

# TD SYNnex Wins Google Cloud Global Social Impact Partner of the Year Award

2025-04-08

FREMONT, Calif., & CLEARWATER, Fla.--(BUSINESS WIRE)-- TD SYNnex (NYSE: **SNX**) announced today that it has received the 2025 Google Cloud Global Social Impact Partner of the Year Award. As a leading global distributor and solutions aggregator serving customers in more than 100 countries, TD SYNnex is being recognized for its achievements in the Google Cloud ecosystem to drive meaningful outcomes in communities around the world through engagement and advocacy.

"We are proud to honor TD SYNnex as our Global Social Impact Partner of the Year," said Kevin Ichhpurani, President, Global Partner Ecosystem, Google Cloud. "Their extensive global reach and commitment to social impact, demonstrated through philanthropic endeavors and impactful employee programs, showcase their dedication to driving positive change across communities."

Through several partnerships in the industry and our communities, TD SYNnex has worked to increase access to technology for underserved communities and fostered diverse talent pipelines. TD SYNnex has also demonstrated significant commitment to global sustainability and environmental issues through its corporate citizenship program that also includes guidance and support for partners who seek to develop their own programs.

"We are deeply honored to receive the Google Cloud Global Social Impact Partner of the Year Award. This recognition underscores our team's unwavering commitment to driving sustainable change and creating positive social outcomes," said Jill Kermes, Corporate Vice President, Global Communications and Corporate Citizenship, TD SYNnex. "At TD SYNnex, we believe in harnessing the power of technology to not only advance business objectives but also to address pressing societal challenges. This award inspires us to continue our efforts in making a meaningful difference—not just in the communities we serve—but everywhere we have the opportunity to create impact."

In recent years, TD SYNEX deepened its commitment to social impact by launching new initiatives that supported diverse business growth, enhanced supplier diversity, and strengthened community engagement efforts. The company fostered meaningful collaborations that amplified the impact of expanded career pathways in technology for underrepresented groups. Looking ahead, TD SYNEX will build on this momentum by driving greater innovation across its corporate citizenship initiatives, leveraging its global partnerships, including with Google Cloud, to create lasting change in the technology ecosystem.

“We are tremendously proud to receive an award that recognizes both the large and small actions taken by our team to bring our corporate citizenship commitments to life every day. We believe that this is not just a recognition of our corporate values in action, but a reflection of the passions of our dedicated co-workers,” added Matthew Geer, Senior Director, Worldwide Google Alliance for TD SYNEX.
