NEWS RELEASE

Teladoc Senior Vice President Dr. Alan Roga to present at Becker's Hospital Review 5th Annual CEO+CFO Roundtable

10/20/2016

LEWISVILLE, Texas--(BUSINESS WIRE)-- Teladoc, Inc. (NYSE: TDOC), the first and largest telehealth platform in the United States, announced that Alan Roga, MD, FACEP, Teladoc senior vice president and general manager, provider market, will present at Becker's Hospital Review 5th Annual CEO+CFO Roundtable on November 9, 2016 in Chicago at the Swissotel.

Dr. Roga's session, "Navigating the Landscape of a Telehealth Program: Are You Ready?" will address the market factors driving health care organizations to consider telehealth programs and the critical process health system and hospital leaders must follow to ensure the telehealth and organizational strategies are aligned for long-term sustainability prior to implementing or expanding telehealth.

About Teladoc

Teladoc, Inc. (NYSE:TDOC) is the nation's leading provider of telehealth services and a pioneering force in bringing the virtual care visit into the mainstream of today's health care ecosystem. Serving some 6,000 clients — including health plans, health systems, employers and other organizations — more than 15 million members can use phone, mobile devices and secure online video to connect within minutes to Teladoc's network of more than 3,000 board-certified, state-licensed physicians and behavioral health specialists, 24/7. With national coverage, a robust, scalable platform and a Lewisville, Texas-based member services center staffed by 400 employees, Teladoc offers the industry's most comprehensive and complete telehealth solution including primary care, behavioral health care, dermatology, tobacco cessation and more.
