

NEWS RELEASE

Appoints Joshua Dolger as FuelCell Energy's Executive Vice President, General Counsel and Corporate Secretary

12/17/2021

DANBURY, Conn., Dec. 17, 2021 (GLOBE NEWSWIRE) -- FuelCell Energy, Inc. (Nasdaq: FCEL) — a global leader in fuel cell technology with a purpose of utilizing its proprietary, state-of-the-art fuel cell platforms to enable a world empowered by clean energy — today announced that Joshua Dolger has been appointed by FuelCell Energy's Board of Directors as the Company's Executive Vice President, General Counsel and Corporate Secretary. Josh has been serving as interim General Counsel and Corporate Secretary since June 2021.

Josh brings extensive experience in corporate and public company legal practice. Prior to joining the Company in May 2021, Josh held a variety of legal positions of increasing responsibility at the headquarters of Terex Corporation, a publicly traded company and a global manufacturer of aerial work platforms and materials processing machinery, including Assistant General Counsel from January 2016 to March 2021. At Terex Corporation, Josh provided legal counsel to executive management on a wide range of matters including Securities and Exchange Commission filings, mergers and acquisitions, corporate governance, commercial contract drafting and negotiation, and implementation of the company's multi-year strategic supply chain initiative.

Prior to joining Terex Corporation in 2007, Josh was a senior corporate attorney at Pullman & Comley, LLC. Josh received a Juris Doctor from Pace University School of Law and a Bachelor of Arts degree from the State University of New York at Albany and is a member of the State Bar in both Connecticut and New York.

"We are extremely pleased to remove the interim designation from Josh's title and appoint Josh as our Executive Vice President, General Counsel and Corporate Secretary, adding depth to our senior leadership team," said FuelCell Energy President and CEO Jason Few. "Since joining the Company, Josh has had a demonstrable impact on

several strategic initiatives, added legal expertise and leveraged his background in the furtherance of our business model. As we enter a new phase of growth and development, I know his leadership, drive and insight will continue to have an impact on our Company."

About FuelCell Energy

FuelCell Energy, Inc. (NASDAQ: FCEL): FuelCell Energy is a global leader in sustainable clean energy technologies that address some of the world's most critical challenges around energy, safety and global urbanization. As a leading global manufacturer of proprietary fuel cell technology platforms, FuelCell Energy is uniquely positioned to serve customers worldwide with sustainable products and solutions for businesses, utilities, governments and municipalities. Our solutions are designed to enable a world empowered by clean energy, enhancing the quality of life for people around the globe. We target large-scale power users with our megawatt-class installations globally, and currently offer sub-megawatt solutions for smaller power consumers in Europe. To provide a frame of reference, one megawatt is adequate to continually power approximately 1,000 average sized U.S. homes. We develop turn-key distributed power generation solutions and operate and provide comprehensive service for the life of the power plant. Our fuel cell solution is a clean, efficient alternative to traditional combustion-based power generation, and is complementary to an energy mix consisting of intermittent sources of energy, such as solar and wind turbines. Our customer base includes utility companies, municipalities, universities, hospitals, government entities/military bases and a variety of industrial and commercial enterprises. Our leading geographic markets are currently the United States and South Korea, and we are pursuing opportunities in other countries around the world. FuelCell Energy, based in Connecticut, was founded in 1969.
