

Volaris announces adjustments to its capacity for the month of June 2020

Mexico City, Mexico. May 29, 2020 – Volaris* (NYSE: VLRS and BMV: VOLAR), announces adjustments to its capacity as a result of the health emergency generated by the pandemic of the virus SARS-CoV2 (COVID-19).

During the month of June 2020, Volaris will decrease capacity as measured by available seat miles (ASMs) by approximately 2/3 (two thirds) of its total operation versus the originally published schedule.

Volaris has implemented new biosecurity and preventive measures, for the safety and well-being of its passengers, crews and ground personnel.

The information included does not provide information on the company's future performance. Volaris' future performance depends on many factors and it cannot be inferred that any period's performance or its comparison year over year will be an indicator of a similar performance in the future.
