This year we are again using the Internet as our primary means of furnishing proxy materials to shareholders. Accordingly, most shareholders will not receive paper copies of our proxy materials. We instead sent shareholders a notice with instructions for accessing the proxy materials and voting via the Internet. The notice also provides information on how shareholders may obtain paper copies of our proxy materials if they so choose. We encourage you to review these materials and vote your shares.

You may vote via the Internet, by telephone or, if you receive a paper proxy card in the mail, by mailing the completed proxy card. If you attend the Annual Meeting, you may vote your shares in person, even if you have previously voted your proxy. Whether or not you plan to attend the Annual Meeting, please vote as soon as possible to ensure that your shares will be represented and voted at the Annual Meeting.

EXPLANATORY NOTE

We are an “emerging growth company,” as defined in the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”). As an emerging growth company, we provide in this proxy statement the scaled disclosure permitted under the JOBS Act. Accordingly, we have included detailed compensation information for only our principal executive officer and the next two most highly compensated executive officers, and we have not included a compensation discussion and analysis (CD&A) of our executive compensation programs in this proxy statement. In addition, as an emerging growth company, we are not required to conduct votes seeking shareholder approval on an advisory basis of (1) the compensation of our named executive officers or the frequency with which such votes must be conducted or (2) compensation arrangements and understandings in connection with merger transactions, known as “golden parachute” arrangements.

Under the JOBS Act, we will remain an “emerging growth company” until the earliest of: (i) the last day of the fiscal year during which we have total annual gross revenues of \$1 billion or more (as adjusted every five years for inflation); (ii) the last day of the fiscal year following the fifth anniversary of the completion of our initial public offering on May 13, 2014 (the “IPO”); (iii) the date on which we have, during the previous three-year period, issued more than \$1 billion in non-convertible debt; and (iv) the date on which we are deemed to be a “large accelerated filer” under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). We will qualify as a large accelerated filer as of the first day of the first fiscal year after (1) we have at least \$700 million in outstanding voting and non-voting common equity held by our non-affiliates, as measured as of the last business day of the second quarter of the fiscal year, (2) we have been subject to the requirements of Sections 13(a) or 15(d) of the Exchange Act for a period of at least 12 calendar months, and (3) we are not eligible to use the requirements for smaller reporting companies in our annual and quarterly reports.

PROXY STATEMENT

PROXY SOLICITATION AND VOTING INFORMATION

The Board of Directors (the “Board” or “Board of Directors”) of Dorian LPG Ltd. (“we,” “us,” “our,” the “Company” or “Dorian”) solicits your proxy for our 2016 Annual Meeting of Shareholders to be held at 11:30 AM EDT on August 23, 2016 at the offices of Seward & Kissel LLP, One Battery Park Plaza, New York, New York 10004, and for any adjournment or postponement of the meeting, for the purposes set forth in the Notice of Annual Meeting of Shareholders.

Questions and Answers About the Annual Meeting and Voting

Why am I receiving these proxy materials?

The proxy materials include our Notice of Annual Meeting of Shareholders, Proxy Statement and Annual Report for the fiscal year ended March 31, 2016. If you requested printed versions of these materials by mail, these materials also include the proxy card or voting instructions form for the Annual Meeting. Our Board of Directors has made these materials available to you in connection with the solicitation of proxies by the Board. The proxies will be used at our Annual Meeting, or any adjournment or postponement thereof. We made these materials available to shareholders beginning on or about July 13, 2016.

Our shareholders are invited to attend the Annual Meeting and vote on the proposals described in this Proxy Statement. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may vote by completing, signing, dating and returning a proxy card or by executing a proxy via the Internet or by telephone.

How can I access the proxy materials on the Internet?

In accordance with U.S. Securities and Exchange Commission (the “SEC”) rules, we are using the Internet as the primary means of furnishing proxy materials to shareholders. Accordingly, most shareholders will not receive paper copies of our proxy materials. We instead sent shareholders a Notice of Internet Availability of the Proxy Materials (the “Notice”) with instructions (i) for accessing via the Internet the proxy materials including the Notice of Annual Meeting of Shareholders, Proxy Statement and Annual Report for the fiscal year ended March 31, 2016, and (ii) for voting via the Internet or by telephone. The Notice was mailed on or about July 13, 2016. The Notice also provides information on how shareholders may obtain paper copies of our proxy materials if they so choose. Additionally, and in accordance with SEC rules, you may access our proxy materials at <http://dorianlpg.investorroom.com/annual-shareholders-meeting>.

The Notice provides you with instructions regarding how to:

- view the proxy materials for the Annual Meeting on the Internet and execute a proxy; and
- instruct us to send future proxy materials to you in printed form or electronically by e-mail.

Choosing to receive future proxy materials by e-mail will save us the cost of printing and mailing documents to you and will reduce the impact of our annual meetings on the environment. If you choose to receive future proxy materials by e-mail, you will receive an e-mail next year with instructions containing a link to those materials and a link to the proxy voting website. Your election to receive proxy materials by e-mail will remain in effect until you terminate it.

Who can vote?

Only shareholders of record, which are the holders of the shares of our common stock at the close of business on July 8, 2016 (the “record date”), may vote, either in person or by proxy, at the Annual Meeting. On the record date, we had 55,101,413 shares of common stock outstanding. You are entitled to one vote for each share of common stock that you owned on the record date. The shares of common stock held in our treasury, which are not considered outstanding, will not be voted.

How do I know if I am a beneficial owner of shares?

If your shares are held in an account at a brokerage firm, bank, broker-dealer, trust, or other similar organization, you are considered the beneficial owner of shares held in “street name,” and the Notice was forwarded to you by that organization. As a beneficial owner, you have the right to instruct that organization on how to vote the shares held in your account. Those instructions are contained in a “voting instructions form.” If you request printed copies of the proxy materials by mail, you will receive a voting instructions form.

What am I voting on?

You will be voting on each of the following:

- to elect two directors to serve on our Board until the 2019 annual meeting of shareholders;
- to ratify the selection of our independent registered public accounting firm for the fiscal year ending March 31, 2017; and
- to transact such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

As of the date of this Proxy Statement, the Board knows of no other matters that will be brought before the Annual Meeting. If you return your signed and completed proxy card or vote by telephone or over the Internet and other matters are properly presented at the Annual Meeting for consideration, the persons appointed as proxies will have the discretion to vote for you.

How do I vote?

You may vote using one of the following methods:

- **Over the Internet.** If you have access to the Internet, we encourage you to vote in this manner. Refer to your Notice for instructions on voting via the Internet and carefully follow the directions.
- **By telephone.** You may vote by calling the toll-free telephone number listed on your proxy card or the voting instructions form. Refer to your Notice for instructions on voting by telephone and carefully follow the directions.
- **By mail.** For those shareholders who request to receive a paper proxy card or voting instructions form in the mail, you may complete, sign and return the proxy card or voting instructions form.
- **In person at the Annual Meeting.** All shareholders of record may vote in person at the Annual Meeting. If you are a beneficial owner of shares (i.e., your shares are held in “street name” in an account at a brokerage firm, bank, broker dealer or similar organization), you must obtain a legal proxy from such account holding organization and present it with your ballot to be able to vote at the Annual Meeting. Even if you plan to be present at the Annual Meeting, we encourage you to vote your shares prior to the Annual Meeting date via the Internet, by telephone or by mail in order to record your vote promptly, as we believe voting this way is convenient.

