FOR IMMEDIATE RELEASE

Brink's Increases Dividend by 50%, Approves Repurchase Program

*Quarterly Payment Raised from 10 Cents to 15 Cents Per Share
\$200 Million Share Repurchase Program Authorized*

RICHMOND, Va., May 8, 2017 – The Brink's Company (NYSE:BCO) today announced that its board of directors approved a 50 percent increase in the company's quarterly dividend, from 10 cents to 15 cents per share, effective immediately. The next quarterly dividend is payable on June 1, 2017, to shareholders of record on May 18, 2017. The company also announced that the board of directors authorized a share repurchase program of up to \$200 million of common stock. The authorization expires December 31, 2019.

Doug Pertz, president and chief executive officer, said: "The dividend increase and the share repurchase program reflect our commitment to increasing shareholder value and our confidence in the recently disclosed strategic plan, which targets a 70 percent increase in non-GAAP earnings and a 50 percent increase in cash flow by the end of 2019. We have the financial flexibility to support our capital allocation priorities, which include funding internal cost reduction and growth initiatives, while also completing accretive acquisitions to provide incremental growth above the plan targets. We have ample free cash flow to return additional cash to our shareholders through dividend increases and share repurchases."

The timing and volume of share repurchases may be executed at the discretion of management on an opportunistic basis, or pursuant to trading plans or other arrangements. Any share repurchase under this program may be made in the open market, in privately negotiated transactions, or otherwise.
