

TD SYNnex Included in TIME America's Best Companies 2026 List

2026-07-09

CLEARWATER, Fla. & FREMONT, Calif.--(BUSINESS WIRE)-- TD SYNnex (NYSE: SNX), a leading global distributor and solutions aggregator for the IT ecosystem, has been recognized on TIME's list of America's Best Companies 2026. This prestigious award is presented in collaboration with Statista, a world-leading statistics portal and industry ranking provider. The award list was announced on July 9th, 2026, and can be viewed on [TIME.com](https://www.time.com).

TD SYNnex prioritizes co-workers' success and well-being through professional development opportunities across all levels, internal awards and recognition, comprehensive benefit support and tuition reimbursement. This also includes access to a Life Empowerment Assistance Program and a Global Well-Being program that offers resources in four dimensions: physical, mental, social, and financial.

"This recognition as one of TIME America's Best Companies is especially meaningful because it reflects the strength of our culture and the extraordinary contributions of our co-workers," said Alim Dhanji, Chief Human Resources Officer & EVP, Corporate Affairs at TD SYNnex. "Our people are what set TD SYNnex apart, and our culture of servant leadership is rooted in helping them excel. By focusing on how we inspire, influence and impact one another, we empower co-workers to lead with confidence, pursue bold ideas and fearlessly try new things. That spirit of innovation, combined with their expertise and dedication, helps us deliver exceptional outcomes across the technology ecosystem every day. We remain committed to investing in our co-workers' growth, well-being and success, creating an environment where talent can flourish and everyone has the opportunity to make an impact."

TIME and Statista identified America's Best Companies 2026 based on three primary dimensions:

- **Employee Satisfaction** – Based on survey data from ~217,000 verified employees at U.S. companies over the past three years, covering company recommendations and employer ratings across image, atmosphere, working conditions, salary, workplace, and equality.
- **Financial Performance** – Drawn from Statista's revenue database (last five years). Companies needed at least US \$100 million in revenue in 2025. Performance was assessed on multiple metrics: short-term (2023–2025) and long-term (2021–2025) revenue growth (relative and absolute), changes in net income, asset growth, and the evolution of return on assets (ROA), all for 2023–2025.
- **Sustainability Transparency** – Based on an ESG index from Statista's ESG Database and additional research, covering:

1. **Environmental:** 2024 carbon emissions intensity, reduction rate vs. 2022, and CDP score
2. **Social:** share of women on the board and existence of a human rights policy
3. **Governance:** presence of a GRI-aligned CSR report and a compliance/anti-corruption policy
