the Tri-State area whose programs use the arts as a catalyst to transform the lives of under-served children.

Since 1948, Variety New York has worked to improve the lives of the Tri-State area's most vulnerable children by offering grant funding and technical support to youth serving organizations. Today, Variety New York supports 20 grantees and over 12,000 children and youth.

In addition to funding, Variety New York also provides a comprehensive, value-added set of resources that include technical assistance, evaluation, partnerships and collective infrastructure.

NIRI New York is proud to support Variety and local community this important charity serves.
