

SBA Communications Corporation to Speak at RBC Capital Markets North American Technology Conference

BOCA RATON, Fla., July 29 /PRNewswire-FirstCall/ -- SBA Communications Corporation (Nasdaq: SBAC) ("SBA") announced that its President and Chief Executive Officer, Jeffrey A. Stoops, is scheduled to speak at the RBC Capital Markets North American Technology Conference in Half Moon Bay, California on Monday, August 2, 2004 at 4:45 p.m. The presentation will be web cast live and can be accessed on SBA's website, http://www.sbasite.com. The presentation will also be available for replay on the Company's website through August 16, 2004.

SBA is a leading independent owner and operator of wireless communications infrastructure in the United States. SBA generates revenue from two primary businesses -- site leasing and site development services. The primary focus of the Company is the leasing of antenna space on its multi-tenant towers to a variety of wireless service providers under long-term lease contracts. Since it was founded in 1989, SBA has participated in the development of over 25,000 antenna sites in the United States.
