PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

April 6, 2018

This proxy statement is being sent to you by the Board of Directors (the "Board") of CorEnergy Infrastructure Trust, Inc. (the "Company"). The Board of Directors is asking you to complete and return the enclosed proxy, permitting your shares of the Company to be voted at the annual meeting of stockholders called to be held on May 17, 2018 (the "Annual Meeting"), by the proxy holders designated by the Board of Directors and named therein.

This proxy statement, the proxy and the Company's Annual Report to stockholders for the fiscal year ended December 31, 2017, which includes the information required by Rule 14a-3 of the Securities Exchange Act of 1934, are first being made available to stockholders on or about April 6, 2018.

The Company's reports filed with the Securities and Exchange Commission ("SEC") can be accessed on the Company's website, <http://investors.coreenergy.reit/investors/financial-information>, or on the SEC's website (www.sec.gov). Please note that any information found and/or provided on any web site for which an Internet address is furnished in this proxy statement, other than this proxy statement and the related materials provided at www.proxyvote.com as referenced below, is not part of the Company's proxy soliciting materials and is not incorporated herein by reference.

Notice of Internet Availability of Proxy Materials

The Company uses the SEC notice and access rule that allows it to furnish its proxy materials over the Internet to our stockholders instead of mailing paper copies of those materials to each stockholder. This allows the Company to provide its stockholders with the information they need, while lowering the costs of delivery and reducing the environmental impact of its Annual Meeting. On or about April 6, 2018, the Company mailed a Notice of Internet Availability of Proxy Materials and Notice of Annual Meeting of Stockholders (the "Notice") to its stockholders of record as of March 16, 2018. This Notice is not a proxy and cannot be used to vote your shares. As more fully described in the Notice, all stockholders may choose to access the Company's proxy materials on the website referred to in the Notice (www.proxyvote.com) or may request a printed set of its proxy materials. In addition, the Notice and website provide information regarding how you may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. For those stockholders who previously requested to receive proxy materials in printed form by mail or electronically by email on an ongoing basis, you will receive those materials as you requested.

VOTING AT THE ANNUAL MEETING

Record Date and Outstanding Stock

The Board of Directors has fixed the close of business on March 16, 2018 as the record date (the "Record Date") for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting and at any adjournment thereof as set forth in this proxy statement. As of Record Date, the Company had 11,924,478 shares of its common stock, par value \$0.001 per share (the "Common Stock") issued and outstanding.

Quorum Requirement

The presence, in person or by proxy, of stockholders entitled to cast a majority of the total number of votes entitled to be cast at the Annual Meeting constitutes a quorum. For purposes of determining the presence or absence of a quorum, shares present at the Annual Meeting that are not voted, or abstentions, and broker non-votes (which occur when a broker has not received directions from customers and does not have discretionary authority to vote the customers' shares, as described below) will be treated as shares that are present at the meeting but have not been voted.

If a quorum is not present in person or by proxy at the meeting, or if fewer shares are present in person or by proxy than is the minimum required to take action with respect to any proposal presented at the meeting, the chairman of the meeting or the stockholders entitled to vote at such meeting, present in person or by proxy, have the power to

adjourn the Annual Meeting to a date not more than 120 days after the original Record Date without notice other than announcement at the meeting.

How Proxies Will Be Voted

All proxies solicited by the Board of Directors of the Company that are properly executed and received prior to the meeting, and that are not revoked, will be voted at the meeting. Shares represented by those proxies will be voted in accordance with the instructions marked on the proxy. If no instructions are specified, shares will be counted as a vote **FOR** the proposals described in this proxy statement.

How to Vote Your Shares

You may vote your shares the Annual Meeting:

- Via the Internet at <http://www.proxyvote.com>;
- By telephone at 1-800-690-6903;
- For shareholders who request a paper copy, by completing and signing the enclosed proxy card (your ballot); and
- You may also vote in person if you are able to attend the Annual Meeting.

