- Effect of the Action: During the year ending December 31, 2014, SandRidge Energy, Inc. paid cash distributions to holders of its 8.5% convertible perpetual preferred stock, 7.0% convertible perpetual preferred stock, and 6.0% convertible perpetual preferred stock. These distributions represent nondividend distributions reportable in Box 3 of Form 1099-DIV rather than dividends reportable in Box 1 of Form 1099-DIV since the distributions were not paid out of either current year earnings and profits or accumulated earnings and profits. These dividends should be treated as a return of capital to the extent that the individual

shareholders have basis and then capital gain for any amount in excess of basis.
