BYLAWS
OF
DOWDUPONT INC.**

Incorporated Under The Laws of Delaware

EFFECTIVE AS OF MARCH 8, 2018

ARTICLE I

CAPITAL STOCK

- 1.1 **Certificates.** Shares of the capital stock of DOWDUPONT INC., (the “Company”) may be certificated or uncertificated in accordance with the General Corporation Law of the State of Delaware; provided, that, commencing on or prior to the date of these Bylaws, the shares of common stock, par value \$0.01 per share, of the Company shall be uncertificated, as provided by resolutions adopted by the Board of Directors of the Company (the “Board of Directors” or “Board”). To the extent any certificates are ever issued with respect to any class or series of a class of capital stock of the Company, every holder of stock represented by certificates shall be entitled to have a certificate, in such form as may be prescribed by law and the Board of Directors, signed in the name of the Company by the Executive Chairman of the Board of Directors (the “Executive Chairman”) or the Chief Executive Officer or an Executive Vice President, and by the Treasurer or an Assistant Treasurer or the Secretary or an Assistant Secretary of the Company, representing the number of shares registered in certificate form held by such holder. Any or all the signatures on a certificate may be a facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Company with the same effect as if such person were such officer, transfer agent or registrar at the date of issue.
- 1.2 **Record Ownership.** A record of the name and address of the holder of each certificate, the number of shares represented thereby and the date of issue thereof shall be made on the Company’s books. The Company shall be entitled to treat the holder of record of any share of stock as the holder in fact thereof, and accordingly shall not be bound to recognize any equitable or other claim to or interest in any share on the part of any other person, whether or not it shall have express or other notice thereof, except as required by the laws of the State of Delaware. If certificated, the certificates of each class or series of a class of stock shall be numbered consecutively.
- 1.3 **Transfer of Record Ownership.** Subject to applicable laws, transfers of shares of stock of the Company shall be made on the books of the Company only by direction of the registered holder thereof or such person’s attorney, lawfully constituted in writing, and, if such shares are represented by a certificate, only upon the surrender to the Company or its transfer agent or other designated agent of the certificate representing such shares properly endorsed or accompanied by a properly executed written assignment of the shares evidenced thereby, which certificate shall be canceled before a new certificate or uncertificated shares are issued.
- 1.4 **Lost Certificates.** Any person claiming a stock certificate in lieu of one lost, stolen or destroyed shall give the Company an affidavit as to such person’s ownership of the certificate and of the facts which go to prove its loss, theft or destruction. Such person shall also, if required by policies adopted by the Board of Directors, give the Company a bond, in such form as may be approved by the General Counsel or his or her staff, sufficient to indemnify the Company against any claim that may be made against it on

account of the alleged loss of the certificate or the issuance of a new certificate or of uncertificated shares.

- 1.5 **Transfer Agents; Registrars; Rules Respecting Certificates.** The Board of Directors may appoint, or authorize any officer or officers to appoint, one or more transfer agents and one or more registrars. The Board of Directors may make such further rules and regulations as it may deem expedient concerning the issue, transfer and registration of shares of stock of the Company.
- 1.6 **Record Date.** The Board of Directors may fix in advance a date, not more than sixty (60) days or less than ten (10) days preceding the date of an annual or special meeting of stockholders and not more than sixty (60) days preceding the date of payment of a dividend or other distribution, allotment of rights or the date when any change, conversion or exchange of capital stock shall go into effect or for the purpose of any other lawful action, as the record date for determination of the stockholders entitled to notice of and to vote at any such meeting and any adjournment thereof, or to receive any such dividend or other distribution or allotment of rights, or to exercise the rights in respect of any such change, conversion or exchange of capital stock, or to participate in any such other lawful action. Such stockholders and only such stockholders as shall be stockholders of record on the date so fixed shall be entitled to such notice of and to vote at such meeting and any adjournment thereof, or to receive such dividend or other distribution or allotment of rights, or to exercise such rights, or to participate in any such other lawful action, as the case may be, notwithstanding any transfer of any stock on the books of the Company after any such record date fixed as aforesaid.