Votes Required for Approval; No Dissenters' Rights

Assuming the presence of a quorum, the vote required to approve each of the proposals at the Annual Meeting is as follows:

- The affirmative vote of a majority of the votes cast by the holders of shares of Common Stock present or represented at the Annual Meeting is required for the election of the Board of Directors' single nominee for election as a director at this year's Annual Meeting under Proposal 1.
- The affirmative vote of a majority of the votes cast by the holders of shares of Common Stock present or represented at the Annual Meeting is required for approval of Proposal 2, ratification of the selection of Ernst & Young LLP as the Company's independent registered public accounting firm to audit the accounts of the Company for the fiscal year ending December 31, 2018.

Each share of Common Stock is entitled to one vote with respect to those matters upon which such share is to be voted. No cumulative voting rights are authorized and dissenters' rights are not applicable to any of these matters.

As further described below under PROPOSAL ONE - Election of Directors, the Company's Bylaws were amended in 2017 to implement a majority voting standard, which provides that a director who is nominated in an uncontested election, and who does not receive a greater number of votes in favor of his or her election than votes against such election, is required to immediately tender his or her resignation to the Board of Directors for consideration.

Special Notice Regarding Shares Held in Broker Accounts

Under New York Stock Exchange ("NYSE") Rule 452, NYSE member organizations are prohibited from giving a proxy to vote with respect to "non-routine" matters such as (i) an election of directors, (ii) any proposal related to executive compensation (including any stockholder advisory votes on the approval of executive compensation) or (iii) an authorization to implement an equity compensation plan, or any material revision to the terms of any existing equity compensation plan, without receiving voting instructions from a beneficial owner. Therefore, brokers will not be entitled to vote shares at the Annual Meeting with respect to Proposal 1 without instructions by the beneficial owner of the shares. ***Beneficial owners of shares held in broker accounts are advised that, if they do not provide instructions to their broker in a timely manner, their shares will not be voted in connection with the election of directors (Proposal 1).*** Conversely, NYSE Rule 452 permits brokers, on certain routine matters, to exercise their discretion in voting shares they hold in "street name" on behalf of beneficial owners who have not returned voting instructions to the brokers. Routine matters include the ratification of the selection of the independent registered public accountants (Proposal 2).

In instances—such as voting on Proposal 1 at the Annual Meeting—where brokers are prohibited from exercising discretionary authority (so-called "broker non-votes"), the shares for which they have not received voting instructions

are counted as present for the purpose of determining whether or not a quorum exists at the Annual Meeting, but are not included in the vote totals. Because broker non-votes are not included in the vote, they - like abstentions - are not counted as votes cast "for" or "against" a proposal. Accordingly, assuming the presence of a quorum at the Annual Meeting, abstentions and broker non-votes will have no effect on the election of any nominee for director under Proposal 1, since each nominee will be elected if the number of votes cast "for" his or her election exceeds the number of votes cast "against" such election. Broker non-votes do not occur on "routine" matters such as Proposal 2, but abstentions also will have no effect on the ratification of the selection of the independent registered public accountants under Proposal 2.

Revoking a Proxy; Voting at the Annual Meeting

You may revoke your proxy at any time by: (i) sending prior to the Annual Meeting a letter stating that you are revoking your proxy to the Secretary of the Company at the Company's offices located at 1100 Walnut Street, Suite 3350, Kansas City, Missouri 64106; (ii) properly executing and sending, prior to the Annual Meeting, a later dated proxy; or (iii) attending the Annual Meeting, requesting return of any previously delivered proxy, and voting in person.

Attendance at the Annual Meeting will not cause your previously signed proxy to be revoked unless you specifically so request. Please note that if your shares are held of record in the name of a bank, broker or other nominee and you wish to vote in person at the Annual Meeting, you must obtain a legal proxy, executed in your favor, from the holder of record. You should allow yourself enough time prior to the Annual Meeting to obtain this proxy from the holder of record.

Expenses and Solicitation of Proxies

The expenses of preparing, printing and mailing the Notice and the proxy card, the accompanying notice and this proxy statement (as requested) and all other costs in connection with the initial solicitation and voting of proxies will be borne by the Company. The Company may also reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of shares of the Company. In order to obtain the necessary quorum at the Annual Meeting, additional solicitation may be made by mail, telephone, telegraph, facsimile, e-mail or personal interview by representatives of the Company, by the Company's external manager, Corridor InfraTrust Management, LLC ("Corridor"), by the Company's transfer agent, by brokers or their representatives. The Company will not pay any representatives of the Company or Corridor any additional compensation for their efforts to supplement proxy solicitation.

