- **Selection:** Our [nationwide inventory](#) of tens of thousands of vehicles makes it easy to find the exact car you've been searching for, with the features and colors you want. We carry most makes and models to make comparison and test-driving simple. And you can have a vehicle transferred to the CarMax nearest you, often for free.
- **Love Your Car Guarantee:** CarMax stands behind their vehicles with a 30-Day Money-Back Guarantee (up to 1,500 miles) and a limited warranty that covers a vehicle's major systems for 90 days or 4,000 miles, whichever comes first. We also offer 24-hour test drives to make sure the car you want is the one you'll love.
- **Appraisals:** Customers selling their car can get an appraisal offer online or in-store that is good for seven days. At CarMax, we'll buy your car even if you don't buy ours®. With the [CarMax free online appraisal tool](#), you can get a real online offer in less than two minutes.
- **Financing:** By offering financing through [CarMax Auto Finance](#) and working with multiple financial institutions, we provide competitive solutions to meet a wide range of credit profiles. Our financing process puts you in the driver's seat to choose the offer that best meets your needs.

Iconic Experience

- **Omni-Channel:** As an omni-channel retailer, CarMax empowers customers to buy a car on their terms, whether they prefer to leverage our world-class online experience, our world-class store experience, or a seamless combination of both. We offer a variety of vehicle delivery methods to meet our customers' needs, including home delivery, express pickup and appointments at our stores.
- **Help In-Person and Online:** Receive help from informed CarMax consultants, both in-person and via phone, text or email. Buying a car can be complex, and CarMax consultants are at the ready to help customers find their ideal vehicle and navigate financing and other steps.
- **Try Before You Buy:** All of our vehicles are available to test drive with no requirement to purchase, and in some markets, customers can have a vehicle delivered to home or work for a test drive. As part of the Love Your Car Guarantee, customers can take a 24-hour test drive to make sure the car you want is the car you'll love.
- **Fast and Convenient:** Shopper and Owner apps give you real time inventory and pricing updates and alerts, along with service reminders, payment options, vehicle records, and more. Express pickup enables customers to save time by completing most of the process online in advance- including selecting a vehicle, getting pre-approved for financing, and getting a trade-in offer on an existing vehicle, if applicable. Then, customers can quickly complete the car buying experience without having to come inside the store.
