The primary function of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Broadwind Energy, Inc. (the “Company”) is to provide oversight responsibilities by reviewing: the financial reports and other financial information provided by the Company to any governmental body or the public; the Company's systems of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; and the Company’s auditing, accounting and financial reporting processes generally. Consistent with this function, the Committee should encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Committee’s primary duties and responsibilities are to:

- Serve as an independent and objective party to monitor the Company’s financial reporting process and internal control system.
- Coordinate, review and appraise the audit efforts of the Company’s independent accountants and management.
- Communicate directly with the independent accountants, the financial and senior management and the Board regarding the matters related to the Committee’s responsibilities and duties.

The Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Section III of this Charter.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits, to determine that the Company’s financial statements are complete and accurate and are in accordance with generally accepted accounting principles or to certify or otherwise attest to the Company’s financial statements. This is the responsibility of management and the independent auditor.

II. ORGANIZATION AND MEMBERSHIP

The Committee shall be comprised of three (3) or more directors appointed by the Board, each of whom shall be independent. The definition of “independence” for purposes of selecting Committee members shall meet the independence and other requirements established by law, the rules and regulations of the Securities and Exchange Commission (“SEC”), the Nasdaq Stock Market (“NASDAQ”) listing standards and Section 162(m) of the Internal Revenue Code, as amended.