PROPOSAL ONE

Election of Directors

The Board of Directors of the Company unanimously nominated David J. Schulte following a recommendation by the Corporate Governance Committee of the Company, for election as a director at the Annual Meeting. Mr. Schulte, who is being nominated for re-election, is the Company's President and Chief Executive Officer as well as a director and his present term expires in 2018. Mr. Schulte currently serves as a member of the Company's Investment Committee and Executive Committee. Mr. Schulte has consented to be named in this proxy statement and has agreed to serve if elected. The Company has no reason to believe that Mr. Schulte will be unavailable to serve.

Mr. Charles E. Heath, who is currently the Chair of the Corporate Governance Committee and a member of the Investment Committee and Executive Committee will not be standing for re-election. He will retire from the Board on May 17, 2018 at the end of his current term, in accordance with the Company's Third Amended and Restated Bylaws ("Bylaws") that require retirement from the Board at the annual meeting after the director reaches age 75. Following his retirement, Mr. Heath will continue to serve as an advisor to the Board.

The persons named on the accompanying proxy card intend to vote at the meeting (unless otherwise directed) **"FOR"** the election of Mr. Schulte as a director of the Company. Currently, the Company has seven directors, five of whom (the "Independent Directors") are "independent" as defined under the New York Stock Exchange listing standards. In accordance with the Company's Articles of Incorporation, its Board of Directors is divided into three classes of approximately equal size. The current terms of the directors of the different classes are staggered. The terms of Catherine A. Lewis and Richard C. Green expire on the date of the 2019 annual meeting of stockholders, and the terms of Conrad S. Ciccotello, Barrett Brady and Todd E. Banks expire on the date of the 2020 annual meeting of stockholders.

The Board of Directors has nominated Mr. Schulte for election to a term of service as a director that will expire at the 2021 annual meeting of stockholders, and until his successor is duly elected and qualified. If Mr. Schulte is unable to serve because of an event not now anticipated, the persons named as proxies may vote for another person designated by the Company's Board of Directors.

In accordance with the Company's Bylaws, each share of the Company's Common Stock may be voted for as many individuals as there are directors to be elected. Thus, each common share is entitled to one vote in the election of Mr. Schulte. Stockholders do not have cumulative voting rights. In 2017, the Company's amendments to its Bylaws included the addition of a majority voting standard for directors in uncontested elections, in place of the prior provision allowing for the election of directors by plurality vote in all cases. The amendment also requires any incumbent director nominee who does not receive a majority of the votes cast in uncontested elections to tender his or her resignation in writing to the Board promptly after the certification of the election results. The Corporate Governance Committee of the Board will review and make a recommendation to the Board as to whether such resignation should be accepted or rejected, and the Board (or the Corporate Governance Committee, in the event no director receives a majority vote) will review and take action on such recommendation within 90 days of the certification of the election results. The Company will publicly disclose the Board's determination regarding any such tendered resignation and the rationale behind its decision in a filing with the SEC. The plurality vote standard will continue to apply to the election of directors in contested elections.

The following table sets forth each Board member's name, age and address, position(s) with the Company and length of time served, principal occupation during the past five years, and other public company directorships held by each Board member. Unless otherwise indicated, the address of each director is 1100 Walnut Street, Suite 3350, Kansas City, Missouri 64106.

⁴ Mr. Ciccotello serves on the Audit Committee of the Tortoise Funds' board.

Each director was selected to join the Company's Board of Directors based upon their character and integrity, and their willingness and ability to serve and commit the time necessary to perform the duties of a director. In addition, as to each director other than Mr. Schulte and Mr. Green, their status as an Independent Director, and, as appropriate, their service as a director for the Tortoise Funds, and, as to Mr. Schulte and Mr. Green, their roles with Corridor, were an important factor in their selection as a director. No factor was by itself controlling.

In addition to the information provided in the table above, each director possesses the following attributes: Mr. Brady, executive and leadership roles with public real estate companies; Ms. Lewis, executive and leadership experience in public accounting, and tax expertise in the energy sector; Mr. Heath, executive leadership and business experience; Mr. Ciccotello, experience as a college professor, a Ph.D. in finance and knowledge of energy infrastructure MLPs; Mr. Schulte, executive and leadership roles with the Tortoise Funds and Corridor; Mr. Green, executive and leadership roles with public energy companies and Corridor; and Mr. Banks, knowledge of energy operating companies and asset management experience.