Instructions for voting via the Internet, by telephone or by mail are also set forth on the proxy card or voting instructions form. Please follow the directions on these materials carefully.

Can I change my mind after I vote?

You may change your vote at any time before the polls close at the Annual Meeting. You may do this by using one of the following methods:

- voting again by telephone or over the Internet prior to 11:59 PM EDT on August 22, 2016;
- giving timely written notice to the Secretary of our Company;
- delivering a timely later-dated proxy; or
- voting in person at the Annual Meeting.

If you hold your shares through a broker, bank or other nominee, you may revoke any prior voting instructions by contacting that firm or by voting in person via legal proxy at the Annual Meeting.

How many votes must be present to hold the Annual Meeting?

In order for us to conduct the Annual Meeting, the shareholders representing at least one-third of the shares issued and outstanding and entitled to vote at the Annual Meeting as of July 8, 2016 must be present at the Annual Meeting in person or by proxy. This is referred to as a quorum. Abstentions and “broker non-votes” (shares held by a broker or nominee that does not have discretionary authority to vote on a particular matter and has not received voting instructions from its client) are counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting. Your shares will be counted as present at the Annual Meeting if you do one of the following:

- vote via the Internet or by telephone;
- return a properly executed proxy by mail (even if you do not provide voting instructions); or
- attend the Annual Meeting and vote in person.

If a quorum is not present at the Annual Meeting or, even if a quorum is present and sufficient votes in favor of the positions recommended by the Board of Directors on the proposals described in this Proxy Statement are not timely received, a majority of the total number of votes represented by those shares present, in person or by proxy, at the Annual Meeting will have the power to adjourn the meeting. If the Annual Meeting is adjourned for reasons other than a lack of quorum, no further notice of the adjourned meeting will be required to permit further solicitation of proxies, other than an announcement at the Annual Meeting, unless a new record date for the Annual Meeting is set.

Will my shares be voted if I do not provide my proxy?

If you hold your shares directly in your own name, your shares will not be voted if you do not vote them or provide a completed proxy.

If your shares are held in the name of a brokerage firm or other nominee, under rules of the NYSE, your broker may vote your shares on “routine” matters even if you do not provide a proxy. The only routine matter to be voted on at the Annual Meeting is the ratification of the selection of our independent registered public accounting firm for the fiscal year ending March 31, 2017. If a brokerage firm votes your shares on a routine matter in accordance with these rules, your shares will count as present at the Annual Meeting for purposes of establishing a quorum and will count as “FOR” votes or “AGAINST” votes, as the case may be, depending on how the broker votes. If a brokerage firm signs and returns a proxy on your behalf that does not contain voting instructions, your shares will count as present at the Annual Meeting for quorum purposes and will be voted in connection with the selection of our independent registered public accounting firm for the fiscal year ending March 31, 2017, but will not count as a “FOR” vote for any other matter, including the election of directors.

What are broker non-votes?

A “broker non-vote” occurs when a broker, bank or other nominee that holds our common stock for a beneficial owner returns a proxy to us but cannot vote the shares it holds as to a particular matter because it has not received voting instructions from the beneficial owner and the matter to be voted on is not “routine” under the NYSE rules.

What if I return my proxy but do not provide voting instructions?

If you hold your shares directly in your own name, and you sign and return your proxy card (including over the Internet or by telephone) but do not include voting instructions, your proxy will be voted as the Board recommends on each proposal.

What vote is required to adopt each of the proposals?

Each share of our common stock outstanding on the record date is entitled to one vote on each of the two director nominees and one vote on each other matter.

Proposal 1. Election of Directors. As set forth in Article I of our articles of incorporation (the “Articles of Incorporation”), directors will be elected by a plurality of votes cast by holders entitled to vote in the election. This means that the two nominees receiving the highest number of “FOR” votes will be elected as Class III directors. If you do not instruct your broker how to vote with respect to this item, your broker may not vote with respect to this proposal. For your vote to be counted, you must submit your voting instructions to your broker or custodian. Broker non-votes will not be counted as present and are not entitled to vote on this proposal. Abstentions will not be counted in determining whether this proposal has been approved.

Proposal 2. Ratification of Deloitte as Auditor for the Fiscal Year Ending March 31, 2017. As set forth in Section 7 of Article II of our bylaws, the affirmative vote of a majority of the votes cast by holders present, in person or by proxy, at the Annual Meeting is required to ratify the appointment of Deloitte by the Company’s audit committee (the “Audit Committee”) as the Company’s independent auditors for the fiscal year ending March 31, 2017. Even if you do not instruct your broker how to vote with respect to this item, your broker may vote your shares with respect to this proposal. Abstentions will not be counted in determining whether this proposal has been approved. Broker non-votes will be counted as present and entitled to vote on the proposal.

When will the voting results be announced?

We will announce preliminary voting results at the Annual Meeting. We will report final results on our website at www.dorianlpg.com and in a filing with the SEC on a Form 8-K.

Annual Meeting Admission

Only shareholders as of the close of business on July 8, 2016 or those persons that hold a valid proxy may attend the Annual Meeting. Admission to the Annual Meeting will be on a first-come, first-served basis. Proof of Dorian LPG Ltd. stock ownership as of the record date, along with government issued photo identification, such as a driver’s license or passport, will be required for admission. Shareholders holding stock in an account at a brokerage firm, bank, broker-dealer or other similar organization (“street name” holders) will need to bring proof of beneficial ownership as of the record date, such as an account statement or a letter from a broker, along with government issued photo identification. If you do not provide photo identification and comply with the other procedures outlined above for attending the Annual Meeting in person, you will not be admitted to attend the Annual Meeting in person. No cameras, recording equipment, electronic devices, use of cell phones or other mobile devices, large bags or packages will be permitted at the Annual Meeting.

Expenses of Solicitation

We pay all costs of soliciting proxies, including the cost of preparing, assembling and mailing the Notice, Proxy Statement and proxy. In addition to solicitation of proxies by mail, solicitation may be made personally, by telephone or by other electronic means. We may pay persons holding shares for others their expenses for sending proxy materials to their principals. While we presently intend that solicitations will be made only by directors,

officers and employees of the Company, we may retain outside solicitors to assist in the solicitation of proxies. Any expenses incurred in connection with the use of outside solicitors will be paid by us.

