

NEWS RELEASE

Connecticut Governor-Elect Lamont Names FuelCell Energy's Jennifer Arasimowicz to Transition Team

11/28/2018

DANBURY, Conn., Nov. 28, 2018 (GLOBE NEWSWIRE) -- **FuelCell Energy, Inc.** (Nasdaq: FCEL), a global leader in delivering clean, innovative and affordable fuel cell solutions for the supply, recovery and storage of energy, is pleased to announce that Jennifer D. Arasimowicz, Senior Vice President, General Counsel and Corporate Secretary, has been named to Governor-elect Ned Lamont's Transition Team as a member of the Energy Policy Committee.

"I am honored for the opportunity to work with the Governor-elect's Transition Team as it lays the groundwork for important energy policy decisions that will impact our state for years to come. Connecticut has already begun making investments in technologies that support reliable, clean energy, and I look forward to working with this talented group to explore options that will help grow our economy and create jobs in a clean and sustainable way."

As part of the Energy Policy Committee, Arasimowicz will join a diverse group of transition advisors from the private sector, non-profits and government.

Jennifer Arasimowicz joined FuelCell Energy in 2012 from Total Energy Corporation, where she served as General Counsel. Previously, she was a partner at Shipman & Goodwin in Hartford, chairing the Utility Law Practice Group, and began her legal career as an associate at Murtha Cullina. She earned her Juris Doctor at Boston University School of Law and holds a bachelor's degree in English from Boston University.

About FuelCell Energy

FuelCell Energy, Inc. (NASDAQ: FCEL) delivers efficient, affordable and clean solutions for the supply, recovery and storage of energy. We design, manufacture, undertake project development of, install, operate and maintain megawatt-scale fuel cell systems, serving utilities and industrial and large municipal power users with solutions that

include both utility-scale and on-site power generation, carbon capture, local hydrogen production for transportation and industry, and long duration energy storage. With SureSource™ installations on three continents and millions of megawatt hours of ultra-clean power produced, FuelCell Energy is a global leader in designing, manufacturing, installing, operating and maintaining environmentally responsible fuel cell power solutions.