Pursuant to the requirements of Section 303A.02(a) of the NYSE Listed Company Manual, our Board of Directors has reviewed whether any director has any relationship with the Company's independent auditors that would preclude independence under SEC and NYSE rules, or any material relationship with the Company (either directly or as a partner, member, shareholder or officer of an organization that has a relationship with the Company) which could (directly or indirectly) materially impact the ability of such director or nominee to exert his or her independent judgment and analysis as a member of the Board. As a result of this review, the Board affirmatively determined that five of the Company's seven current directors, were independent under the applicable standards of the SEC and NYSE. Mr. Green and Mr. Schulte, our Executive Chairman of the Board and our Chief Executive Officer and President, respectively, were not deemed independent. In making the independence determinations with respect to the other five directors, the Board considered the fact that Mr. Ciccotello and Mr. Heath are each directors of the Tortoise Funds, as described above. The Company is externally managed by Corridor, a former affiliate of Tortoise Capital Advisors, L.L.C. ("TCA"), a registered investment adviser. TCA provides investment advisory and management services to the Tortoise Funds, and our Board of Directors does not believe that such relationship interferes in any way with the independence of Mr. Ciccotello and Mr. Heath as directors of the Company.

Mr. Green serves as Executive Chairman of the Board of Directors. The appointment of Mr. Green as Executive Chairman reflects the Board of Directors' belief that his experience, familiarity with the Company's day-to-day operations and access to individuals with responsibility for the Company's management and operations provides the Board of Directors with insight into the Company's business and activities and, with his access to appropriate administrative support, facilitates the efficient development of meeting agendas that address the Company's business, legal and other needs and the orderly conduct of meetings of the Board of Directors. Mr. Heath served as Lead Independent Director through December 31, 2017. Effective January 1, 2018, Mr. Brady succeeded Mr. Heath as Lead Independent Director, in light of Mr. Heath's pending retirement following the 2018 Annual Meeting. The Lead Independent Director, among other things, chairs executive sessions of the four directors who are Independent Directors, serves as a spokesperson for the Independent Directors and serves as a liaison between the Independent Directors and the Company's management. The Independent Directors regularly meet outside the presence of management and are advised by legal counsel. The Board of Directors also has determined that its leadership structure, as described above, is appropriate in light of the Company's size and complexity, the number of Independent Directors and the Board of Directors' general oversight responsibility. The Board of Directors also believes that its leadership structure not only facilitates the orderly and efficient flow of information to the Independent Directors from management, but also enhances the independent and orderly exercise of its responsibilities.

2017 Committee Actions: 4 meetings	
Governing Document: Corporate Governance Committee Charter, as amended effective July 30, 2014	<p>The Corporate Governance Committee will consider stockholder recommendations for nominees for membership to the Board of Directors so long as such recommendations are made in accordance with the Company's Bylaws. Nominees recommended by stockholders in compliance with the Bylaws of the Company will be evaluated on the same basis as other nominees considered by the Corporate Governance Committee. Stockholders should see "Stockholder Proposals and Nominations for the 2018 Annual Meeting" below for information relating to the submission by stockholders of nominees and matters for consideration at a meeting of the Company's stockholders. The Company's Bylaws require all directors and nominees for directors, at the time of their nomination (i) to be at least 21, but less than 75, years of age and have substantial expertise, experience or relationships relevant to the business of the Company or (ii) to be a current director of the Company who has not reached 75 years of age. The Corporate Governance Committee has the sole discretion to determine if an individual satisfies the foregoing qualifications. The Corporate Governance Committee also considers the broad background of each individual nominee for director, including how such individual would impact the diversity of the Board, but does not have a formal policy regarding consideration of diversity in identifying nominees for director.</p> <p>The Board of Directors has determined that each member of the Corporate Governance Committee is "independent" as defined under the applicable New York Stock Exchange listing standards. On August 7, 2013, the Nominating, Corporate Governance and Compensation Committee was renamed the Corporate Governance Committee. In 2013, the Board of Directors authorized the elimination of the Compliance Committee in order to streamline committee responsibilities due to the overlap between the prior Compliance Committee charter and the prior Corporate Governance Committee charter. The Corporate Governance Committee has assumed all responsibilities previously held by the Compliance Committee, including: the review and assessment of management's compliance with applicable securities laws, rules and regulations; monitoring compliance with the Company's Code of Ethics and Business Conduct; and handling other matters as the Board of Directors or committee chair deems appropriate.</p>