Householding

To reduce the expense of delivering duplicate proxy materials to our shareholders, we are relying on the SEC rules that permit us to deliver only one set of proxy materials, including our Proxy Statement, our Annual Report for the fiscal year ended March 31, 2016 and the Notice, to multiple shareholders who share an address unless we receive contrary instructions from any shareholder at that address. This practice, known as "householding," reduces duplicate mailings, thus saving printing and postage costs as well as natural resources. Each shareholder retains a separate right to vote on all matters presented at the Annual Meeting. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you wish to receive a separate copy of the annual report on form 10-K for the fiscal year ended March 31, 2016 or other proxy materials free of charge, or if you wish to receive separate copies of future annual reports or proxy materials, please send your request by email to IR@dorianlpg.com or by mail to Dorian LPG Ltd., c/o Dorian LPG (USA) LLC, 27 Signal Road, Stamford, Connecticut 06902, attention: Investor Relations, or call us at (203) 674-9900.

PROPOSAL 1

ELECTION OF DIRECTORS

Our Board of Directors is divided into three classes: Class I, Class II and Class III. Pursuant to our Articles of Incorporation, each class of directors consists, as nearly as possible, of one-third of the total number of directors. The total number of directors on the Board may be fixed from time to time by a vote of not less than two-thirds of the number of directors constituting the Board, excluding vacancies. Additionally, the Board is authorized to fill any vacancy on the Board, including directorships resulting from an increase in the number of directors, by a majority vote of the directors then in office. By the requisite vote, the size of our Board of Directors was set at ten directors effective May 1, 2015 and has since been reduced to seven directors effective January 26, 2016.

Each director is elected to serve for a three-year term and until such director's successor is duly elected and qualified, except in the event of his or her death, resignation, removal or earlier termination of his or her term of office. The terms of our Class I and II directors will expire in 2017 and 2018, respectively, and the term of our Class III directors will expire at the Annual Meeting.

Our Class I directors, whose term expires at the annual meeting of shareholders in 2017, currently include Christina Tan and Thomas J. Coleman. Mr. Coleman was reelected at the annual meeting of shareholders in 2014. Ms. Tan was appointed by the Board to serve as a director effective May 1, 2015, when Nigel Widdowson and Eric Fabrikant, who had previously been reelected alongside Mr. Coleman, resigned from our Board.

Our Class II directors, whose term expires at the annual meeting of shareholders in 2018, currently include Øivind Lorentzen, Ted Kalborg and John Lycouris. Mr. Lorentzen and Mr. Lycouris have served as directors since July 2013. The Board appointed Mr. Kalborg effective December 12, 2014. Mr. Lorentzen, Mr. Kalborg and Mr. Lycouris were reelected at the 2015 annual meeting of shareholders.

Our Class III directors, whose term expires at this year's Annual Meeting, currently include Malcolm McAvity and John Hadjipateras. Charles Fabrikant and David Savett previously served as Class III on our Board until their resignation on December 21, 2015 and January 6, 2016, respectively. Mr. Hadjipateras has served on our Board since our formation in July 2013 and Mr. McAvity was appointed by the Board effective January 28, 2015. Upon recommendation of our nominating and corporate governance committee (the "Nominating and Corporate Governance Committee"), our Board has nominated Mr. Hadjipateras and Mr. McAvity for re-election as Class III directors to serve until the annual meeting of shareholders in 2019.

Except as indicated herein, there are no arrangements or understandings between any director, or nominee for directorship, pursuant to which such director or nominee was selected as a director or nominee. Mr. Savett was appointed to our Board following completion of a private placement of 1,412,698 common shares of the Company to BH Logistics, LP ("BH Logistics"). In connection with the private placement, the Company agreed with BH Logistics that the Company's Board would appoint Mr. Savett to the Board upon closing of the private placement.

If, at the time of the Annual Meeting, any nominee is unable or unwilling to serve as a director, the persons named as proxy holders will vote your proxy for the election of such substitute nominee as may be designated by the Board in accordance with Article I of our Articles of Incorporation to fill the vacancy. The Board of Directors has no reason to believe any of the nominees will be unable or unwilling to serve if elected.

Pursuant to our Articles of Incorporation, directors are elected by the affirmative vote of a plurality of the votes cast by the holders of shares present, in person or by proxy, and entitled to vote on the election of directors. This means that the two nominees receiving the highest numbers of "FOR" votes at the Annual Meeting by the holders of shares of our common stock will be elected as Class III directors.

BOARD MEETINGS AND BOARD COMMITTEE INFORMATION

Meetings

During the fiscal year ended March 31, 2016, the Board of Directors held a total of twelve meetings (including regularly scheduled and special meetings), seven of which were by unanimous written consent. In that fiscal year, all directors attended at least 75% of the aggregate number of meetings of the Board held during the period for which they were directors and the committees on which they served. Our directors are expected to attend our annual meeting of shareholders, with those directors unable to attend expected to notify the Chairman of the Board in advance. Three directors then in office attended our 2015 annual meeting. From time to time, the Board may create special committees to address specific matters such as financial or corporate transactions.

Committees and Committee Charters

Our Board of Directors has established the following standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. Our Board may, in the future, establish such other committees as it determines from time to time. The charter of each of these committees is available on our website at <http://DorianLPG.investorroom.com/Corporate-Governance>. You may also request printed copies of the charter(s) by sending a written request to our Secretary at the address set forth on the cover of this Proxy Statement.

Audit Committee

The Audit Committee currently consists of Messrs. Coleman and Kalborg and Ms. Tan, with Mr. Kalborg serving as its chairperson. The Audit Committee meets a minimum of three times a year, and periodically meets with the Company's management, internal auditors and independent external auditors separately from the Board. During the fiscal year ended March 31, 2016, the Audit Committee held four meetings.

Under the Audit Committee charter, the Audit Committee assists the Board in overseeing the quality of the Company's financial statements and its financial reporting practices. To that end, the Audit Committee has direct responsibility for the appointment, replacement, compensation, retention, termination and oversight of the work of the independent registered public accounting firm engaged to prepare an audit report, to perform other audits and to perform review or attest services for us. The Audit Committee confers directly with the Company's independent registered public accounting firm. The Audit Committee also assesses the outside auditors' qualifications and independence. The Audit Committee is responsible for the pre-approval of all audit and non-audit services performed by our independent registered public accounting firm. The Audit Committee acts on behalf of the Board in reviewing the scope of the audit of the Company's financial statements and results thereof. Our Chief Financial Officer has direct access to the Audit Committee. The Audit Committee also oversees the operation of our internal controls covering the integrity of our financial statements and reports, compliance with laws, regulations and corporate policies, and the qualifications, performance and independence of our independent registered public accounting firm. Based on this oversight, the Audit Committee advises the Board on the adequacy of the Company's internal controls, accounting systems, financial reporting practices and the maintenance of the Company's books and records. The Audit Committee is also responsible for determining whether any waiver of our Code of Ethics will be permitted and for reviewing and determining whether to approve any related party transactions required to be disclosed pursuant to Item 404(a) of Regulation S-K. Annually, the Audit Committee recommends that the Board request shareholder ratification of the appointment of the independent registered public accounting firm. The responsibilities and activities of the Audit Committee are further described in "Report of the Audit Committee" and the Audit Committee charter.

