

Going Global – Straight Talk from the World's Leading Investors

Don't pack your passport until you attend our panel of leading investors from Europe, Asia and North America.

These experts will share their views regarding:

- Valuation of the U.S. equity market (over or undervalued, industries in and out of favor)
- Qualitative and quantitative elements of their investment decision process including buy/hold/sell signals
- Home country rules that may prohibit the investors from taking large positions in U.S. equities
- Managing investment risk
- Cultural preferences for meetings; views regarding conferences, one-on-ones, and corporate access

Insight from these global shareholders will help you prepare and fine tune your worldwide investor outreach strategy.

Panelists will include:

Max Broden - Portfolio Manager, *Norges Bank Investment Management*

Tal Klausner - Portfolio Manager, *Government of Singapore Investment Corporation*

Malcolm White, VP, Portfolio Management and Portfolio Manager, *CI Investments*
