Brink's Closes Senior Unsecured Notes Offering

RICHMOND, Va., June 22, 2020 - The Brink's Company (NYSE:BCO), today announced that it has closed its previously announced 5-year senior unsecured notes offering in an aggregate principal amount of \$400 million. The notes were priced at par with an annual interest rate of 5.5% and will mature in July 2025.

Proceeds from the notes are expected to be used in part to repay certain existing indebtedness incurred in connection with the acquisition of the G4S Cash businesses, finance the remaining acquisitions of the G4S Cash businesses and pay certain fees and expenses related to the transactions. Remaining net proceeds are expected to be used for working capital needs, capital expenditures, acquisitions and other general corporate purposes. The offering does not increase the company's pro forma net debt. As of March 31, 2020, pro forma for the completion of the G4S acquisition, the net first lien (net secured debt) leverage ratio is 2.0x and available liquidity is expected to be \$1.2 billion.