ARTICLE II

MEETINGS OF STOCKHOLDERS

- 2.1 **Annual Meeting.** The annual meeting of stockholders for the election of Directors and the transaction of such other business as may properly be brought before the meeting shall be held annually on a date and at a time and place, within or without Delaware, as determined by the Board of Directors. The Executive Chairman or the Chief Executive Officer each may postpone, reschedule or adjourn any previously scheduled annual meeting of stockholders.
- 2.2 **Special Meetings.**
- (a) Purpose. Special meetings of stockholders for any purpose or purposes (i) may be called by the Board of Directors, pursuant to a resolution adopted by a majority of the entire Board of Directors upon motion of a Director, and (ii) shall be called by the Executive Chairman or the Secretary of the Company upon a written request from stockholders satisfying the ownership requirements as set forth in the Certificate of Incorporation that complies with the procedures for calling a special meeting of stockholders as set forth in these Bylaws. Any such request by stockholders shall (A) be delivered to, or mailed to and received by, the Secretary of the Company at the Company's principal executive offices, (B) be signed by

each stockholder, or a duly authorized agent of such stockholder, requesting the special meeting, (C) set forth the purpose or purposes of the meeting and (D) include the information required by Section 2.9 as applicable, and a representation by the stockholder(s) that within five (5) business days after the record date for any such special meeting it will provide such information as of the record date for such special meeting to the extent not previously provided.

- (b) Date, Time and Place. A special meeting, whether called by the Board of Directors or called at the request of stockholders shall be held at such date, time and place, within or without the State of Delaware, as determined by the Board of Directors; provided, however, that the date of any such special meeting shall be not more than ninety (90) days after the request to call the special meeting by one or more stockholders who satisfy the requirements of this Section 2.2 is delivered to or received by the Secretary, unless a later date is required in order to allow the Company to file the information required under Item 8 (or any comparable or successor provision) of Schedule 14A under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), if applicable. Notwithstanding the foregoing, a special meeting requested by stockholders shall not be held if: (i) the stated business to be brought before the special meeting is not a proper subject for stockholder action under applicable law, or (ii) the Board of Directors has called or calls for an annual meeting of stockholders to be held within ninety (90) days after the request for the special meeting is delivered to or received by the Secretary and the Board of Directors determines in good faith that the business of such annual meeting includes (among any other matters properly brought before the annual meeting) the business specified in the stockholders’ request. A stockholder may revoke a request for a special meeting at any time by written revocation delivered to, or mailed to and received by, the Secretary. If, at any time after receipt by the Secretary of the Company of a proper request for a special meeting of stockholders, there are no longer valid requests from stockholders holding in the aggregate at least the requisite number of shares entitling the stockholders to request the calling of a special meeting, whether because of revoked requests or otherwise, the Board of Directors, in its discretion, may cancel the special meeting (or, if the special meeting has not yet been called, may direct the Executive Chairman or the Secretary of the Company not to call such a meeting).
- (c) Conduct of Meeting. At any such special meeting, only such business may be transacted as is set forth in the notice of special meeting. Business transacted at a special meeting requested by stockholders shall be limited to the matters described in the special meeting request; provided, however, that nothing herein shall prohibit the Board of Directors from submitting matters to the stockholders at any special meeting requested by stockholders. If none of the stockholders who submitted the request for a special meeting appears or sends a qualified representative to present the nominations proposed to be presented or other business proposed to be conducted at the special meeting, the Company need not present such nominations or other business for a vote at such meeting. The chairman of a special meeting shall determine all matters relating to the conduct

of the meeting, including, but not limited to, determining whether any nomination or other item of business has been properly brought before the meeting in accordance with these Bylaws, and if the chairman of the meeting should so determine and declare that any nomination or other item of business has not been properly brought before the special meeting, then such business shall not be transacted at such meeting.