Our Board of Directors has determined that the Audit Committee consists entirely of directors who meet the independence requirements of the NYSE listing standards and Rule 10A-3 of the Exchange Act. The Board has also determined that each member of the Audit Committee has sufficient knowledge and understanding of the Company's financial statements to serve on the Audit Committee and is financially literate within the meaning of

the NYSE listing standards as interpreted by the Board. The Board has further determined that Mr. Kalborg satisfies the definition of “audit committee financial expert” as defined under federal securities laws.

Compensation Committee

The Compensation Committee currently consists of Messrs. Coleman, McAvity and Kalborg, with Mr. Coleman serving as its chairperson. The Compensation Committee meets as often as it deems necessary. During the fiscal year ended March 31, 2016, the Compensation Committee held two meetings.

Pursuant to its charter, the Compensation Committee determines the annual compensation of all executive officers of the Company, and reports its determinations to the Board. The scope of the Compensation Committee’s oversight includes all matters related to the compensation of our executive officers. The Compensation Committee is also charged in particular with reviewing and approving corporate goals relevant to the compensation of our Chief Executive Officer and Chief Financial Officer, evaluating both officers’ performance in light of those goals, and determining and approving both officers’ compensation based on the evaluation. The Compensation Committee also reviews and approves employment agreements, severance agreements, change of control agreements and other similar agreements relating to executive officers, and makes general recommendations to the Board on the Company’s compensation philosophy.

While the Compensation Committee has overall responsibility for executive compensation matters, as specified in its charter, the Compensation Committee reports regularly to the Board summarizing any significant issues considered by the Compensation Committee and any action it has taken. The Board may delegate other responsibilities and duties to the Compensation Committee from time to time, and the Compensation Committee may undertake other responsibilities as it deems appropriate for it to carry out its purpose under its charter.

The Compensation Committee is authorized to retain and terminate compensation consultants, legal counsel or other advisors to the Compensation Committee and to approve the engagement of any such consultant, counsel or advisor, to the extent it deems necessary or appropriate after specifically analyzing the independence of any such consultant retained by the Compensation Committee. During the fiscal year ended March 31, 2016, the Compensation Committee engaged Steven Hall & Partners (“Steven Hall”) to conduct an analysis of and provide recommendations regarding the amount and form of compensation to our directors and executive officers, applying relevant metrics from comparable public shipping companies and their broad experience as compensation consultants. The members of the Compensation Committee considered Steven Hall’s recommendations when setting executive compensation, as well as their own collective experience and judgment, to align compensation practices with the general market for which we compete for executive and director talent. Steven Hall has not provided any additional consulting services to us beyond its role as consultant to the Compensation Committee.

Our Board of Directors has determined that Messrs. Coleman, McAvity and Kalborg meet the independence requirements of the NYSE listing standards, including the additional independence requirements applicable to the members of a compensation committee. The Board has specifically considered all factors relevant to determining whether any of Messrs. Coleman, McAvity or Kalborg has a relationship to us which is material to his ability to be independent from management in connection with the duties of a Compensation Committee member.

Nominating and Corporate Governance Committee and Director Nominations

Role of the Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee currently consists of Messrs. McAvity and Coleman and Ms. Tan, with Mr. McAvity serving as its chairperson. The Nominating and Corporate Governance Committee meets as often as it deems necessary. During the fiscal year ended March 31, 2016, the Nominating and Corporate Governance Committee held one meeting.

Pursuant to its charter, the Nominating and Corporate Governance Committee assists the Board in reviewing and identifying individuals qualified to become Board members, as consistent with the criteria

established by the Board for director candidates in the Company's Corporate Governance Guidelines, and recommends to the Board nominees to fill vacancies on the Board. The Nominating and Corporate Governance Committee makes recommendations from time to time regarding the size of the Board. The Nominating and Corporate Governance Committee also periodically evaluates and makes recommendations regarding corporate governance guidelines (the "Corporate Governance Guidelines"). See "Corporate Governance Matters—Corporate Governance Guidelines." The responsibilities and activities of the Nominating and Corporate Governance Committee are further described in the Nominating and Corporate Governance Committee charter. The Board may assign other duties to the Nominating and Corporate Governance Committee from time to time as necessary.

Our Board of Directors has determined that Messrs. McAvity and Coleman and Ms. Tan meet the independence requirements of the NYSE listing standards.

Director Nomination Process

The Nominating and Corporate Governance Committee makes recommendations to the Board of Directors regarding candidates to be nominated for directorship positions, considering proposals from a number of sources including shareholder proposals. When considering a person to be recommended for nomination as a director, the Nominating and Corporate Governance Committee assesses, among other factors, experience, accomplishments, education, skills, personal and professional integrity, diversity of the Board (in all aspects of that term) and the candidate's ability to devote the necessary time for service as a director (including directorships and other positions held at other corporations and organizations).

The Nominating and Corporate Governance Committee has no specific policy on director diversity. However, the Board reviews diversity of viewpoints, background, experience, accomplishments, education and skills when evaluating nominees. The Board believes that such diversity is important because it provides varied perspectives and promotes active and constructive discussion among Board members and between the Board and management, resulting in more effective oversight of management's formulation and implementation of strategic initiatives. The Board believes this diversity is demonstrated in the range of experiences, qualifications and skills of the current members of the Board. In the Board's executive sessions and in annual performance evaluations conducted by the Board and its committees, the Board from time to time considers whether the Board's composition promotes a constructive and collegial environment. In determining whether an incumbent director should stand for reelection, the Nominating and Corporate Governance Committee considers the above factors, as well as that director's personal and professional integrity, attendance, preparedness, participation and candor, the individual's satisfaction of the criteria for the nomination of directors set forth in our Corporate Governance Guidelines and other relevant factors as determined by the Board.

The Nominating and Corporate Governance Committee welcomes the Company's shareholders to nominate candidates for Board membership. The Committee will consider any such nominee in the same manner in which it evaluates other potential nominees, so long as the shareholder (i) submits a notice of nomination within the timeframe specified by Article III, Section 3 of the Company's bylaws to the Chairperson of the Nominating and Corporate Governance Committee, c/o Secretary, Dorian LPG Ltd., c/o Dorian LPG (USA) LLC, 27 Signal Road, Stamford, Connecticut 06902 and (ii) includes in its notice the required information specified by said section of the Company's bylaws. Further information about the time frame for shareholder proposals can be found elsewhere in this Proxy Statement under "Shareholder Proposals." A summary of the information that must appear in the notice is set forth below.

