Special Note Regarding Forward-Looking Statements

This new release contains certain statements that may be deemed to be “forward-looking statements” within the meaning of applicable federal securities laws. All statements, other than statements of historical facts, that address activities, events or developments that the Company expects, projects, believes or anticipates will or may occur in the future, including, without limitation, acquisitions of tractors, the outlook for fleet utilization and shipping rates, general industry conditions, future operating results of the Company’s fleet, capital expenditures, expansion and growth opportunities, business strategy, ability to pay dividends and other such matters, are forward-looking statements. Although the Company believes that its expectations stated in this press release are based on reasonable assumptions, actual results may differ from those projected in the forward-looking statements. Factors that might cause or contribute to such a discrepancy include, but are not limited to, the risk factors described in the Company’s registration statement filed with the SEC related to this offering.
