Owens Corning and Masonite are making the Tender Offer and Consent Solicitation pursuant to the terms of and subject to the conditions set forth in the offer to purchase and consent solicitation statement dated April 15, 2024 (the "Statement").

For each \$1,000 principal amount of Masonite Notes validly tendered at or before 5:00 p.m., New York City time, on May 13, 2024, unless extended or terminated (such date and time, as the same may be extended, the "Expiration Time"), and not validly withdrawn, holders of Masonite Notes (collectively, the "Holders") will be eligible to receive the tender offer consideration set out in the table above (the "Tender Offer Consideration"). Masonite Notes that have been validly tendered may be withdrawn at any time prior to 5:00 p.m., New York City time, on April 26, 2024, unless extended or terminated (such date and time, as the same may be extended, the "Withdrawal Deadline"). Holders that validly tender and deliver (and do not validly withdraw and revoke) their Masonite Notes and related consents after the Early Participation Deadline but at or prior to the Expiration Time and whose Masonite Notes are accepted for purchase by Owens Corning will be entitled only to the Tender Offer Consideration. In addition to the Total Consideration or Tender Offer Consideration, as applicable, tendering Holders whose Masonite Notes are accepted for purchase pursuant to the Tender Offer will receive accrued and unpaid interest from the last interest payment date with respect to the Masonite Notes to, but not including, the applicable Settlement Date.

Holders may not deliver consents to the Proposed Amendments in the Consent Solicitation without tendering Masonite

Notes in the Tender Offer, and may not tender Masonite Notes in the Tender Offer without delivering consents to the Proposed Amendments in the Consent Solicitation.

The “Early Settlement Date” will be, at Owens Corning’s option, any time after the Early Participation Deadline and prior to the Expiration Time, subject to the satisfaction or waiver of all conditions to consummation of the Tender Offer and the Consent Solicitation, including the consummation of the Arrangement (as defined below). The “Final Settlement Date” will be promptly after the Expiration Time. We refer to the Early Settlement Date and the Final Settlement Date as the “Settlement Date,” as applicable.

To the extent any Masonite Notes are not tendered and accepted for purchase pursuant to the Tender Offer, Owens Corning or Masonite may purchase any outstanding Masonite Notes in the open market, in privately negotiated transactions, through one or more additional tender or exchange offers, by redemption or otherwise.

Masonite is soliciting consents from the Holders (i) to the Proposed Amendments to eliminate certain covenants, restrictive provisions and events of default applicable to the Masonite Notes and (ii) to the execution and delivery of a supplemental indenture to the Masonite Indenture, containing the Proposed Amendments. The consent of the Holders of a majority of the outstanding aggregate principal amount of the Masonite Notes will be required to give effect to the Proposed Amendments.

The Tender Offer and Consent Solicitation are conditioned upon, among other conditions, the consummation of the pending acquisition of Masonite by Owens Corning pursuant to the Arrangement Agreement, dated as of February 8, 2024 (as it may be amended, the “Arrangement Agreement”), by and among Owens Corning, MT Acquisition Co ULC, a wholly owned subsidiary of Owens Corning (“Purchaser”), and Masonite, which condition cannot be waived. Subject to the terms and conditions of the Arrangement Agreement, Purchaser will acquire all of the issued and outstanding common shares of Masonite (the “Arrangement”). The consummation of the Arrangement is not conditioned upon the successful closing of the Tender Offer or Consent Solicitation.