The written notice should contain the following information about the proposed nominee:

- the proposed nominee's name, age, business address and residence address;
- the proposed nominee's principal occupation or employment;
- the number of shares of capital stock of the Company owned beneficially or of record by the proposed nominee; and

- any other information relating to the proposed nominee that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors by rules and regulations applicable to the Company.

Further, the written notice should contain the following information about the shareholder making the recommendation:

- the shareholder's name, record address and tax identification number;
- the number of shares of capital stock of the Company owned beneficially and of record by the shareholder;
- a description of all arrangements or understandings between the shareholder and each proposed nominee and any other person (including their names) pursuant to which the shareholder is making the nomination;
- a representation that the shareholder intends to appear, in person or by proxy, at the annual meeting of shareholders to nominate the proposed nominee named in its notice; and
- any other information relating to such shareholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors by rules and regulations applicable to the Company.

Moreover, the shareholder's notice must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected.

Compensation Committee Interlocks and Insider Participation

During our last fiscal year, Messrs. Coleman, McAvity and Kalborg served on the Compensation Committee. Each of them is not, nor have any of them ever been, an officer or employee of the Company or any of its subsidiaries. In addition, during the last fiscal year, no executive officer of the Company served as a member of the board of directors or the compensation committee of any other entity that has one or more executive officers serving on our Board or our Compensation Committee.

REPORT OF THE AUDIT COMMITTEE

On behalf of the Board of Directors of Dorian LPG Ltd. (the “Company”), the Audit Committee oversees the operation of the Company’s system of internal controls in respect of the integrity of its financial statements and reports, compliance with laws, regulations and corporate policies, and the qualifications, performance and independence of its independent registered public accounting firm. The Audit Committee’s function is one of oversight, recognizing that the Company’s management is responsible for preparing its financial statements, and the Company’s independent registered public accounting firm is responsible for auditing those financial statements.

Consistent with this oversight responsibility, the Audit Committee has reviewed and discussed with management the audited financial statements of the Company for the year ended March 31, 2016 and management’s assessment of internal control over financial reporting as of March 31, 2016.

The Audit Committee has also discussed with Deloitte Hadjipavlou Sofianos & Cambanis S.A. (“Deloitte”), the independent registered public accounting firm, the audited financial statements of the Company for the year ended March 31, 2016, and the other matters required to be discussed by the Statement on Auditing Standards No. 16, adopted by the Public Company Accounting Oversight Board (“PCAOB”). The Audit Committee has also received the written disclosures in the letter from Deloitte required by the applicable requirements of the PCAOB regarding Deloitte’s independence and has discussed with Deloitte its independence.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the Company’s audited financial statements for the year ended March 31, 2016, be included in its annual report on Form 10-K for the fiscal year then ended. The Audit Committee has selected Deloitte as our independent registered public accounting firm for the fiscal year ending March 31, 2017, and has asked the shareholders to ratify the selection.

Ted Kalborg (Chair)
Thomas J. Coleman
Christina Tan

The Report of the Audit Committee does not constitute soliciting material, and shall not be deemed to be filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates the Report of the Audit Committee by reference therein.

CORPORATE GOVERNANCE MATTERS

The NYSE requires that listed companies follow certain corporate governance rules relating to, among other things, the adoption and disclosure of corporate governance guidelines, director independence, and executive sessions of non-management and independent directors. We currently comply with the NYSE listing standards applicable to U.S. companies.

Corporate Governance Guidelines

Our Board of Directors has adopted Corporate Governance Guidelines covering, among other things, the duties and responsibilities of and independence standards applicable to our directors. Our Corporate Governance Guidelines also address, among other things, director compensation, the Board's role in overseeing the compensation of the Chief Executive Officer, Board committee structures and assignments, and the Board's access to management and independent advisors. A copy of our Corporate Governance Guidelines is available on our website at <http://dorianlpg.investorroom.com/Corporate-Governance>. You may also request a printed copy of the guidelines free of charge by sending a written request to our Secretary at the address on the cover of this proxy statement.

Director Independence

The Board of Directors has determined that, as of the date hereof, each of the following members of our Board is an "independent director" as defined under the applicable NYSE standards, SEC rules and the Company's Corporate Governance Guidelines: Messrs. Thomas J. Coleman, Ted Kalborg, Malcolm McAvity, and Øivind Lorentzen, and Ms. Christina Tan. Therefore, the Board has satisfied its objective as set forth in the Corporate Governance Guidelines as well as NYSE listing standards, requiring that at least a majority of the Board consist of independent directors. As required under the NYSE listing standards, in making its determinations, the Board of Directors has considered whether any director has a direct or indirect material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. In addition, the Board considered a series of certain specific transactions, relationships and arrangements expressly enumerated in the NYSE independence definition. Specifically, a member of the Board of Directors may be considered independent if such member:

- has not been employed by the Company within the last three years (other than as interim Chairman of the Board of Directors or interim Chief Executive Officer);
- does not have an immediate family member who is, or has been, employed by the Company as an executive officer within the last three years;
- has not received, and does not have an immediate family member who has received, more than \$120,000 in direct compensation from the Company during any twelve-month period within the last three years, other than for services as a member of the Board of Directors or compensation for prior service (including pension or other forms of deferred compensation for prior service, provided such compensation is not contingent in any way on continued service); provided that, compensation received by a director for former service as an interim Chairman or Chief Executive Officer or other executive officer need not be considered in determining independence under this test; provided further that, compensation received by an immediate family member for service as an employee of the Company (other than an executive officer) need not be considered in determining independence under this test;
- (A) is not a current partner or employee of a firm that is the Company's internal or external auditor; (B) does not have an immediate family member who is a current partner of a firm that is the Company's internal or external auditor; (C) does not have an immediate family member who is a current employee of a firm that is the Company's internal or external auditor and personally works on the Company's audit; and (D) is not, and has not been within the last three years, and does not have

an immediate family member who is, or has been within the last three years, a partner or employee of a firm that is the Company’s internal or external auditor and personally worked on Company’s audit within such time;

- is not, and has not been within the last three years, and does not have an immediate family member who is, or has been within the last three years, employed as an executive officer of a public company where any of the Company’s present executive officers at the same time serves or served as a member of such public company’s compensation committee; and
- is not, and has not been within the last three years, an employee of a significant customer or supplier of the Company, including any company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such other company’s consolidated gross revenues, and does not have an immediate family member who is, or has been within the last three years, an executive officer of such a significant customer or supplier; provided that contributions to not-for-profit organizations shall not be considered payments for purposes of this test.

After careful review of the categorical tests enumerated under the NYSE independence definition, the individual circumstances of each director with regard to each director’s business and personal activities and relationships as they may relate to us and our management, the Board has concluded that each such director has no relationships with the Company that would interfere with such director’s exercise of independent judgment in carrying out his responsibilities as a director of the Company.