The Investment Committee

Members: David J. Schulte (Chair) Barrett Brady Todd E. Banks Conrad S. Ciccotello Richard C. Green Charles E. Heath Catherine A. Lewis	The Company's Investment Committee is responsible for providing oversight and approval relating to the acquisition and long-term management of real property assets meeting applicable criteria, in accordance with the Company's investment guidelines and procedures.
2017 Committee Actions: 5 meetings	

Copies of each of the committee charter documents referenced above, as approved and adopted by the Board of Directors, are available on the Company's website, <http://investors.coreenergy.reit/investors/corporate-governance>, and in print to any stockholder by written request directed to the Secretary of the Company at 1100 Walnut Street, Suite 3350, Kansas City, Missouri 64106.

The Company's Board of Directors met eleven times during 2017. Each director attended more than 75% of the aggregate of (i) the total number of Board meetings and (ii) the total number of meetings of Board committees on which the director served at the time during 2017. The Company does not have a policy with respect to Board member attendance at annual meetings. All of the directors of the Company except Todd Banks attended the Company's 2017 annual meeting.

Risk Management. The Board of Directors' role in the Company's risk oversight reflects its responsibility under applicable state law to oversee generally, rather than to manage, the Company's operations. In line with this oversight

responsibility, the Board of Directors will receive reports and make inquiry at its regular meetings and as needed regarding the nature and extent of significant risks (including compliance and valuation risks) that potentially could have a materially adverse impact on the Company's business operations, performance or reputation, but relies upon the Company's management to assist it in identifying and understanding the nature and extent of such risks and determining whether, and to what extent, such risks may be eliminated or mitigated. In addition to reports and other information received from the Company's management regarding its operations and activities, the Board of Directors, as part of its risk oversight efforts, will meet at its regular meetings and as needed with Corridor's management to discuss, among other things, risk issues and related issues regarding the Company's policies, procedures and controls. The Board of Directors may be assisted in performing aspects of its role in risk oversight by the Audit Committee and such other standing or special committees as may be established from time to time. For example, the Audit Committee will regularly meet with the Company's independent public accounting firm to review, among other things, reports on internal controls for financial reporting.

The Board of Directors believes that not all risks that may affect us can be identified, that it may not be practical or cost-effective to eliminate or mitigate certain risks, that it may be necessary to bear certain risks to achieve the Company's goals and objectives, and that the processes, procedures and controls employed to address certain risks may be limited in their effectiveness. Moreover, reports received by the directors as to risk management matters are typically summaries of relevant information and may be inaccurate or incomplete. As a result of the foregoing and other factors, the risk management oversight of the Board of Directors is subject to substantial limitations.

Executive Sessions; Communicating With the Board. Mr. Heath, in his capacity as Lead Independent Director, served as the presiding director at all executive sessions of the Company's independent directors through December 31, 2017. Effective January 1, 2018, Mr. Brady succeeded Mr. Heath as Lead Independent Director and will preside at these executive sessions going forward. Executive sessions of the Company's independent directors are held at least twice a year. Stockholders and any interested parties may communicate directly with the Lead Independent Director, or with the independent directors as a group, by following the procedure described below under "Stockholder Communications."

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

As described above, the Company's Corporate Governance Committee, consisting of Charles E. Heath (Chair), Barrett Brady and Conrad S. Ciccotello, oversees the compensation of our Independent Directors. We do not compensate our non-independent directors or any of our other officers, and as we are externally managed, we have no employees at the corporate level.

