About Capri Holdings Limited

Capri Holdings Limited is a global fashion luxury group, consisting of iconic brands that are industry leaders in design, style and craftsmanship. Its brands cover the full spectrum of fashion luxury categories including women's and men's accessories, footwear and ready-to-wear as well as wearable technology, watches, jewelry, eyewear and a full line of fragrance products. The Company's goal is to continue to extend the global reach of its brands while ensuring that they maintain their independence and exclusive DNA. Capri Holdings Limited is publicly listed on the New York Stock Exchange under the ticker CPRI.

Forward-Looking Statements

This press release contains statements which are, or may be deemed to be, "forward-looking statements." Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of Capri Holdings Limited (the "Company") about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements. All statements other than statements of historical facts included herein, may be forward-looking statements. Without limitation, any statements preceded or followed by or that include the words "plans", "believes", "expects", "intends", "will", "should", "could", "would", "may", "anticipates", "might" or similar words or phrases, are forward-looking statements. These forward-looking statements are not guarantees of future financial performance. Such forward-looking statements involve known and unknown risks and uncertainties that could significantly affect expected results and are based on certain key assumptions, which could cause actual results to differ materially from those projected or implied in any forward-looking statements. These risks, uncertainties and other factors include the effect of the COVID-19 pandemic and its potential material and significant impact on the Company's future financial and operational results if retail stores are forced to close again and the pandemic is prolonged, including that our estimates could materially differ if the severity of the COVID-19 situation worsens, or if there are further supply chain disruptions, including additional production delays and increased costs, the length and severity of such outbreak across the globe and the pace of recovery following the COVID-19 pandemic; levels of cash flow and future availability of credit; compliance with restrictive covenants under the Company's credit agreement; the Company's ability to integrate successfully and to achieve anticipated benefits of any acquisition and to successfully execute our growth strategies; the risk of disruptions to the Company's businesses; risks associated with operating in international markets (including the impact of the Russia-Ukraine conflict) and our global sourcing activities; the risk of cybersecurity threats and privacy or data security breaches; the negative effects of events on the market price of the Company's ordinary shares and its operating results; significant transaction costs; unknown liabilities; the risk of litigation and/or regulatory actions related to the Company's businesses; fluctuations in demand for the Company's products; levels of indebtedness (including the indebtedness incurred in connection with acquisitions); the timing and scope of future share buybacks, which may be made in open market or privately negotiated transactions, and are subject to market conditions, applicable legal requirements, trading restrictions under the Company's insider trading policy and other relevant factors, and such share repurchases may be suspended or discontinued at any time; the level of other investing activities and uses of cash; changes in consumer traffic and retail trends; loss of market share and industry competition; fluctuations in the capital markets; fluctuations in interest and exchange rates; the occurrence of unforeseen epidemics and pandemics, disasters or catastrophes; political or economic instability in principal markets; adverse outcomes in litigation; and general, local and global economic, political, business and market conditions, as well as those risks set forth in the Company's filings with the U.S. Securities and Exchange Commission, including the Company's Annual Report on Form 10-K for the fiscal year ended March 27, 2021 (File No. 001-35368). Any forward-looking statement in this press release speaks only as of the date made and the Company disclaims any obligation to

update or revise any forward-looking or other statements contained herein other than in accordance with legal and regulatory obligations.