- 2.3 **Notice.** Notice (either written or as otherwise permitted by the General Corporation Law of the State of Delaware) of each meeting of stockholders, whether annual or special, stating the date, time, place and, with respect to a special meeting, purpose thereof, shall be distributed (either by the U.S. Postal Service or as otherwise permitted by the General Corporation Law of the State of Delaware) by the Secretary or Assistant Secretary not less than ten (10) days nor more than sixty (60) days before the date of such meeting to every stockholder entitled to vote thereat.
- 2.4 **List of Stockholders.** A complete list of the stockholders entitled to vote at any meeting of stockholders, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder, shall be prepared by the Secretary at least ten (10) days before every meeting of stockholders and shall be open to the examination of any stockholder for any purpose germane to the meeting for a period of at least ten (10) days before the meeting during ordinary business hours at the principal place of business of the Company. A list of stockholders entitled to vote at the meeting shall be produced and kept at the place of the meeting during the whole time of the meeting and may be examined by any stockholder who is present.
- 2.5 **Quorum.** The holders of a majority of the voting power of all of the shares of capital stock of the Company then entitled to vote with respect to any one of the purposes for which the meeting is called, present in person or represented by proxy, shall constitute a quorum, except as otherwise required by the General Corporation Law of the State of Delaware. In the event of a lack of quorum at a meeting, the chairman of the meeting or a majority in interest of the stockholders present in person or represented by proxy may adjourn the meeting from time to time without notice other than announcement at the meeting, until a quorum shall be obtained. At any such adjourned meeting at which there is a quorum, any business may be transacted that might have been transacted at the meeting originally called.
- 2.6 **Organization.** The Executive Chairman, or, in the absence of the Executive Chairman, the Chief Executive Officer, or, in the absence of both, any Executive Vice President, shall preside at meetings of stockholders as chairman of the meeting and shall determine the order of business for such meeting. The Secretary of the Company shall act as secretary at all meetings of stockholders, but in the absence of the Secretary, the chairman of the meeting may appoint a secretary of the meeting. Rules governing the procedures and conduct of meetings of stockholders shall be determined by the chairman of the meeting.
- 2.7 **Voting.** Subject to all of the rights of the preferred stock provided for by resolution or resolutions of the Board of Directors pursuant to Article IV of the Certificate of

Incorporation or by the General Corporation Law of the State of Delaware, each stockholder entitled to vote at a meeting shall be entitled to one vote, in person or by proxy (either written or as otherwise permitted by the General Corporation Law of the State of Delaware), for each voting share held of record by such stockholder. The votes for the election of Directors and, upon the demand of any stockholder the vote upon any matter before the meeting, shall be by written ballot. Except as otherwise required by the General Corporation Law of the State of Delaware or as specifically provided for in the Certificate of Incorporation or these Bylaws, in any question or matter brought before any meeting of stockholders (other than the election of Directors), the affirmative vote of the holders of voting shares present in person or by proxy representing a plurality of the votes actually cast on any such question or matter at a meeting where there is a quorum shall be the act of the stockholders. Directors shall be elected by the vote of a majority of the votes cast at a meeting where there is a quorum; except that, notwithstanding the foregoing, Directors shall be elected by a plurality of the votes cast at a meeting where there is a quorum if as of the record date for such meeting the number of nominees exceeds the number of Directors to be elected. For purposes of the foregoing sentence, a majority of the votes cast means that the number of shares voted "for" a Director nominee must exceed the number of shares voted "against" that Director nominee.

2.8 **Inspectors of Election.** In advance of any meeting of stockholders, the Board of Directors or the chairman of the meeting shall appoint one or more inspectors to act at the meeting and make a written report thereof. The chairman of the meeting may designate one or more persons as alternate inspectors to replace any inspector who fails or is unable to act. Each inspector, before entering upon the discharge of his or her duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of his or her ability. At each meeting of stockholders, the inspector(s) shall ascertain the number of shares outstanding and the voting power of each, determine the shares represented at the meeting and the validity of proxies and ballots, count all votes and ballots, determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspector(s), and certify the inspectors' determination of the number of shares represented at the meeting and the count of all votes and ballots. The inspector(s) may appoint or retain other persons or entities to assist the inspector(s) in the performance of the duties of the inspector(s). Any report or certificate made by the inspector(s) shall be prima facie evidence of the facts stated therein.

2.9 **Notification of Stockholder Nominations and Other Business.**

(a) Annual Meeting.

(i) Nominations of persons for election to the Board of Directors and the proposal of business other than nominations to be considered by the stockholders may be made at an annual meeting of stockholders only (A) by or at the direction of the Board of Directors, (B) by any stockholder of the Company who is a stockholder of record at the time the notice provided for in this Section 2.9 is delivered to, or mailed to and received by, the Secretary of the Company, who is entitled to vote at such annual

meeting and who complies with the notice procedures and disclosure requirements set forth in this Section 2.9, or (C) in the case of stockholder nominations to be included in the Company's proxy statement for an annual meeting of stockholders, by an Eligible Stockholder (as defined below) who satisfies the notice, ownership and other requirements of Section 2.10 of these Bylaws.