None of the members of the Company's Corporate Governance Committee are or have been officers or employees of the Company or any of its subsidiaries. During the Company's last completed fiscal year: (i) no executive officer of the Company served as a member of the compensation committee (or equivalent) of another entity, one of whose executive officers served on the Corporate Governance Committee; (ii) no executive officer of the Company served as a director of another entity, one of whose executive officers served on the Corporate Governance Committee; and (iii) no executive officer of the Company served as a member of the compensation committee (or equivalent) of another entity, one of whose executive officers served as a director of the Company.

Director Compensation Table

As we are externally managed by Corridor, we have no employees at the corporate level, and we do not compensate Mr. Green or Mr. Schulte for their service as directors. Each of our officers is an employee of Corridor or one of its affiliates. Corridor is not obligated to dedicate certain of its employees exclusively to us, nor are it or its employees obligated to dedicate any specific portion of its or their time to our business. As described below under the heading “Certain Relationships and Related Party Transactions,” we pay a management fee and certain other fees to Corridor, which it uses in part to pay compensation to its officers and employees who, notwithstanding that certain of them also are our officers, receive no cash compensation directly from us.

The following table sets forth certain information with respect to the compensation paid by the Company to each of our independent directors for their services as a director during fiscal 2017. The Company does not have any retirement or pension plans, except for the Roth 401(k) plan for the employees of its subsidiary Omega Pipeline, LLC and the 401(k) plan for the employees of its subsidiary MoGas Pipeline, LLC.

Required Vote

Mr. Schulte will be elected by the vote of a majority of the votes cast by the holders of all shares of Common Stock of the Company present at the meeting, in person or by proxy. This means that the number of shares voted "for" a director nominee must exceed the number of votes "against" that nominee. Since abstentions and broker non-votes, if any, do not count as votes "for" or "against" a nominee, they will have no effect on a nominee's achievement of a majority. Each common share is entitled to one vote in the election of Mr. Schulte.

BOARD RECOMMENDATION

The Board of Directors of the Company unanimously recommends stockholders of the Company vote “FOR” Mr. Schulte as a director.

PROPOSAL TWO

Ratification of Selection of Independent Registered Public Accounting Firm

The Board of Directors of the Company recommends that the stockholders of the Company ratify the selection of Ernst & Young LLP (“E&Y”) as the Company’s independent registered public accounting firm, to audit the accounts of the Company for the fiscal year ending December 31, 2018. E&Y’s selection was approved by the Company’s Audit Committee and was also ratified and approved by the Board of Directors of the Company, including all of the Independent Directors.

E&Y has audited the financial statements of the Company since the Company’s commencement of operations on December 8, 2005, and does not have any direct financial interest or any material indirect financial interest in the Company. A representative of E&Y is expected to be available at the Annual Meeting, to have the opportunity to make a statement and respond to appropriate questions from the stockholders. The Company’s Audit Committee intends to meet quarterly with representatives of E&Y to discuss the scope of their engagement, review the financial statements of the Company and the results of their examination.

Required Vote

E&Y will be ratified as the Company’s independent registered public accounting firm by the affirmative vote of a majority of the votes cast, in person or by proxy, at the meeting by the holders of Common Stock. Each common share is entitled to one vote on this proposal. For the purposes of the vote on this proposal, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote.

BOARD RECOMMENDATION

The Board of Directors of the Company unanimously recommends that stockholders of the Company vote “FOR” the ratification of Ernst & Young LLP as the Company’s Independent Registered Public Accounting Firm.

AUDIT COMMITTEE REPORT

The Audit Committee of the Company reviews the Company’s annual financial statements with both management and the Company’s independent auditors and assists with implementation of the Company’s valuation procedures.

The Audit Committee of the Company, in discharging its duties, has met with and has held discussions with management and the Company’s independent auditors. The Audit Committee has reviewed and discussed the Company’s audited financial statements for the fiscal year ended December 31, 2017 with management of the Company. Management of the Company has represented to the independent auditors of the Company and to the Audit Committee that the Company’s financial statements were prepared in accordance with U.S. generally accepted accounting principles.

The Audit Committee has also discussed with the independent auditors of the Company the matters required to be discussed by Auditing Standard No. 1301, Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board. The independent auditors of the Company provided to the Audit Committee the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors’ communications with the Audit Committee concerning independence, and the Audit Committee discussed with representatives of the independent auditors of the Company their firm’s independence with respect to the Company.

