SBA Communications Corporation To Present At The Raymond James Institutional Investors Conference March 5, 2001

BOCA RATON, Fla., March 1 /PRNewswire/ -- SBA Communications Corporation ("SBA")(Nasdaq: SBAC) announced it will participate in the Raymond James Institutional Investors Conference being held March 5 through March 7, 2001, at the Hyatt Regency Grand Cypress in Orlando, Florida. The Company will present information on its most recent quarter and business development.

SBA is currently scheduled to make its presentation on Monday, March 5, 2001, from approximately 11:45 a.m. through 12:45 p.m. EST. In conjunction with the live presentation on the web, listeners will need to register at the following address:

http://webevents.broadcast.com/raymondjames/030501

Once listeners have completed the registration process, they will receive a confirmation email with username and password. Listeners should go to this site at least 15 minutes before the presentation to register and download and install any necessary software, Microsoft Windows Media Player or RealPlayer. A replay will be available for 90 days by accessing the above address.

SBA is a leading independent owner and operator of wireless communications infrastructure in the United States. SBA generates revenue from two primary businesses -- site leasing and site development services. The primary focus of the company is the leasing of antenna space on its multi-tenant towers to a variety of wireless service providers under long-term lease contracts. Since it was founded in 1989, SBA has participated in the development of over 14,500 antenna sites in the United States.