- (ii) For nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to clause (B) of Section 2.9(a)(i), such stockholder must have given timely written notice thereof in proper form to the Secretary of the Company and such proposed business must be a proper subject for stockholder action. To be timely, a stockholder's notice must be delivered to, or mailed to and received by, the Secretary at the principal executive offices of the Company: not later than the close of business on the ninetieth (90th) day or earlier than the close of business on the one hundred twentieth (120th) day prior to the anniversary date on which the Company first distributed its proxy materials for the prior year's annual meeting of stockholders of the Company; provided, however, that in the event that the annual meeting is called for a date that is not within thirty (30) days before or after the first anniversary of the prior year's annual meeting, notice by the stockholder in order to be timely must be so delivered, or so mailed and received, not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of (A) the ninetieth (90th) day prior to such annual meeting and (B) the tenth (10th) day following the date on which public disclosure (as defined below) of the date of the annual meeting is first made by the Company. In no event shall the public disclosure of an adjournment or postponement of an annual meeting commence a new time period (or extend any notice time period) for the giving of a stockholder's notice as described above. Such stockholder's notice shall set forth:
 - (A) as to each person, if any, whom such stockholder proposes to nominate for election or re-election as a Director: (1) all information relating to such person that would be required to be disclosed in a proxy statement soliciting proxies for the election of such nominee as a Director in an election contest (even if an election contest is not involved) or that is otherwise required to be disclosed, under Section 14(a) of the Exchange Act and the rules and regulations promulgated thereunder, (2) the written consent of the nominee to being named in the proxy statement as a nominee and to serving as a Director if elected and a representation by the nominee to the effect that, if elected, the nominee will agree to and abide by all policies of the Board of Directors as may be in place at any time and from time to time, and (3) any information that such person would be required to disclose pursuant to paragraph (ii)(D)

of this Section 2.9, if such person were a stockholder purporting to make a nomination or propose business pursuant thereto;

- (B) as to any other business that such stockholder proposes to bring before the meeting: (1) a brief description of the proposed business desired to be brought before the meeting, (2) the text of the proposal or proposed business (including the text of any resolutions proposed for consideration and in the event that such business includes a proposal to amend the Bylaws of the Company, the language of the proposed amendment), (3) the reasons for conducting such business at the meeting, (4) any substantial interest (within the meaning of Item 5 of Schedule 14A under the Exchange Act) in such business of such stockholder and the beneficial owner (within the meaning of Section 13(d) of the Exchange Act), if any, on whose behalf the business is being proposed, (5) any other information relating to such stockholder and beneficial owner, if any, on whose behalf the proposal is being made, required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for the proposal and pursuant to and in accordance with Section 14(a) of the Exchange Act and the rules and regulations promulgated thereunder, (6) a description of all agreements, arrangements, or understandings between or among such stockholder, or any affiliates or associates of such stockholder, and any other person or persons (including their names) in connection with the proposal of such business and any material interest of such stockholder or any affiliates or associates of such stockholder, in such business, including any anticipated benefit therefrom to such stockholder, or any affiliates or associates of such stockholder and (7) the information required by Section 2.9(a)(ii)(A) above;
- (C) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination is made or the other business is proposed: (1) the name and address of such stockholder, as they appear on the Company's books, and the name and address of such beneficial owner, if any, on whose behalf the nomination is made, (2) the class and number of shares of capital stock of the Company which are owned (beneficially and of record) by such stockholder and owned by the beneficial owner, if any, on whose behalf the nomination is being made, as of the date of such stockholder's notice, and such beneficial owner as of the date of the notice, (3) a written representation that such stockholder is the holder of record of shares of the Company entitled to vote at the meeting and intends to appear in person or by proxy at the meeting to propose such nomination or other business, (4) a description of any agreement, arrangement or understanding (including any derivative or short positions, profit interests, options, hedging transactions,

and borrowed or loaned shares) that has been entered into as of the date of such stockholder's notice by, or on behalf of, such stockholder or any of its affiliates or associates, the effect or intent of which is to mitigate loss to, manage risk or benefit of share price changes for, or increase or decrease the voting power of such stockholder or any of its affiliates or associates with respect to shares of stock of the Company, (5) a representation that such stockholder is a holder of record of shares of the Company entitled to vote at the meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice, (6) a representation whether such stockholder intends to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Company's outstanding capital stock required to approve the election of the nominee and/or otherwise to solicit proxies from stockholders in support of such election and (7) and, with respect to (2), (4) and (5) above, a representation that such stockholder will promptly notify the Company in writing of the same as of the record date for the meeting promptly following the later of the record date or the date notice of the record date is first publicly disclosed;