Code of Conduct and Ethics

We have adopted a Code of Ethics applicable to officers, directors and employees (the “Code of Ethics”), which fulfills applicable guidelines issued by the SEC. Our Code of Ethics can be found on our website at <http://dorianlpg.investorroom.com/Corporate-Governance>. We will also provide a hard copy of our Code of Ethics free of charge upon written request to Dorian LPG Ltd. c/o Dorian LPG (USA) LLC, 27 Signal Road, Stamford, Connecticut 06902. Any waiver that is granted, and the basis for granting the waiver, will be publicly communicated as appropriate, including through posting on our website, as soon as practicable. We granted no waivers under our Code of Ethics during the fiscal year ended March 31, 2016. We intend to post any amendments to and any waivers of our Code of Ethics on our website within four business days.

Business Relationships and Related Person Transactions Policy

We have policies and procedures in place regarding referral of related person transactions to our Audit Committee for consideration and approval. Compensation matters involving any related persons are reviewed and approved by our Compensation Committee. Our Chief Financial Officer, in consultation with our outside counsel, is primarily responsible for the development and implementation of processes and controls to obtain information from the directors and executive officers with respect to related person transactions and for determining, based on the relevant facts and circumstances, whether a related person has a direct or indirect material interest in the transaction. Under our policy, transactions that (i) involve directors, director nominees, executive officers, significant shareholders or other “related persons” in which the Company is or will be a participant and (ii) are of the type that must be disclosed under the SEC’s rules must be referred by the Chief Financial Officer, after consultation with our outside counsel, to our Audit Committee for the purpose of determining whether such transactions are in the best interests of the Company. Under our policy, it is the responsibility of the individual directors, director nominees, executive officers and holders of five percent or more of the Company’s common stock to promptly report to our Chief Financial Officer all proposed or existing transactions in which the Company and they, or any related person of theirs, are parties or participants. The Chief Financial Officer (or the Chief Executive Officer, in the event the transaction in question involves the Chief Financial Officer or a related person of the Chief Financial Officer) is then required to furnish to the chairperson of the Audit Committee reports relating to any transaction that, in the Chief Financial Officer’s judgment with advice of outside counsel, may require reporting pursuant to the SEC’s rules or may otherwise be the type of

transaction that should be brought to the attention of the Audit Committee. The Audit Committee considers material facts and circumstances concerning the transaction in question, consults with counsel and other advisors as it deems advisable and makes a determination or recommendation to the Board of Directors and appropriate officers of the Company with respect to the transaction in question. In its review, the Audit Committee considers the nature of the related person's interest in the transaction, the material terms of the transaction, the relative importance of the transaction to the related person, the relative importance of the transaction to the Company and any other matters deemed important or relevant. Upon receipt of the Audit Committee's recommendation, the Board of Directors or officers, excluding in all such instances the related party, take such action as deemed appropriate and necessary in light of their respective responsibilities under applicable laws and regulations.

Board Leadership Structure

The Board recognizes that one of its key responsibilities is to evaluate and determine its optimal leadership structure so as to provide independent oversight of management. The Board believes that, given the dynamic and competitive environment in which we operate, the optimal Board leadership structure may vary as circumstances warrant.

At present, the Board of Directors has chosen to combine the positions of Chief Executive Officer and Chairman of the Board. John Hadjipateras currently acts as Chairman of the Board and Chief Executive Officer of the Company. The Board believes that at this time, the interests of the Company and its shareholders are better served with one person serving in both roles and that the Chief Executive Officer is the person with the necessary experience and support of the other Board members to carry out the role of Chairman in an effective manner. The Board believes it is important that the Company retain the organizational flexibility to determine whether the roles of Chief Executive Officer and Chairman of the Board should be separated or combined. The Board believes the current structure promotes a cohesive leadership structure and a unified direction for the Board and executive management, and also allows for better alignment of strategic development and execution, more effective implementation of strategic initiatives and clearer accountability for success or failure. Moreover, the Board believes that having our Chief Executive Officer serve as Chairman gives management a strong voice on the Board.

Executive Sessions of Independent Directors

As required pursuant to our Corporate Governance Guidelines, independent directors hold an executive session without non-independent directors or management at least twice a year. Our Corporate Governance Guidelines allow for an independent director to be selected to preside over each such executive session. If a presiding director is not chosen to preside at all executive sessions, then the responsibility will rotate quarterly among the chairs of the Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committees. Presently, Mr. Thomas J. Coleman has been chosen to serve as the lead independent director at all executive sessions.

Communications with the Board

A majority of our independent directors has approved procedures with respect to the receipt, review and processing of, and any response to, written communications sent by shareholders and other interested persons to our Board of Directors. Such communications may be addressed to: Dorian LPG Ltd., c/o Dorian LPG (USA) LLC, 27 Signal Road, Stamford, Connecticut 06902. Mail addressed to "Outside Directors" or "Non-Employee Directors" will be forwarded or delivered to the lead independent director, who is presently Mr. Thomas J. Coleman. Mail addressed to the "Board of Directors" will be forwarded or delivered to the Chairman of the Board.

The Secretary of our Company is authorized to open and review any mail or other correspondence received that is addressed to the Board, a committee or any individual director. If, upon opening any correspondence, the Secretary determines that it contains materials unrelated to the business or operations of the Company or to the Board's functions, including magazines, solicitations or advertisements, the contents may be discarded.

Any interested party, including any employee, may make confidential, anonymous submissions regarding questionable accounting or auditing matters or internal accounting controls and may communicate directly with the Chairman of the Board by letter to the above address, marked for the attention of the Chairman of the Board. Any written communication regarding accounting, internal accounting controls or other financial matters are processed in accordance with procedures adopted by the Audit Committee.

The Board's Role in Risk Oversight

Risk assessment and oversight are an integral part of our governance and management processes. The Board encourages management to promote a culture that incorporates risk management into our corporate strategy and day-to-day business operations. Risk management is primarily the responsibility of the Company's management. However, the Board believes that oversight of risk management is one of its fundamental responsibilities. The Audit Committee is primarily responsible for oversight of the quality and integrity of the Company's financial reporting process, internal controls over financial reporting and the Company's compliance programs. The Compensation Committee is responsible for reviewing compensation-related risks. The Nominating and Corporate Governance Committee is responsible for oversight of the Company's corporate governance programs, including the Code of Ethics. Management regularly reports to the Board and its committees on the risks that the Company may face and the steps that management is taking to mitigate those risks.

PROPOSAL 2

TO RATIFY THE SELECTION OF DELOITTE HADJIPAVLOU SOFIANOS & CAMBANIS S.A. AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING MARCH 31, 2017

The Audit Committee has appointed Deloitte Hadjipavlou Sofianos & Cambanis S.A. ("Deloitte") as our independent registered public accounting firm for the year ending March 31, 2017. We have been advised by Deloitte that it is an independent registered public accounting firm with the PCAOB, and complies with the auditing, quality control and independence standards and rules of the PCAOB.

We expect that representatives of Deloitte will not be present at the Annual Meeting, but will be available by phone to respond to questions, and will have the opportunity to make a statement if they desire.

