PIONEERING SOLUTIONS IN INDUSTRIAL DISTRIBUTION SINCE 1908

Founded as Southern Engine and Pump Company in 1908, DXP was re-chartered in 1979 as Sepco Industries and renamed DXP Enterprises, Inc. in 1996. Over the years, DXP has strengthened its ability to support customers by acquiring a diverse group of companies with a powerful corporate focus on product expertise, technical services and MROP supply chain management.

Today, DXP is a publicly traded professional distribution management company that provides products and services to a variety of industries through its Innovative Pumping Solutions® (IPS), Supply Chain Services (SCS) and MROP Service Centers.

DXP continues to stay on the leading edge of technology, training and products while attracting and retaining the best employees. DXP’s corporate strategy is simply to be the best solution for the industrial customer.