- (D) as to the stockholder giving the notice or, if the notice is given on behalf of a beneficial owner on whose behalf the nomination is made or the other business is proposed, as to such beneficial owner: (1) the class and number of shares of capital stock of the Company which are beneficially owned (as defined below) by such stockholder or beneficial owner as of the date of the notice, and a representation that such stockholder shall notify the Company in writing within five (5) business days after the record date for such meeting of the class and number of shares of capital stock of the Company beneficially owned by such stockholder or beneficial owner as of the record date for the meeting, (2) a description of any agreement, arrangement or understanding with respect to the nomination or other business between or among such stockholder or beneficial owner and any other person, including without limitation any agreements that would be required to be disclosed pursuant to Item 5 or Item 6 of Exchange Act Schedule 13D (regardless of whether the requirement to file a Schedule 13D is applicable to the stockholder or beneficial owner) and a representation that the stockholder shall notify the Company in writing within five (5) business days after the record date for such meeting of any such agreement, arrangement or understanding in effect as of the record date for the meeting, and (3) a description of any agreement, arrangement or understanding (including any derivative or short positions, profit interests, options, hedging transactions, and borrowed or loaned shares) that has been entered into as of the date of the stockholder's notice by, or on behalf of,

such stockholder or beneficial owner, the effect or intent of which is to mitigate loss, manage risk or benefit from changes in the share price of any class of the Company's capital stock, or maintain, increase or decrease the voting power of the stockholder or beneficial owner with respect to shares of stock of the Company, and a representation that the stockholder shall notify the Company in writing within five (5) business days after the record date for such meeting of any such agreement, arrangement or understanding in effect as of the record date for the meeting.

- (iii) The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as a Director of the Company, including information relevant to a determination whether such proposed nominee can be considered an independent Director or that could be material to a reasonable stockholders' understanding of the independence, or lack thereof.
 - (iv) This Section 2.9(a) shall not apply to a proposal proposed to be made by a stockholder if the stockholder has notified the Company of his or her intention to present the proposal at an annual or special meeting only pursuant to and in compliance with Rule 14a-8 under the Exchange Act and such proposal has been included in a proxy statement that has been prepared by the Company to solicit proxies for such meeting.
- (b) Special Meeting. Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Company's notice of meeting. Nominations of persons for election to the Board of Directors may be made at a special meeting of stockholders called by the Board of Directors at which Directors are to be elected pursuant to the Company's notice of meeting (i) by or at the direction of the Board of Directors or (ii) provided that the Board of Directors has determined that Directors shall be elected at such meeting, by any stockholder of the Company who is a stockholder of record at the time the notice provided for in this Section 2.9(b) is delivered to, or mailed to and received by, the Secretary of the Company and at the time of the special meeting, who is entitled to vote at the special meeting and upon such election, and who complies with the notice procedures set forth in this Section 2.9 as to such nomination. In the event the Board of Directors calls a special meeting of stockholders for the purpose of electing one or more Directors to the Board of Directors, any such stockholder entitled to vote in such election of Directors may nominate a person or persons (as the case may be) for election to such position(s) as specified in the Company's notice of meeting, if the notice required by Section 2.9(a)(ii) shall be delivered to, or mailed to and received by, the Secretary at the principal executive offices of the Company not earlier than the close of business on the one hundred twentieth (120th) day prior to such special meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such special meeting or the tenth (10th) day following the day on which public

disclosure of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting is first made by the Company. In no event shall the public announcement of an adjournment or postponement of a special meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above.

(c) General.

