

TD SYNnex Wins 2025 CrowdStrike Global Distributor Partner of the Year Award

2025-09-17

FREMONT, Calif. & CLEARWATER, Fla.--(BUSINESS WIRE)-- TD SYNnex (NYSE: SNX) today announced it has been named [CrowdStrike's 2025 Global Distributor Partner of the Year](#) at CrowdStrike's Global Partner Summit at [Fal.Con 2025](#). This award celebrates the exceptional results and significant business outcomes TD SYNnex has driven by leveraging the AI-native [CrowdStrike Falcon® platform](#).

"Being recognized as CrowdStrike's Global Distributor Partner of the Year underscores the strength of our global collaboration and demonstrates our shared commitment to delivering cybersecurity solutions that protect and empower organizations around the world," said Reyna Thompson, President, North America, TD SYNnex. "This award reflects the dedication of our team, who bring the power of the Falcon platform to life for our partners. Together with CrowdStrike, we are advancing innovation and driving meaningful business outcomes across the ecosystem."

CrowdStrike's Global Partner Summit brings together industry-leading partners to unlock new opportunities, accelerate growth, and help customers consolidate security on the Falcon platform. As cybersecurity's platform innovator for the AI era, CrowdStrike is powering partner-led transformation with AI-native, agentic capabilities that stop threats quickly, reduce complexity, and deliver strong outcomes across every layer of defense. The awards program recognizes partners driving innovation and measurable results with the Falcon platform – delivering AI-powered cybersecurity, exceeding revenue expectations, and building trusted customer relationships.

"Our Global Partner Summit award winners are a powerful reminder of what's possible through partnership," said Daniel Bernard, chief business officer, CrowdStrike. "Our partners are fueling demand like never before, scaling services, and delivering outcomes with CrowdStrike's AI-native platform. This year's winners exemplify what it means to build a high-impact, partner-led business. Together, we're helping customers seize the transformational power of AI to consolidate security and strengthen defenses."