Based on the Audit Committee’s review and discussions with management and the independent auditors referred to above, and the representations of management and the reports of the independent auditors to the committee, the Audit Committee recommended that the Board include the audited financial statements of the Company in its Annual Report on Form 10-K for the fiscal year ended December 31, 2017 for filing with the SEC.

E&Y is registered with the Public Company Accounting Oversight Board.

The Chairman of the Audit Committee of the Company may grant the pre-approval of any engagement of the independent registered public accounting firm for non-audit services of less than \$10,000, and such delegated pre-approvals will be presented to the full Audit Committee at its next meeting for ratification. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors and officers and persons who own more than 10% of a registered class of the Company's equity securities to file forms reporting their affiliation with the Company and reports of ownership and changes in ownership of the Company's shares with the SEC and the New York Stock Exchange. Those persons and entities are required by SEC regulations to furnish the applicable Company with copies of all Section 16(a) forms they file. Based on a review of those forms furnished to it, the Company believes that its directors and officers have complied with all applicable Section 16(a) filing requirements during the last fiscal year, except for the following late filings by the following persons: Conrad S. Ciccotello (2 reports covering 2 transactions), Charles E. Heath (2 reports covering 2 transactions), Catherine A. Lewis (2 reports covering 2 transactions), Barrett Brady (2 reports covering 2 transactions) and Richard C. Green (1 reporting covering 1 transaction).

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

The Company has written policies and procedures in place for the review, approval and monitoring of transactions involving the Company and certain persons related to the Company. The Company has written procedures which prohibit certain transactions with affiliates of the Company and require board approval of certain transactions with affiliated persons of the Company.

The Company is managed by Corridor, an asset manager specializing in financing the acquisition or development of infrastructure real property assets. Corridor is located at 1100 Walnut Street, Suite 3350, Kansas City, Missouri 64106. Under our Management Agreement, Corridor (i) presents us with suitable acquisition opportunities consistent with our investment policies and our objectives, (ii) is responsible for our day-to-day operations and (iii) performs such services and activities relating to our assets and operations as may be appropriate. The Management Agreement does not have a specific term, and will remain in place unless terminated by the Company or Corridor in the manner permitted pursuant to the agreement.

The terms of the Management Agreement include a quarterly management fee equal to 0.25 percent (1.00 percent annualized) of the value of the Company's Managed Assets as of the end of each quarter. For purposes of the Management Agreement, "Managed Assets" means the total assets of the Company (including any securities receivables, other personal property or real property purchased with or attributable to any borrowed funds) minus (A) the initial invested value of all non-controlling interests, (B) the value of any hedged derivative assets, (C) any prepaid expenses, and (D) all of the accrued liabilities other than (1) deferred taxes and (2) debt entered into for the purpose of leverage. For purposes of the definition of Managed Assets, the Company's securities portfolio will be valued at then-current market value. For purposes of the definition of Managed Assets, other personal property and real property assets will include real and other personal property owned and the assets of the Company invested, directly or indirectly, in equity interests in or loans secured by real estate or personal property (including acquisition-related costs and acquisition costs that may be allocated to intangibles or are unallocated), valued at the aggregate historical cost, before reserves for depreciation, amortization, impairment charges or bad debts or other similar noncash reserves.

Corridor voluntarily recommended, and the Company agreed, that effective solely for the purpose of computing the value of Managed Assets in calculating the quarterly management fee under the terms of the Management Agreement for the quarter ended December 31, 2017, Managed Assets would not be impacted by the acquisition of the remaining 18.95 percent equity interest in Pinedale LP, which occurred on December 29, 2017.

The Management Agreement includes a quarterly incentive fee of 10 percent of the increase in distributions paid over a threshold distribution equal to \$0.625 per share per quarter. The Management Agreement also requires at least half of any incentive fees to be reinvested in our common stock. Corridor voluntarily recommended, and we agreed, that they would waive \$100 thousand of the \$595 thousand total quarterly incentive fees that would otherwise have been payable under the provisions described above with respect to dividends paid on our common stock during the year ended December 31, 2017. Accordingly, Corridor received an incentive fee of \$495 thousand during the year.