- (i) Only such persons who are nominated in accordance with the procedures set forth in this Section 2.9 or Section 2.10 shall be eligible to be elected at any meeting of stockholders of the Company to serve as Directors and only such other business shall be conducted at a meeting of stockholders as shall have been properly brought before the meeting in accordance with the procedures set forth in this Section 2.9 or Section 2.10, as applicable. The chairman of the special meeting shall have the power and duty to determine whether a nomination or any other business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the procedures set forth in this Section 2.9. If any proposed nomination or other business was not made or proposed in compliance with this Section 2.9 or Section 2.10, applicable, then except as otherwise provided by law, the chairman of the meeting shall have the power and duty to declare that such nomination shall be disregarded or that such proposed other business shall not be transacted. Notwithstanding the foregoing provisions of this Section 2.9, unless otherwise required by law, if the stockholder does not provide the information required under clause (2) of Section 2.9(a)(ii)(C) and clauses (1)-(3) of Section 2.9(a)(ii)(D) to the Company within five (5) business days following the record date for an annual or special meeting of stockholders, or if the stockholder (or a qualified representative of the stockholder) does not appear at the annual or special meeting of stockholders of the Company to present a nomination or proposed other business, such nomination shall be disregarded and such proposed other business shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the Company. For purposes of this Section 2.9, to be considered a qualified representative of the stockholder, a person must be a duly authorized officer, manager or partner of such stockholder or authorized by a writing executed by such stockholder (or a reliable reproduction or electronic transmission of the writing) delivered to the Company prior to the making of such nomination or proposal at such meeting by such stockholder stating that such person is authorized to act for such stockholder as proxy at the meeting of stockholders.
- (ii) For purposes of this Section 2.9, "public disclosure" shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press, or comparable national news service or any document publicly filed by the Company with the Securities and Exchange Commission (the "Commission") pursuant to Section 13, 14 or 15(d) of the Exchange Act.

For purposes of clause (1) of Section 2.9(a)(ii)(D), shares shall be treated as “beneficially owned” by a person if the person beneficially owns such shares, directly or indirectly, for purposes of Section 13(d) of the Exchange Act and Regulations 13D and 13G thereunder or has or shares pursuant to any agreement, arrangement or understanding (whether or not in writing): (A) the right to acquire such shares (whether such right is exercisable immediately or only after the passage of time or the fulfillment of a condition or both), (B) the right to vote such shares, alone or in concert with others and/or (C) investment power with respect to such shares, including the power to dispose of, or to direct the disposition of, such shares.

2.10 Proxy Access for Director Nominations.

- (a) Eligibility. Subject to the terms and conditions of these Bylaws, in connection with an annual meeting of stockholders at which Directors are to be elected, the Company (a) shall include in its proxy statement and on its form of proxy the names of, and (b) shall include in its proxy statement the “Additional Information” (as defined below) relating to, a number of nominees specified pursuant to Section 2.10(b)(i) (the “Authorized Number”) for election to the Board of Directors submitted pursuant to this Section 2.10 (each, a “Stockholder Nominee”), if:
- (i) the Stockholder Nominee satisfies the eligibility requirements in this Section 2.10;
 - (ii) the Stockholder Nominee is identified in a timely notice (the “Stockholder Notice”) that satisfies this Section 2.10 and is delivered by a stockholder that qualifies as, or is acting on behalf of, an Eligible Stockholder (as defined below);
 - (iii) the Eligible Stockholder satisfies the requirements in this Section 2.10 and expressly elects at the time of the delivery of the Stockholder Notice to have the Stockholder Nominee included in the Company’s proxy materials; and
 - (iv) the additional requirements of these Bylaws are met.
- (b) Definitions.
- (i) The maximum number of Stockholder Nominees appearing in the Company’s proxy materials with respect to an annual meeting of stockholders (the “Authorized Number”) shall not exceed the greater of (x) two or (y) twenty percent (20%) of the number of Directors in office as of the last day on which a Stockholder Notice may be delivered pursuant to this Section 2.10 with respect to the annual meeting, or if such amount is not a whole number, the closest whole number (rounding down) below twenty percent (20%); provided that the Authorized Number shall be

reduced by any nominees who were previously elected to the Board as Stockholder Nominees at any of the preceding two annual meetings and who are nominated for election at the annual meeting by the Board as a Board nominee. In the event that one or more vacancies for any reason occurs after the date of the Stockholder Notice but before the annual meeting and the Board resolves to reduce the size of the Board in connection therewith, the Authorized Number shall be calculated based on the number of Directors in office as so reduced.

- (ii) To qualify as an “Eligible Stockholder,” a stockholder or a group as described in this Section 2.10 must:
 - (A) Own and have Owned (as defined below), continuously for at least three years as of the date of the Stockholder Notice, a number of shares (as adjusted to account for any stock dividend, stock split, subdivision, combination, reclassification or recapitalization of shares of the Company that are entitled to vote generally in the election of Directors) that represents at least three percent (3%) of the outstanding shares of the Company that are entitled to vote generally in the election of Directors as of the date of the Stockholder Notice (the “Required Shares”), and
 - (B) thereafter continue to Own the Required Shares through such annual meeting of stockholders.

