

19 TD SYNnex Leaders Recognized as Top Women of the Channel In 2023

5/8/2023

Industry Veterans Stacy Nethercoat and Willa Flemate Named to Power 100 List

FREMONT, Calif., & CLEARWATER, Fla.--(BUSINESS WIRE)-- TD SYNnex (NYSE: SNX) announced today that **CRN®**, a brand of The Channel Company, has recognized 19 of its co-workers to the Women of the Channel list for 2023, including two individuals named to the Power 100 list.

“This is a well-deserved achievement for all the TD SYNnex co-workers recognized for a meaningful impact not just on our company, but also on the industry. It’s an honor to work alongside these accomplished leaders who also serve as role models and mentors for our rising talent,” said Peter Larocque, president, North America Technology Solutions at TD SYNnex. “TD SYNnex’S commitment to social responsibility starts by ensuring an inclusive and welcoming work environment, and we look forward to building on those efforts as our organization continues to evolve.”

Every year, CRN recognizes women from vendor, distributor, and solution provider organizations whose expertise and vision are leaving a noticeable and commendable mark on the technology industry. The CRN 2023 Women of the Channel honorees bring their creativity, strategic thinking and leadership to bear in a variety of roles and responsibilities, but all are turning their unique talents toward driving success for their partners and customers.

“We are ecstatic to announce this year’s honorees and shine a light on these women for their significant achievements, knowing that what they’ve accomplished has paved the way for continued success within the IT channel,” said Blaine Raddon, CEO of The Channel Company. “The channel is stronger because of them, and we look forward to seeing what they do next.”

TD SYNnex employees recognized as top Women of the Channel this year include:

(Power 100 Recognition) Willa Flemate, Senior Vice President, Sales
(Power 100 Recognition) Stacy Nethercoat, Executive Vice President, Advanced Solutions

As part of its overall DEI strategy, TD SYNEX dedicates significant resources to the professional development of female co-workers and aims to increase representation of people who identify as women to 40% of leadership roles by 2030. The company developed a mentoring program to support and guide female senior managers and directors and established listening circles to provide women with a safe and confidential space to discuss workplace and personal challenges. The company also bolsters inclusion and community-building efforts through Elevate, its business resource group dedicated to attracting, retaining, and advancing women.

The 2023 Women of the Channel list will be featured in the June issue of CRN Magazine and is available online now at www.CRN.com/WOTC.
