TD SYNnex awarded Lenovo's 2025 Global Sustainability Partner of the Year Award for second year

FREMONT, Calif. & CLEARWATER, Fla.--(BUSINESS WIRE)-- TD SYNnex (NYSE:SNX), a leading global distributor and solutions aggregator for the IT ecosystem, has been recognized globally and regionally by Lenovo with awards honoring its sustainability commitments and the strength of its business partnership in the U.S., the UK and Ireland. Most notably, TD SYNnex earned the 2025 Global Partner of the Year for Sustainability award for the second consecutive year, celebrating the company's ability to drive sustainable progress by aligning with global business operations.

In addition to the global award, TD SYNnex was named EMEA Outstanding Partner of the Year and received the Outstanding Climate Action Award at the 2025 Lenovo 360 Circle Summit for its dedication to creating a more sustainable future through innovation and partnership. The Lenovo 360 Circle initiative brings together Lenovo partners to share corporate citizenship goals, capitalize on emerging sustainability market trends and collaborate on ways to integrate sustainability into their operations and supply chains.

"Being recognized once again as Lenovo's Global Partner of the Year for Sustainability showcases our unmatched ability to pioneer sustainable change across the IT channel and world at large," said Adam Rutstein, Vice President of Corporate Citizenship and Sustainability at TD SYNnex. "Lenovo continues to set the bar for collaborative, high-impact approaches to sustainability, and we're proud to be recognized as a leading partner in that journey. We look forward to expanding our sustainability initiatives in partnership with Lenovo."

TD SYNnex was also recognized as Lenovo's 2025 Distributor of the Year for the U.S. and the U.K. and Ireland (UK&I), making this the second consecutive year TD SYNnex has earned this distinction in the UK&I region. The

awards recognize TD SYNEX's exceptional year-over-year financial growth and strong partner engagement across Lenovo's full portfolio within the U.S. and UK&I channel ecosystem.

"Our partnership with Lenovo has been essential to creating significant value and fostering innovation across our U.S. partner base, and we are grateful for this recognition of our collaboration," said Anthony Tanoury, Senior Vice President, Vendor Management at TD SYNEX. "This recognition as Lenovo's US Distributor of the Year is a testament to our team's unique ability to accelerate both our vendors' and partners' businesses so we can all win together."

"To have been named as Lenovo's UK&I Distributor of the Year for the second year in succession is a remarkable achievement," said Simon Bennett, Managing Director, Advanced Solutions, UK&I at TD SYNEX. "Our teams work tirelessly to provide high levels of service and support, enable partners to maximise their Lenovo sales, and discover new solutions in fast-growing areas of the market, such as AI and cybersecurity. All this makes TD SYNEX the home of Lenovo in the UK&I channel – the only distribution partner able to offer the full portfolio, from the pocket to the cloud, backed with full services, support, and fulfilment capabilities."
