4/13/2020

MIAMI--(BUSINESS WIRE)--With the launch of the Pollo Pantry, Pollo Tropical® fans can get fresh, citrus-marinated chicken ready-to-cook in their home kitchens. As guests are looking for more convenient and affordable ways to get items that are in limited availability in supermarkets, Pollo Tropical is offering its pantry menu at the drive-thru and through take out at more than 140 participating Florida locations.

The Pollo Pantry menu launching across Florida on Friday, April 10th, features its fresh, 24-hour citrus-marinated whole chicken for just \$5 and six marinated boneless breasts for just \$10.

"At Pollo Tropical, we're always looking for ways to better serve our community and during these challenging times, we want to give our guests easy solutions to get quality food they can trust at a great value. Fresh, ready-to-cook chicken can be hard to find in grocery stores these days, so we made it easy to find at Pollo," said Richard Stockinger, President and Chief Executive Officer of Fiesta Restaurant Group, parent company of Pollo Tropical. "The Pollo Pantry offers guests the marinated chicken they love in a brand new way and lets them cook it right in their own kitchen for the first time ever."

Along with the fresh chicken offerings, the Pollo Pantry also features its famous ready-to-eat White Rice and Black Beans in larger-sized packages that can feed up to 10 people for just \$5 each.

There are no quantity limits and the items can be ordered during all operating hours at each participating Pollo Tropical location. No other discounts or offers can be used as part of the Pollo Pantry pricing.

If you prefer Pollo do the cooking for you, Pollo Tropical remains open for delivery, drive-thru and mobile pick-up orders with its popular menu items.