For purposes of satisfying the ownership requirements of this Section 2.10(b)(ii), a group of not more than twenty (20) stockholders and/or beneficial owners may aggregate the number of shares of the Company that are entitled to vote generally in the election of Directors that each group member has individually Owned continuously for at least three (3) years as of the date of the Stockholder Notice if all other requirements and obligations for an Eligible Stockholder set forth in this Section 2.10 are satisfied by and as to each stockholder or beneficial owner comprising the group whose shares are aggregated. No shares may be attributed to more than one Eligible Stockholder, and no stockholder or beneficial owner, alone or together with any of its affiliates, may individually or as a member of a group qualify as or constitute more than one Eligible Stockholder under this Section 2.10. A group of any two or more funds shall be treated as only one stockholder or beneficial owner for this purpose if they are (A) under common management and investment control OR (B) under common management and funded primarily by a single employer OR (C) part of a family of funds, meaning a group of publicly offered investment companies (whether organized in the U.S. or outside the U.S.) that hold themselves out to investors as related companies for purposes of investment and investor services. For purposes of this Section 2.10, the term “affiliate” or “affiliates” shall have the meanings ascribed thereto under the rules and regulations promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

- (iii) For purposes of this Section 2.10:
- (A) A stockholder or beneficial owner is deemed to “Own” only those outstanding shares of the Company that are entitled to vote generally in the election of Directors as to which the person possesses both (1) the full voting and investment rights pertaining to the shares and (2) the full economic interest in (including the opportunity for profit and risk of loss on) such shares, except that the number of shares calculated in accordance with clauses (1) and (2) shall not include any shares (a) sold by such person in any transaction that has not been settled or closed, (b) borrowed by the person for any purposes or purchased by the person pursuant to an agreement to resell, or (c) subject to any option, warrant, forward contract, swap, contract of sale, or other derivative or similar agreement entered into by the person, whether the instrument or agreement is to be settled with shares or with cash based on the notional amount or value of outstanding shares of the Company that are entitled to vote generally in the election of Directors, if the instrument or agreement has, or is intended to have, or if exercised would have, the purpose or effect of (x) reducing in any manner, to any extent or at any time in the future, the person’s full right to vote or direct the voting of the shares, and/or (y) hedging, offsetting or altering to any degree any gain or loss arising from the full economic ownership of the shares by the person. Nothing in this Section 2.10 shall limit the Company's ability to solicit against and include in its proxy materials its own statements relating to any Eligible Stockholder or Stockholder Nominee.

- (ii) To be timely under this Section 2.10, the Stockholder Notice must be delivered to, or mailed to and received by, the Secretary at the principal executive offices of the Company not later than the close of business on the one hundred twentieth (120th) day or earlier than the close of business on the one hundred fiftieth (150th) day prior to the anniversary date on which the Company first distributed its definitive proxy materials for the prior year's annual meeting of stockholders; provided, however, that in the event that the annual meeting is called for a date that is not within thirty (30) days before or after the first anniversary of the prior year's annual meeting, notice by the stockholder in order to be timely, must be so delivered, or so mailed and received, not earlier than the close of business on the one hundred fiftieth (150th) day prior to such annual meeting and

In no event shall the public disclosure of an adjournment or a postponement of an annual meeting commence a new time period (or extend any time period) for the giving of the Stockholder Notice as described above.

- (iii) Within the time period for delivery of the Stockholder Notice, a written representation and agreement of each Stockholder Nominee shall be delivered to the Secretary of the Company at the principal executive offices of the Company, which shall be signed by each Stockholder Nominee and shall represent and agree (A) as to the matters set forth in Section 2.9(a)(ii)(A), and (B) that such Stockholder Nominee consents to being named in the Company's proxy statement and form of proxy as a nominee and to serving as a Director if elected. - (d) Proxy Access Procedures.
- (i) Notwithstanding anything to the contrary contained in this Section 2.10, the Company may omit from its proxy materials any Stockholder Nominee, and such nomination shall be disregarded and no vote on such Stockholder Nominee shall occur, notwithstanding that proxies in respect of such vote may have been received by the Company, if:

- (A) the Eligible Stockholder or Stockholder Nominee breaches any of its agreements, representations or warranties set forth in the Stockholder Notice or otherwise submitted pursuant to this Section 2.10, any of the information in the Stockholder Notice or otherwise submitted pursuant to this Section 2.10 was not, when provided, true, correct and complete, or the Eligible Stockholder or applicable Stockholder Nominee otherwise fails to comply with its obligations pursuant to these Bylaws, including, but not limited to, its obligations under this Section 2.10;