Under our Administrative Agreement, Corridor, as our administrator, performs (or oversees or arranges for the performance of) the administrative services necessary for our operation, including without limitation providing us with equipment, clerical, bookkeeping and record keeping services. For these services we pay our administrator a fee equal to 0.04 percent of our aggregate average daily Managed Assets, with a minimum annual fee of \$30 thousand.

Pursuant to the Management and Administrative Agreements, Corridor furnishes us with office facilities and clerical and administrative services necessary for our operation (other than services provided by our custodian, accounting agent, administrator, dividend and interest paying agent and other service providers). HOUSEHOLDING OF PROXY MATERIALS

If you and other residents at your mailing address own Common Stock in street name, your broker or bank may have sent you a notice that your household will receive only one Notice of Internet Availability of Proxy Materials or one annual report and proxy statement (together, "proxy materials") in the event you elected to receive paper copies of proxy materials. If the foregoing procedures apply to you, your broker has sent one copy of our Notice (or proxy materials, if requested) to your address. If you wish to revoke your consent to householding, or to request householding if you are receiving multiple copies of our Notices (or multiple copies of proxy materials, if applicable), you must contact your broker, bank or other nominee.

STOCKHOLDER PROPOSALS AND NOMINATIONS FOR THE 2019 ANNUAL MEETING

Method for Including Proposals in the Company's Proxy Statement. Under the rules of the SEC, if you want to have a proposal included in the Company's proxy statement for its next annual meeting of stockholders, that proposal must be received by the Secretary of the Company at 1100 Walnut Street, Suite 3350, Kansas City, Missouri 64106, not later than 5:00 p.m., Central Time on December 7, 2018. Such proposal must comply with all applicable requirements of Rule 14a-8 of the Exchange Act. Timely submission of a proposal does not mean the proposal will be included in the proxy material sent to stockholders.

Other Proposals and Nominations. If you want to nominate a director or have other business considered at the Company's next annual meeting of stockholders but do not want those items included in its proxy statement, you must comply with the advance notice provision of the Company's Bylaws. Under the Company's Bylaws, nominations for director or other business proposals to be addressed at the Company's next annual meeting may be made by a stockholder who has delivered a notice to the Secretary of the Company at 1100 Walnut Street, Suite 3350, Kansas City, Missouri 64106, at least 120 days (e.g., 5:00 P.M. Central Time on December 7, 2018), but no more than 150 days (e.g., 5:00 P.M. Central Time on November 7, 2018), prior to the anniversary of the date of mailing for the Notice of this year's Annual Meeting (April 6, 2018); however, if we hold our 2019 Annual Meeting more than 30 days before or after the anniversary date of this year's Annual Meeting (May 17, 2018), we must receive the notice not earlier than the 150th day prior to the annual meeting date, and not later than the 120th day prior to the annual meeting date or the tenth day following the date on which we first publicly announce the date of the 2019 Annual Meeting, whichever occurs later. The stockholder must satisfy certain requirements set forth in the Company's Bylaws, including ownership of at least one (1%) of the Company's outstanding shares for a minimum period of at least three years prior to the date of such proposal or nomination and through the date of the related annual meeting and the notice must contain specific information required by the Company's Bylaws. With respect to nominees for director, the notice must include, among other things, the name, age, business address and residence address of any nominee for director, certain information regarding such person's ownership of Company shares, and all other information relating to the nominee as is required to be disclosed in solicitations of proxies in an election contest or as otherwise required by Regulation 14A under the Exchange Act. With respect to other business to be brought before the meeting, a notice must include, among other things, a description of the business and any material interest in such business by the stockholder and certain associated persons proposing the business. Any stockholder wishing to make a proposal should carefully read and review the applicable Company's Bylaws. A copy of the Company's Bylaws may be obtained by contacting the Secretary of the Company at 877-699-CORR (2677) or by writing the Secretary of the Company at 1100 Walnut Street, Suite 3350, Kansas City, Missouri 64106. Timely submission of a proposal does not mean the proposal will be allowed to be brought before the meeting.

These advance notice provisions are in addition to, and separate from, the requirements that a stockholder must meet in order to have a proposal included in the Company's proxy statement under the rules of the SEC.

A proxy granted by a stockholder will give discretionary authority to the proxies to vote on any matters introduced pursuant to the above advance notice Bylaw provisions, subject to applicable rules of the SEC.
