Brink's Prices \$400 Million Senior Unsecured Notes Offering

RICHMOND, Va., June 18, 2020 - The Brink's Company (NYSE:BCO), today announced the pricing of its previously announced 5-year senior unsecured notes in an aggregate principal amount of \$400 million. The notes will be issued at par, will mature on July 15, 2025 and will bear an annual interest rate of 5.5%. The notes will be general unsecured obligations guaranteed by the company's existing and future U.S. subsidiaries that are guarantors under the company's credit facility. The offering is expected to close on June 22, 2020 subject to customary closing conditions.

Proceeds from the notes are expected to be used in part to repay certain existing indebtedness incurred in connection with the acquisition of the G4S Cash businesses, finance the remaining acquisitions of the G4S Cash businesses and pay certain fees and expenses related to the transactions. Remaining net proceeds are expected to be used for working capital needs, capital expenditures, acquisitions and other general corporate purposes.

The notes have not been and will not be registered under the Securities Act of 1933, as amended ("Securities Act") or the securities laws of any other jurisdiction and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. The notes will be offered in the United States only to persons reasonably believed to be qualified institutional buyers in reliance on the exception from registration set forth in Rule 144A under the Securities Act and outside the United States to non-U.S. persons pursuant to Regulation S under the Securities Act.

This press release does not constitute an offer to sell or the solicitation of an offer to buy the notes, and shall not constitute an offer, solicitation or sale of any notes in any jurisdiction in which such offer, solicitation, or sale would be unlawful. Any offers of the notes will be made only by means of a private offering memorandum.