While the Audit Committee retains Deloitte as our independent registered public accounting firm, the Board of Directors is submitting the selection of Deloitte to the shareholders for ratification upon the recommendation to do so by the Audit Committee.

Unless contrary instructions are given, shares represented by proxies solicited by the Board will be voted for the ratification of the selection of Deloitte as our independent registered public accounting firm for the fiscal year ending March 31, 2017. If the selection of Deloitte is not ratified by the shareholders, the Audit Committee will reconsider the matter. Even if the selection of Deloitte is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change is in our best interests. All services rendered by the independent auditors are subject to review by the Audit Committee.

The following table presents fees for professional services rendered by Deloitte for the years ended March 31, 2016 and 2015, respectively. Deloitte did not bill us for other services during those periods.

All other fees ⁽²⁾	2,020	2,020

(2) All other fees in 2016 and 2015 consist of a subscription for accounting research software.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee charter sets forth our policy regarding retention of the independent auditors, giving the Audit Committee responsibility for the appointment, replacement, compensation, evaluation and oversight of the work of the independent auditors. As part of this responsibility, our Audit Committee pre-approves the audit and non-audit services performed by our independent auditors in order to assure that they do not impair the auditor's independence from the Company. The Audit Committee has adopted a policy which sets forth the procedures and the conditions pursuant to which services proposed to be performed by the independent auditors may be pre-approved.

There were no non-audit services provided by our independent registered public accounting firm during the fiscal year ended March 31, 2016.

The Board of Directors recommends that you vote “FOR” approval of Deloitte Hadjipavlou Sofianos & Cambanis S.A. as our independent registered public accounting firm for the year ending March 31, 2017.

The plan allows employees to defer receipt of earned salary, up to tax law limits, on a tax-advantaged basis. Accounts may be invested in a wide range of mutual funds. Up to tax law limits, we provide a 3% of salary safe harbor contribution for U.S. employees.

Pension Benefits

Our Greece-based employees have a statutory required defined benefit pension plan according to provisions of Greek law 4093/2012 covering all eligible employees.

Nonqualified Deferred Compensation

We contribute to retirement accounts for certain United Kingdom-based employees based on a percentage of their annual salaries.

2014 Executive Severance and Change in Control Severance Plan

Except as set forth under “2014 Equity Incentive Plan” above and as provided under our Executive Severance and Change in Control Severance Plan (the “Severance and CIC Plan”), none of our members of senior management, including Mr. Hadjipateras, Mr. Lycouris and Mr. Young, will receive any benefits as a result of change in control.

We adopted our Severance and CIC Plan in June 2014, under which we expect that certain executive officers of the Company and our subsidiaries and affiliates, may be eligible to receive severance benefits in connection with termination by the Company without Cause (as defined below) or termination by such officer for Good Reason (as defined below). Mr. Hadjipateras, Mr. Lycouris and Mr. Young are participants to the Severance and CIC Plan. A dismissed officer may be eligible for additional severance benefits when dismissed during the period within two years following a change in control of the Company, or in certain cases, during the six month period prior to a “Change in Control” (as generally defined under the Equity Incentive Plan with the addition of any transaction the board determines to be a Change in Control).

In the event of termination without Cause or for Good Reason, officers subject to the Severance and CIC Plan will be eligible to receive a lump-sum payment equal to two times the sum of such officer’s base salary plus bonus, a pro rata annual bonus for the year of termination, a cash payment equal to 18 months of COBRA continuation coverage and one year’s outplacement services (not to exceed \$10,000). Should such termination take place within two years following a Change in Control of the Company, or in certain cases, during the six month period prior to a Change in Control (the “CIC Termination Period”), all outstanding equity awards of a terminated officer subject to the Severance and CIC Plan shall vest and the lump-sum payment to the officer will be increased to 2.99 times the sum of the officer’s base salary plus bonus. For the first 2 years following the effective date of the Severance and CIC Plan, a participant shall be entitled to an excise tax gross up for parachute payments under Section 280G of the Internal Revenue Code, provided that if the parachute payments can be reduced by an amount no more than 10% to avoid application of the excise tax, the payments will be so reduced. Following the first 2 years from the effective date, participant will receive payments and pay the excise tax or the payments will be reduced so that no excise tax applies, whatever puts the participant in a better after-tax position. For purposes of the Severance and CIC Plan, “Cause” is generally defined to mean: (i) the willful and continued failure to substantially perform his or her duties, (ii) the willful engaging in illegal conduct or gross misconduct which is demonstrably and materially injurious to the Company or its affiliates, (iii) engaging in conduct or misconduct that materially harms the reputation or financial position of the Company, (iv) the participant (x) obstructs or impedes, (y) endeavors to influence, obstruct or impede or (z) fails to materially cooperate with, an investigation, (v) the participant withholds, removes, conceals, destroys, alters or by other means falsifies any material which is requested in connection with an investigation, (vi) conviction of, or the entering of a plea of nolo contendere to, a felony or (vii) being found liable in any SEC or other civil or criminal securities law action. For purposes of the Severance and CIC Plan, “Good Reason” generally means (A) with respect to the Chief Executive Officer, Chief Financial Officer and Chief Operating Officer, a material diminution in the nature and scope of the participant’s duties, responsibilities or status, (B) a material diminution in current annual base salary or annual performance bonus target opportunities; or (C) an involuntary relocation to a location more than 25 miles from a participant’s principal place of business, provided that, during the CIC Termination Period, “Good Reason” shall mean (A) (1) any material change in the duties, responsibilities or status (including reporting responsibilities); provided, however, that good reason shall not be deemed to occur upon a change in duties, responsibilities (other than reporting responsibilities) or status that is solely and directly a result of the Company no longer being a publicly traded entity or (2) a material and adverse change in titles or offices (including, if applicable, membership on the board); (B) a more than 10% reduction in the participant’s rate of annual base salary or annual performance bonus or equity incentive compensation target opportunities (including any material and adverse change in the formula for such targets) as in effect immediately prior to such change in control; (C)

the failure to continue in effect any employee benefit plan, compensation plan, welfare benefit plan or fringe benefit plan in which the participant is participating immediately prior to such change in control or the taking of any action by the Company, in each case which would materially adversely affect the participant, unless the participant is permitted to participate in other plans providing the participant with materially equivalent benefits in the aggregate; (D) the failure of the Company to obtain the assumption of the Company's obligations under the plan from any successor; (E) an involuntary relocation of the principal place of business to a location more than 25 miles from the principal place of business immediately prior to such change in control; or (F) a material breach by the Company of the terms of an employment agreement.

