TD SYNEX Announces Updated Reportable Segments

During the fiscal 2026 first quarter ended February 28, 2026, the Company revised its reportable segments to align with how the Chief Operating Decision Maker ("CODM") manages the business, assesses performance and allocates resources.

The Company now operates in four reportable segments comprised of three reportable segments related to its **global information technology ("IT") distribution business** organized within three geographic regions known as the Americas, Europe and Asia-Pacific and Japan ("APJ"). The Company's fourth reportable segment is **Hyve Solutions**, which operates globally.

The Company's **distribution businesses** bring together a broad portfolio of IT hardware, software, and systems, providing access to more than 200,000 products across the global IT ecosystem. The Company's **Hyve Solutions business** partners with leading technology companies to design, manufacture, and deliver AI, cloud, and connected infrastructure worldwide.
