SBA Communications Corporation to Release 4th Quarter Operational Results January 10, 2001

BOCA RATON, Fla., Jan. 5 /PRNewswire/ -- SBA Communications Corporation (Nasdaq: SBAC) ("SBA") announced it will release its 4th quarter operational results on Wednesday, January 10, 2001, in a press release scheduled for 5:30 p.m. EDT. Information to be released will include towers built, towers acquired and same tower revenue growth.

A conference call to discuss these results has been scheduled for Thursday, January 11, 2001, at 10:00 a.m. EDT. The U.S. call-in number is (800) 230-1093, the International call-in number is 612-332-0335. The name of the conference call is "SBA Fourth Quarter Operational Results." The replay will be available from January 11, at 2:30 p.m. to January 18, at 11:59 p.m. The replay number for the U.S. is 800-475-6701, and International replay number is 320-365-3844. The access code is 563810.

SBA also announced that it will participate in Salomon Smith Barney's 11th Annual Global Entertainment, Media & Telecommunications Conference that is being held Monday, January 8 through Thursday, January 11, 2001, at the Fairmont Scottsdale Princess Hotel in Scottsdale, Arizona. The Conference features company presentations, panel discussions and keynote speeches to institutional investors and the media.

SBA is currently scheduled to make its presentation on Monday, January 8, 2001 from approximately 7:45 a.m. mountain time through 8:30 a.m. mountain time (9:45 a.m. eastern time through 10:30 a.m. eastern time). A live audio simulcast of this presentation with an accompanying slide presentation will be available via the following web site:

www.veracast.com/ssb2/gemt_2001/clientaccess/78101239.cfm.
To listen to the live presentation on the web, please visit the web site at least fifteen minutes early to register, download and install any necessary audio software. A replay of the presentation will be available on the web site for 30 days.

SBA is a leading independent owner and operator of wireless communications infrastructure in the United States. SBA generates revenue from two primary businesses -- site leasing and site development services. The primary focus of the company is the leasing of antenna space on its multi-tenant towers to a variety of wireless service providers under long-term lease contracts. Since it was founded in 1989, SBA has participated in the development of over 14,000 antenna sites in the United States.