Shareholders Agreement

Pursuant to the shareholders agreement dated November 26, 2013 (the “Shareholder Agreement”), SeaDor Holdings (which is a wholly-owned subsidiary of SEACOR) and Dorian Holdings LLC (which is owned by Astromar LLC, of which Mr. John Hadjipateras, our Chairman, President, and Chief Executive Officer, is a shareholder and director) have the right, subject to certain terms and conditions, to require us, on up to three separate occasions beginning 180 days following the closing of our IPO, to register under the Securities Act of 1933, as amended, our common shares held by them for offer and sale to the public, including by way of underwritten public offering (provided that each such shareholder shall be entitled to request one additional demand registration to the extent such shareholder has not been included or did not participate in any demand registration). In addition, SeaDor Holdings and Dorian Holdings LLC may require us to make available shelf registration statements permitting sales of shares into the market from time to time over an extended period. SeaDor Holdings and Dorian Holdings LLC also have the ability to exercise certain piggyback registration rights permitting participation in certain registrations of common shares by us. All expenses relating to our registration will be borne by us. On July 10, 2015, the SEC declared effective our registration statement on Form S-3 that permits SeaDor Holdings and Dorian Holdings LLC, or their respective donees, pledgees, transferees or other successors in interest, to offer their shares for resale from time to time pursuant to the Shareholders Agreement.

Registration Rights Agreement

We entered into a registration rights agreement dated June 3, 2014 (the “Registration Rights Agreement”) with Kensico granting Kensico the right, subject to certain terms and conditions, to require us, on up to three separate occasions beginning 180 days following the closing of our IPO, to register under the Securities Act of 1933, as amended, our common shares held by Kensico for offer and sale to the public, including by way of an underwritten public offering. In addition, the registration rights agreement grants Kensico the right to require us to make available shelf registration statements permitting sales of shares into the market from time to time over an extended period, and to exercise certain piggyback registration rights permitting participation in certain registrations of common shares by us. All expenses relating to our registration have been and will be borne by us. On July 10, 2015, the SEC declared effective our registration statement on Form S-3 that permits Kensico to offer its shares for resale from time to time, pursuant to the Registration Rights Agreement.

Management Agreements

As of July 1, 2014, vessel management services and the associated agreements for our fleet were transferred from DHSA and are now provided through our wholly owned subsidiaries Dorian LPG (USA) LLC, Dorian LPG (UK) Ltd. and Dorian LPG Management Corp. Prior to the management transfer, DHSA had

agreements with Eagle Ocean Transport, a company 100% owned by Mr. John Hadjipateras, the Chairman of the Board, our President and our Chief Executive Officer, to provide certain of the vessel management services for our fleet.

In connection with the agreements for the management transfer, Eagle Ocean Transport transferred a certain number of employees and selected assets to our wholly-owned subsidiaries. Eagle Ocean Transport continues to incur related travel costs for certain transitioned employees as well as office-related costs, for which we reimbursed Eagle Ocean Transport \$0.8 million for the fiscal year ended March 31, 2016.

Dorian LPG (USA) LLC and its subsidiaries entered into an agreement with DHSA, retroactive to July 2014, for the provision by Dorian LPG (USA) LLC and its subsidiaries of certain chartering and marine operation services to DHSA, for which income totaling \$0.5 million was earned and included in other income for the year ended March 31, 2016.

As of March 31, 2016, \$0.9 million was due from DHSA and \$0.5 million was due to DHSA.

Helios LPG Pool LLC

On April 1, 2015, Dorian and Phoenix Tankers Pte. Ltd. (“Phoenix”) began operations of Helios LPG Pool LLC (“Helios Pool”) and entered into pool participation agreements for the purpose of establishing and operating, as charterer, under a variable rate time charter to be entered into with owners or disponent owners of very large gas carries (“VLGCs”), a commercial pool of VLGCs whereby revenues and expenses are shared. We hold a 50% interest in the Helios Pool as a joint venture with Phoenix and all significant rights and obligations are equally shared by both parties. All profits of the Helios Pool are distributed to the pool participants based on pool points assigned to each vessel as variable charter hire and, as a result, there are no profits available to the equity investors as a share of equity. We have determined that the Helios Pool is a variable interest entity as it does not have sufficient equity at risk. We do not consolidate the Helios Pool because we are not the primary beneficiary and do not have a controlling financial interest.

As of March 31, 2016, we had receivables from the Helios Pool of \$71.0 million, including \$17.6 million of working capital contributed for the operation of our vessels in the pool. Our maximum exposure to losses from the pool as of March 31, 2016 is limited to the receivables from the pool. The Helios Pool does not have any third-party debt obligations. The Helios Pool has entered into commercial management agreements with each of Dorian LPG (UK) Ltd. and Phoenix as commercial managers and has appointed both commercial managers as the exclusive commercial managers of pool vessels. Fees for commercial management services provided by Dorian LPG (UK) were \$1.4 million for the year ended March 31, 2016. Additionally, we received a fixed reimbursement of expenses such as costs for security guards and war risk insurance for voyages operating high risk areas from the Helios Pool, for which we earned \$1.2 million for the year ended March 31, 2016.

Consulting

Mr. Widdowson served as a director of our Company since its inception until May 1, 2015. Since the formation of our predecessor companies (that is companies that previously owned our initial fleet), Mr. Widdowson also provided certain chartering and commercial services to our Company, its subsidiaries, and the predecessor companies. On May 1, 2015, Mr. Widdowson entered into a consulting agreement that provides for, among other things, an annual fee of \$250,000, payable for services rendered commencing on May 8, 2014. This consulting agreement was amended in June 2016, retroactive to January 1, 2016, and provides for, among other things, an annual fee of \$120,000, payable for services rendered commencing on January 1, 2016. In addition, services to be provided by Mr. Widdowson include serving on the board of Helios LPG Pool LLC. Related to this consulting agreement we expensed \$0.2 million for the year ended March 31, 2016.

Commissions

Orient River Trading Ltd., a company 100% owned by a senior officer of our wholly-owned subsidiary Dorian Management Corp., provided disponent owner services for certain charterers that do not recognize

Marshall Islands vessel-owning subsidiary companies. Commission expenses on voyages utilizing these services amounted to \$0.1 million for the year ended March 31, 2016.

In respect of the year ended March 31, 2016, we paid \$439,000 in salary and cash bonus to Alexander Hadjipateras, a son of Mr. John Hadjipateras, the Chairman of the Board, our President and our Chief Executive Officer, for his service as Executive Vice President of Business Development of Dorian LPG (USA) LLC. In the year ended March 31, 2016, Mr. Peter Hadjipateras was also eligible to participate in all benefit programs generally available to employees and his compensation is commensurate with that of his peers.

In respect of the year ended March 31, 2016, we purchased approximately \$147,000 of artwork for our newbuilding vessels that were delivered during the period, for our Athens, Greece office, and as a gift to Daewoo Shipping and Marine Engineering Ltd shipyard, from Mr. Mark Hadjipateras, the brother of Mr. John Hadjipateras, the Chairman of the Board, our President and our Chief Executive Officer.

For further information regarding our transactions with related parties, please see Note 3 to our audited consolidated financial statements included in our Annual Report on Form 10-K for the fiscal year ended March 31, 2016.
