

# TD SYNEX Achieves Silver EcoVadis Medal

7/10/2023

## Recognition Puts TD SYNEX in Top 25% of Companies Globally

FREMONT, Calif. & CLEARWATER, Fla.--(BUSINESS WIRE)-- TD SYNEX (NYSE: SNX), a leading global distributor and solutions aggregator for the IT ecosystem, announced today it has achieved the Silver Medal from **EcoVadis**, a leading provider of business sustainability ratings. Only the top 25% of companies assessed by EcoVadis receive this level of recognition and this score was reached through an assessment of the company's environmental, social and ethical – or sustainability – performance.

“TD SYNEX has made corporate citizenship a global priority, and this rating is a significant milestone in that journey,” said Adam Rutstein, director of global responsibility for TD SYNEX. “We are proud of the progress we’ve made as our commitment to innovation, people and the planet drives us to fulfill our larger purpose.”

Supported by TD SYNEX’s **Corporate Citizenship Program**, this year’s recognition acknowledges the company’s progress on strategic initiatives that help deliver long-term value for its business, co-workers, communities, vendors, customers and investors.

EcoVadis is a globally trusted provider of business sustainability ratings. The EcoVadis Ratings also consider other essential factors, such as ethics, environment, labor and human rights, and sustainable procurement, with TD SYNEX scoring above industry standards in all categories.

Earlier this year, TD SYNEX published its first **Corporate Citizenship Report** outlining the company’s progress on the strategic ESG initiatives and describing the framework shared by TD SYNEX when the company launched its corporate citizenship program in 2022.
