5/23/2023

FREMONT, Calif. & CLEARWATER, Fla.--(BUSINESS WIRE)-- TD SYNEX (NYSE: SNX), a leading global distributor and solutions aggregator for the IT ecosystem, proudly announces it has been selected as the 2022 Distributor of the Year by **Veeam® Software**, the leader in Data Protection and Ransomware Recovery.

“We are honored to be recognized by Veeam for our successful partnership in North America over the past year,” said Stacy Nethercoat, EVP of Advanced Solutions at TD SYNEX. “TD SYNEX is committed to working with vendors like Veeam to unite IT solutions that deliver business outcomes today and unlock growth for the future.”

The awards are held annually to reward the outstanding success and the commitment of Veeam ProPartner Value-Added Resellers (VAR) and Veeam Cloud & Service Provider (VCSP) partners. With a 100 percent channel ecosystem, Veeam recognizes partners who have not only demonstrated success providing Veeam solutions to joint customers, but who have also surpassed expectations in delivering industry-leading solutions and services that keep businesses running. Winners were celebrated during **VeeamON 2023**, the community event for data recovery experts of the year, taking place in Miami, FL May 22 – 24.

TD SYNEX was recognized as **Distributor of the Year, North America**. Veeam presents this award to the distributor who uncovers the highest number of suitable partners in the backup, recovery and data management space, offers those partners the expertise they need to sell Veeam solutions and works jointly with Veeam to build a channel-enablement strategy to give those partners the expertise they need to sell.

“Business leaders are facing increased challenges in this era of heightened cyber-attacks and ransomware,” said Kevin Rooney, vice president of Americas channel at Veeam. “We believe the combination of great technology and strong partnerships is what can help organizations protect themselves from these threats and, if the worst happens, enable them to rapidly recover and keep their business running. I’m extremely proud of our 2022 Veeam

Partner of the Year Award winners and am excited to celebrate their achievements this week as part of VeeamON 2023.”
