RICHMOND, VA., September 29, 2017 – The Brink's Company (NYSE:BCO) today announced its intent to enter into a new \$1.5 billion senior secured credit facility that includes a \$1.0 billion revolving credit facility ("revolver") and a \$500 million term loan A facility ("term loan"). Loans under the revolver and the term loan will mature five years after the closing of the credit facility and interest rates will float based on the company's consolidated net leverage levels.
