

## Cost Basis Calculator

As a helpful service to our shareowners, we are providing a link to the NetBasis Cost Basis system. For a fee, this tool will calculate the cost basis of your Rockwell Automation, Inc. common stock, adjusted for any corporate actions or dividend reinvestments. You will need to provide some basic information such as the dates you purchased/acquired/sold your shares and the number of shares acquired and/or sold on those dates.

If you have any questions about using NetBasis, you can call their Customer Care Call Center at 1-888-80-BASIS (1-888-802-2747) or use the Live Web Chat service once you have logged on to the NetBasis system.
