NEWS RELEASE

AbCellera to Highlight Phase 1 Clinical Data for ABCL635 During Upcoming First Quarter 2026 Earnings Call

2026-04-20

VANCOUVER, British Columbia--(BUSINESS WIRE)-- **AbCellera** (Nasdaq: ABCL) today announced that it will disclose interim results from the Phase 1 portion of its study of ABCL635, including observed safety profile, pharmacokinetic, and pharmacodynamic target engagement data, during its first quarter 2026 earnings call on Monday, May 11, 2026.

ABCL635 is a potential first-in-class antibody therapeutic targeting the neurokinin 3 receptor (NK3R) for the non-hormonal treatment of moderate-to-severe vasomotor symptoms (VMS) associated with menopause. It is currently being evaluated in a Phase 1/2 study, and the results of the ongoing multicenter, randomized, double-blind, placebo-controlled Phase 2 portion in postmenopausal women with moderate-to-severe VMS are anticipated in Q3 2026.

As **previously announced**, AbCellera will host its first quarter 2026 earnings call on Monday, May 11, 2026 at 2:00 p.m. PT (5:00 p.m. ET). A live audio webcast of the earnings conference may be accessed through a link that will be posted on **AbCellera's Investor Relations website**. A replay will be available through the same link following the conference call.

About ABCL635

ABCL635 is a potential first-in-class antibody medicine for the non-hormonal treatment of moderate-to-severe

VMS, commonly known as hot flashes, associated with menopause. ABCL635 specifically targets NK3R, a clinically validated G protein-coupled receptor (GPCR) expressed on kisspeptin, neurokinin B, and dynorphin (KNDy) neurons in the infundibular nucleus of the hypothalamus. ABCL635 is the first program from AbCellera's GPCR and ion channel platform to advance into the pipeline, entering the clinic in July 2025. Additional details are available at [ClinicalTrials.gov](https://www.clinicaltrials.gov).

About AbCellera Biologics Inc.

AbCellera (Nasdaq: ABCL) is a clinical-stage biotechnology company focused on discovering and developing first-in-class antibody-based medicines in the areas of endocrinology, women's health, immunology, oncology, and more. For more information, please visit www.abcellera.com.

AbCellera Forward-Looking Statements

This press release contains forward-looking statements, including statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. The forward-looking statements are based on management's current beliefs and assumptions and on information currently available to management. All statements contained in this release other than statements of historical fact are forward-looking statements, including statements regarding our ability to develop, commercialize, and achieve market acceptance of our current and planned products and services, our research and development efforts, and other matters regarding our business strategies, use of capital, results of operations and financial position, and plans and objectives for future operations.

In some cases, you can identify forward-looking statements by the words "may," "will," "could," "would," "should," "expect," "intend," "plan," "anticipate," "believe," "estimate," "predict," "project," "potential," "continue," "ongoing" or the negative of these terms or other comparable terminology, although not all forward-looking statements contain these words. These statements involve risks, uncertainties, and other factors that may cause actual results, levels of activity, performance, or achievements to be materially different from the information expressed or implied by these forward-looking statements. These risks, uncertainties, and other factors are described under "Risk Factors," "Management's Discussion and Analysis of Financial Condition and Results of Operations," and elsewhere in the documents we file with the Securities and Exchange Commission from time to time. We caution you that forward-looking statements are based on a combination of facts and factors currently known by us and our projections of the future, about which we cannot be certain. As a result, the forward-looking statements may not prove to be accurate. The forward-looking statements in this press release represent our views as of the date hereof. We undertake no obligation to update any forward-looking statements for any reason, except as required by law.