 - (C) the Company has received a notice (whether or not subsequently withdrawn) that a stockholder intends to nominate any candidate for election to the Board pursuant to the advance notice requirements for stockholder nominees for Director in Section 2.9(a); or
 - (D) the election of the Stockholder Nominee to the Board would cause the Company to violate the Certificate of Incorporation of the Company, these Bylaws, or any applicable law, rule, regulation or listing standard.
- (ii) An Eligible Stockholder submitting more than one Stockholder Nominee for inclusion in the Company's proxy materials pursuant to this Section 2.10 shall rank such Stockholder Nominees based on the order that the Eligible Stockholder desires such Stockholder Nominees to be selected for inclusion in the Company's proxy materials and include such assigned rank in its Stockholder Notice submitted to the Company. In the event that the number of Stockholder Nominees submitted by Eligible Stockholders pursuant to this Section 2.10 exceeds the Authorized Number, the Stockholder Nominees to be included in the Company's proxy materials shall be determined in accordance with the following provisions: one Stockholder Nominee who satisfies the eligibility requirements in this Section 2.10 shall be selected from each Eligible Stockholder for inclusion

in the Company's proxy materials until the Authorized Number is reached, going in order of the amount (largest to smallest) of shares of the Company each Eligible Stockholder disclosed as Owned in its Stockholder Notice submitted to the Company and going in the order of the rank (highest to lowest) assigned to each Stockholder Nominee by such Eligible Stockholder. If the Authorized Number is not reached after one Stockholder Nominee who satisfies the eligibility requirements in this Section 2.10 has been selected from each Eligible Stockholder, this selection process shall continue as many times as necessary, following the same order each time, until the Authorized Number is reached. Following such determination, if any Stockholder Nominee who satisfies the eligibility requirements in this Section 2.10 thereafter is nominated by the Board, thereafter is not included in the Company's proxy materials or thereafter is not submitted for Director election for any reason (including the Eligible Stockholder's or Stockholder Nominee's failure to comply with this Section 2.10), no other nominee or nominees shall be included in the Company's proxy materials or otherwise submitted for election as a Director at the applicable annual meeting in substitution for such Stockholder Nominee.

- (iii) Any Stockholder Nominee who is included in the Company's proxy materials for a particular annual meeting of stockholders but withdraws from or becomes ineligible or unavailable for election at the annual meeting for any reason, including for the failure to comply with any provision of these Bylaws (provided that in no event shall any such withdrawal, ineligibility or unavailability commence a new time period (or extend any time period) for the giving of a Stockholder Notice) shall be ineligible to be a Stockholder Nominee pursuant to this Section 2.10 for the next two annual meetings.
- (iv) Notwithstanding the foregoing provisions of this Section 2.10, unless otherwise required by law or otherwise determined by the chairman of the meeting or the Board, if the stockholder delivering the Stockholder Notice (or a qualified representative of the stockholder, as defined in Section 2.9(c)(i)) does not appear at the annual meeting of stockholders of the Company to present its Stockholder Nominee or Stockholder Nominees, such nomination or nominations shall be disregarded, notwithstanding that proxies in respect of the election of the Stockholder Nominee or Stockholder Nominees may have been received by the Company.
- (v) The Board of Directors (and any other person or body authorized by the Board of Directors) shall have the power and authority to interpret this Section 2.10 and to make any and all determinations necessary or advisable to apply this Section 2.10 to any persons, facts or circumstances, including, without limitation, the power to determine (1) whether one or more stockholders or beneficial owners qualifies as an Eligible Stockholder, (2) whether a Stockholder Notice complies with this Section

2.10 and has otherwise met the requirements of this Section 2.10, (3) whether a Stockholder Nominee satisfies the qualifications and requirements in this Section 2.10, and (4) whether any and all requirements of this Section 2.10 (or any applicable requirements of Section 2.9) have been satisfied. Any such interpretation or determination adopted in good faith by the Board of Directors (or any other person or body authorized by the Board of Directors) shall be binding on all persons, including, without limitation, the Company and its stockholders (including, without limitation, any beneficial owners).

- (vi) This Section 2.10 shall be the exclusive method for stockholders to include Director nominees for election in the Company's proxy materials.
